Children's Collapse~

カオスチャイルド
チルドレンズ コラプス

If you are God, and the delusion becomes reality. About what kind of the noids you get?
Is it the sensual world? The despotic society? The destructive sanctions? Or...

LET ME THINK...

BUT WHAT DO YOU,
A NEUROSCIENCE
RESEARCHER AT VIKTOR
CHONDRIA UNIVERSITY,
THINK OF OUR LITTLE
COLEMAN INSTITUTE?

I'M TERRIBLY
SORRY I COULDN'T
SHOW YOU AROUND
AFTER YOU CAME
ALL THIS WAY
TO OBSERVE.

THAT'S
RIGHT.

THE INSTITUTE
EXISTS FOR
THE CHILDREN,
AFTER ALL.

BUT I SEE
YOU PUT A LOT
OF WEIGHT ON
EXPERIMENTS.

TO BE HONEST,
I EXPECTED A
MORE THEORETICAL
APPROACH.

IT FEELS INCREDIBLY
WARM HERE.

ALSO...

MIND YOUR
OWN BUSINESS.

MIO, IT MUST HAVE
TAKEN A LOT OF
WORK FOR YOU TO
GET USED TO IT.

YES.

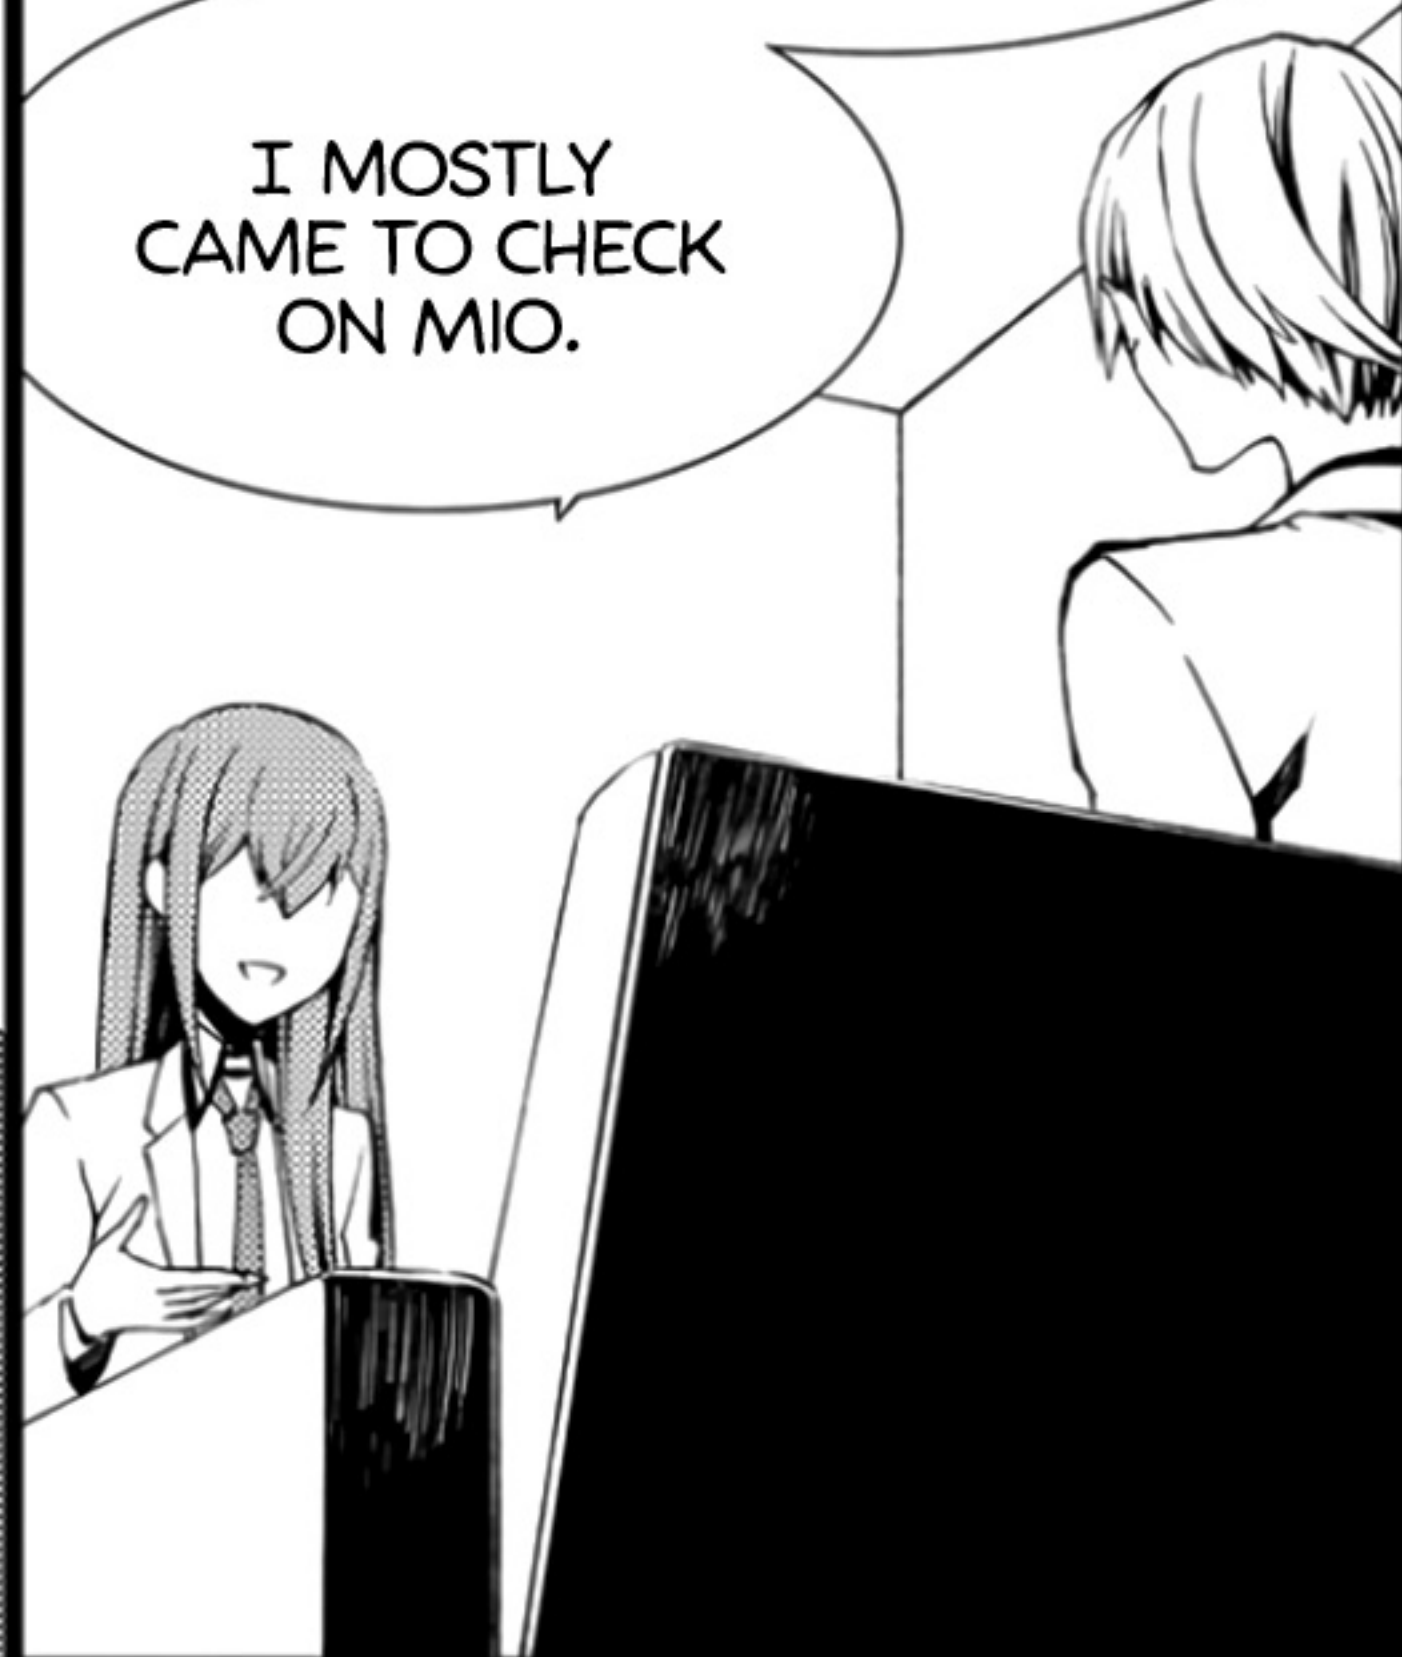

ALL OF US IN MY LAB,
MYSELF INCLUDED,
EXPECTED HER TO COME
WORK WITH US.

AND WE DID IN FACT
MAKE AN OFFER, BUT
SHE BRUSHED IT OFF TO
COME HERE INSTEAD.
I WAS CURIOUS TO SEE IF
SHE WAS DOING WELL.

I MUST CONFESS,
WHILE I DID WANT TO
CHECK THE INSTITUTE,

I MOSTLY
CAME TO CHECK
ON MIO.

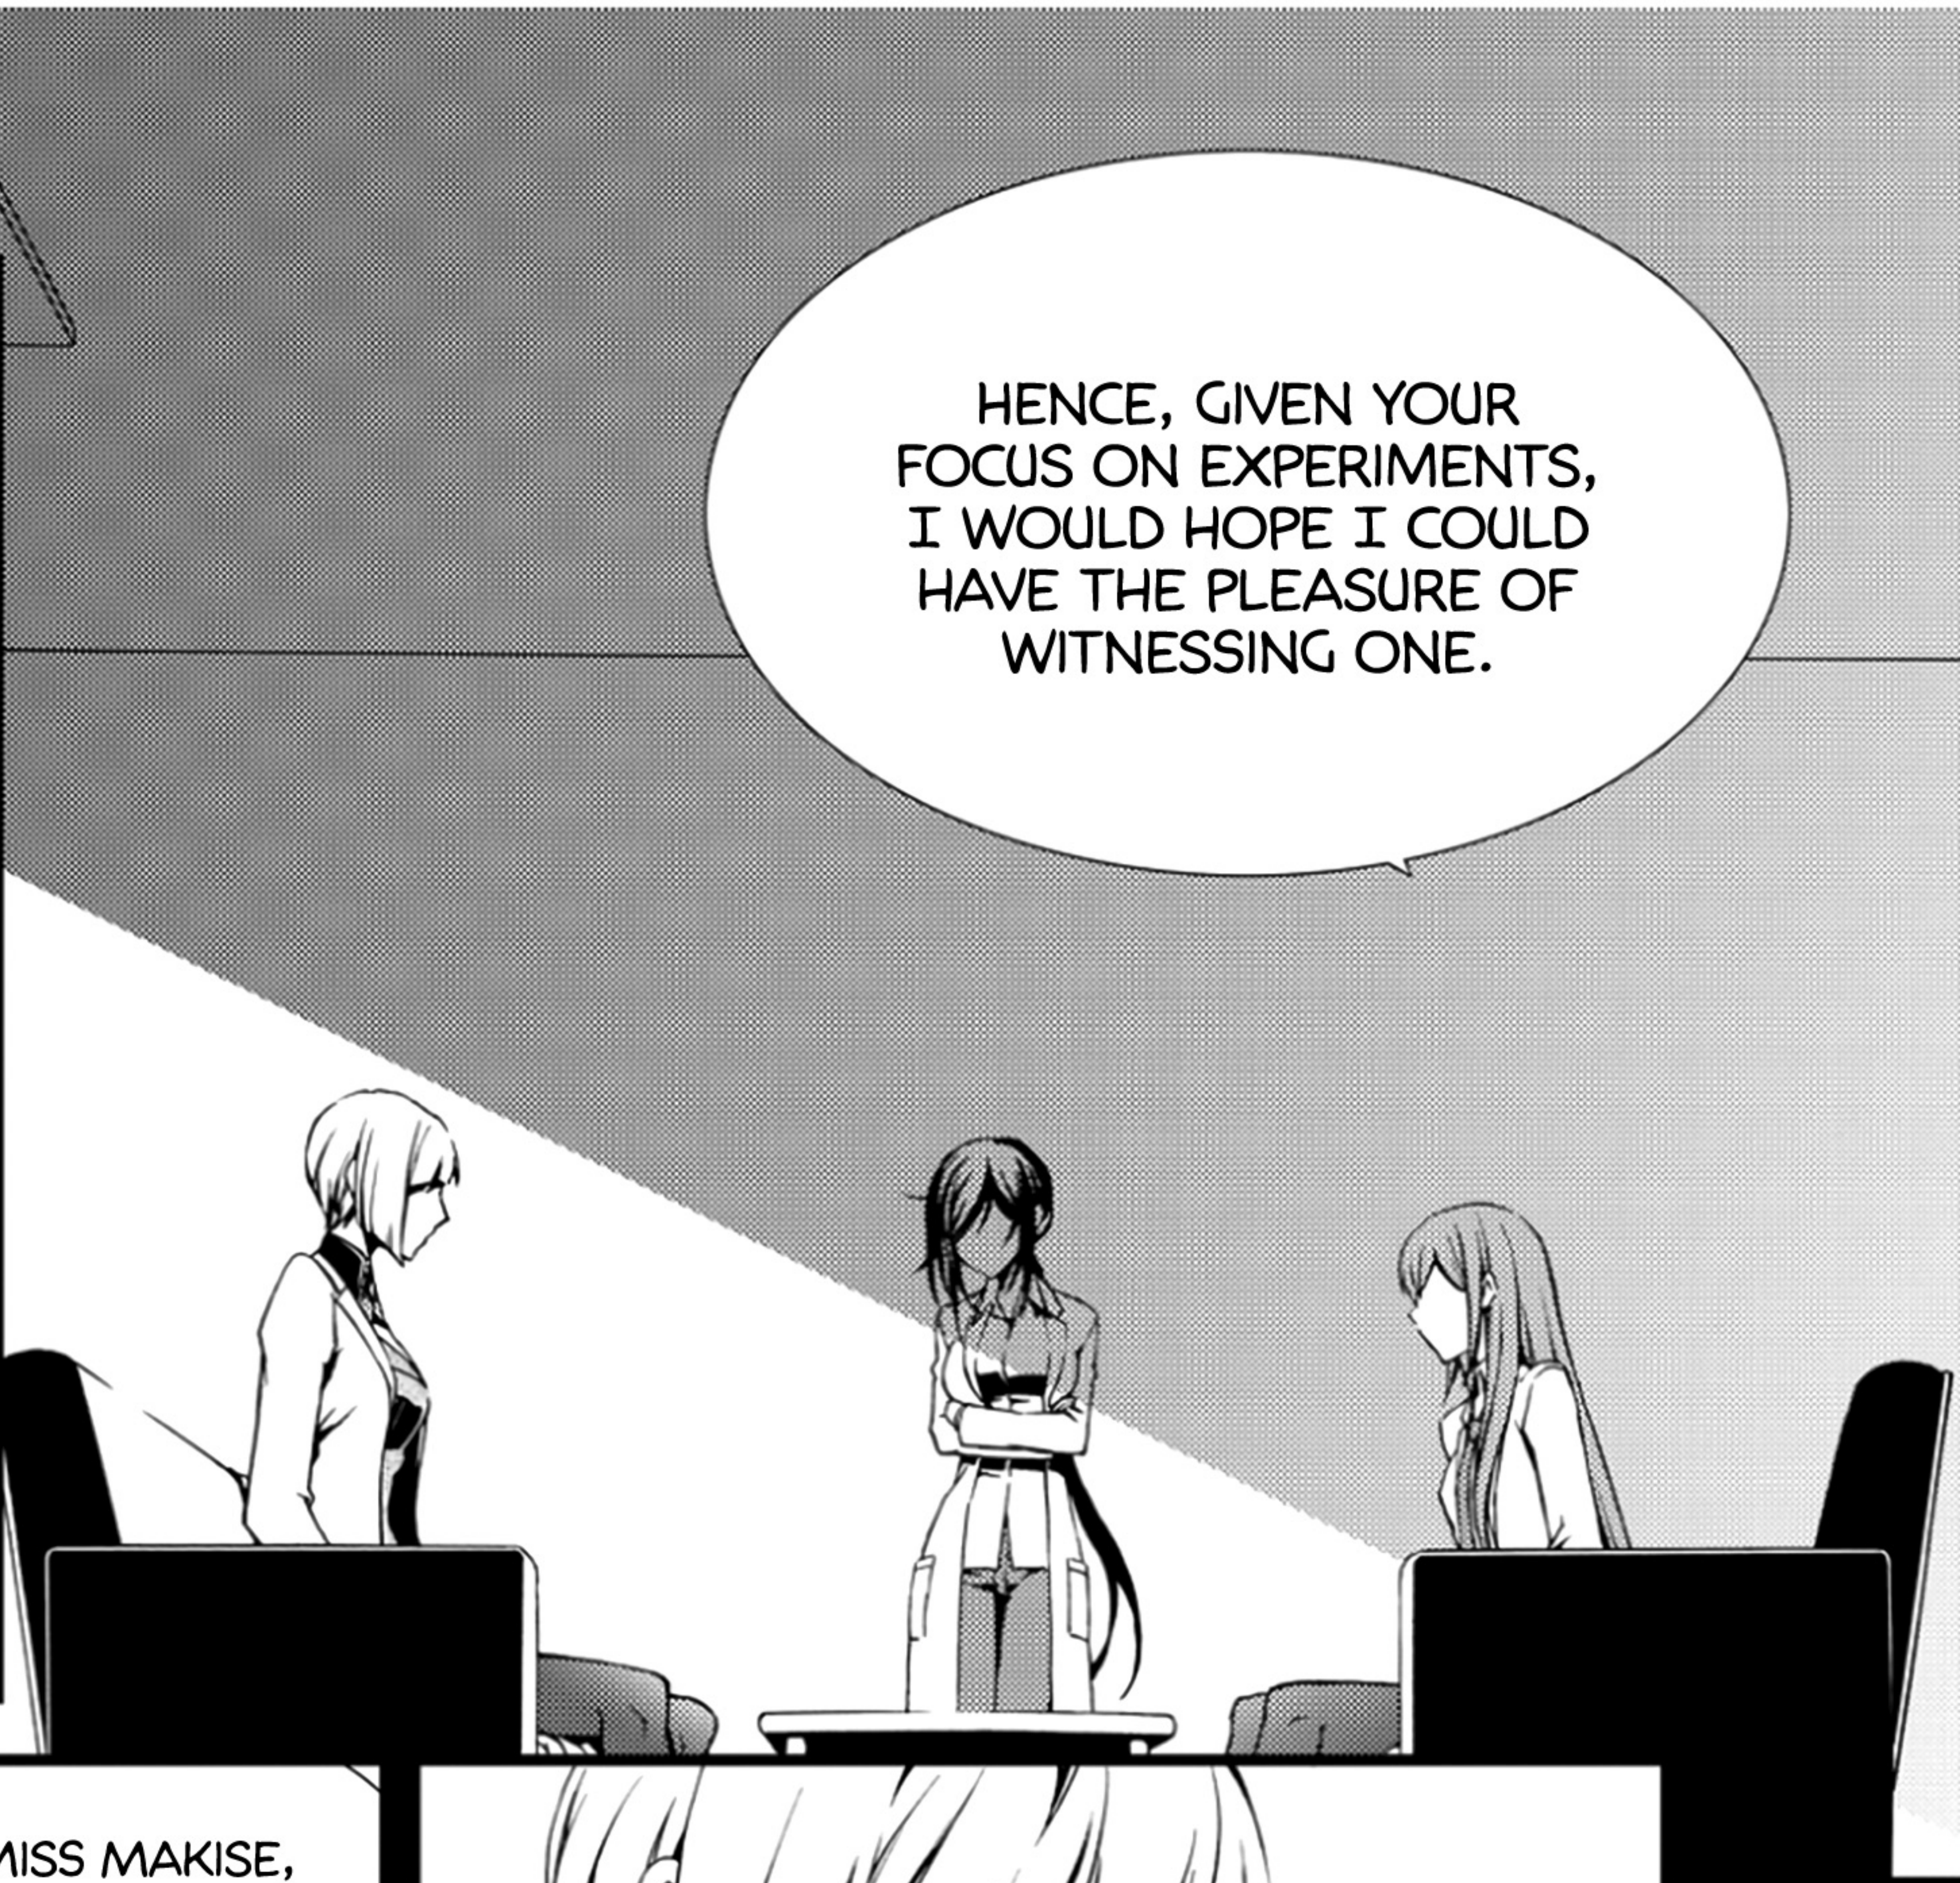

...YOU DID?

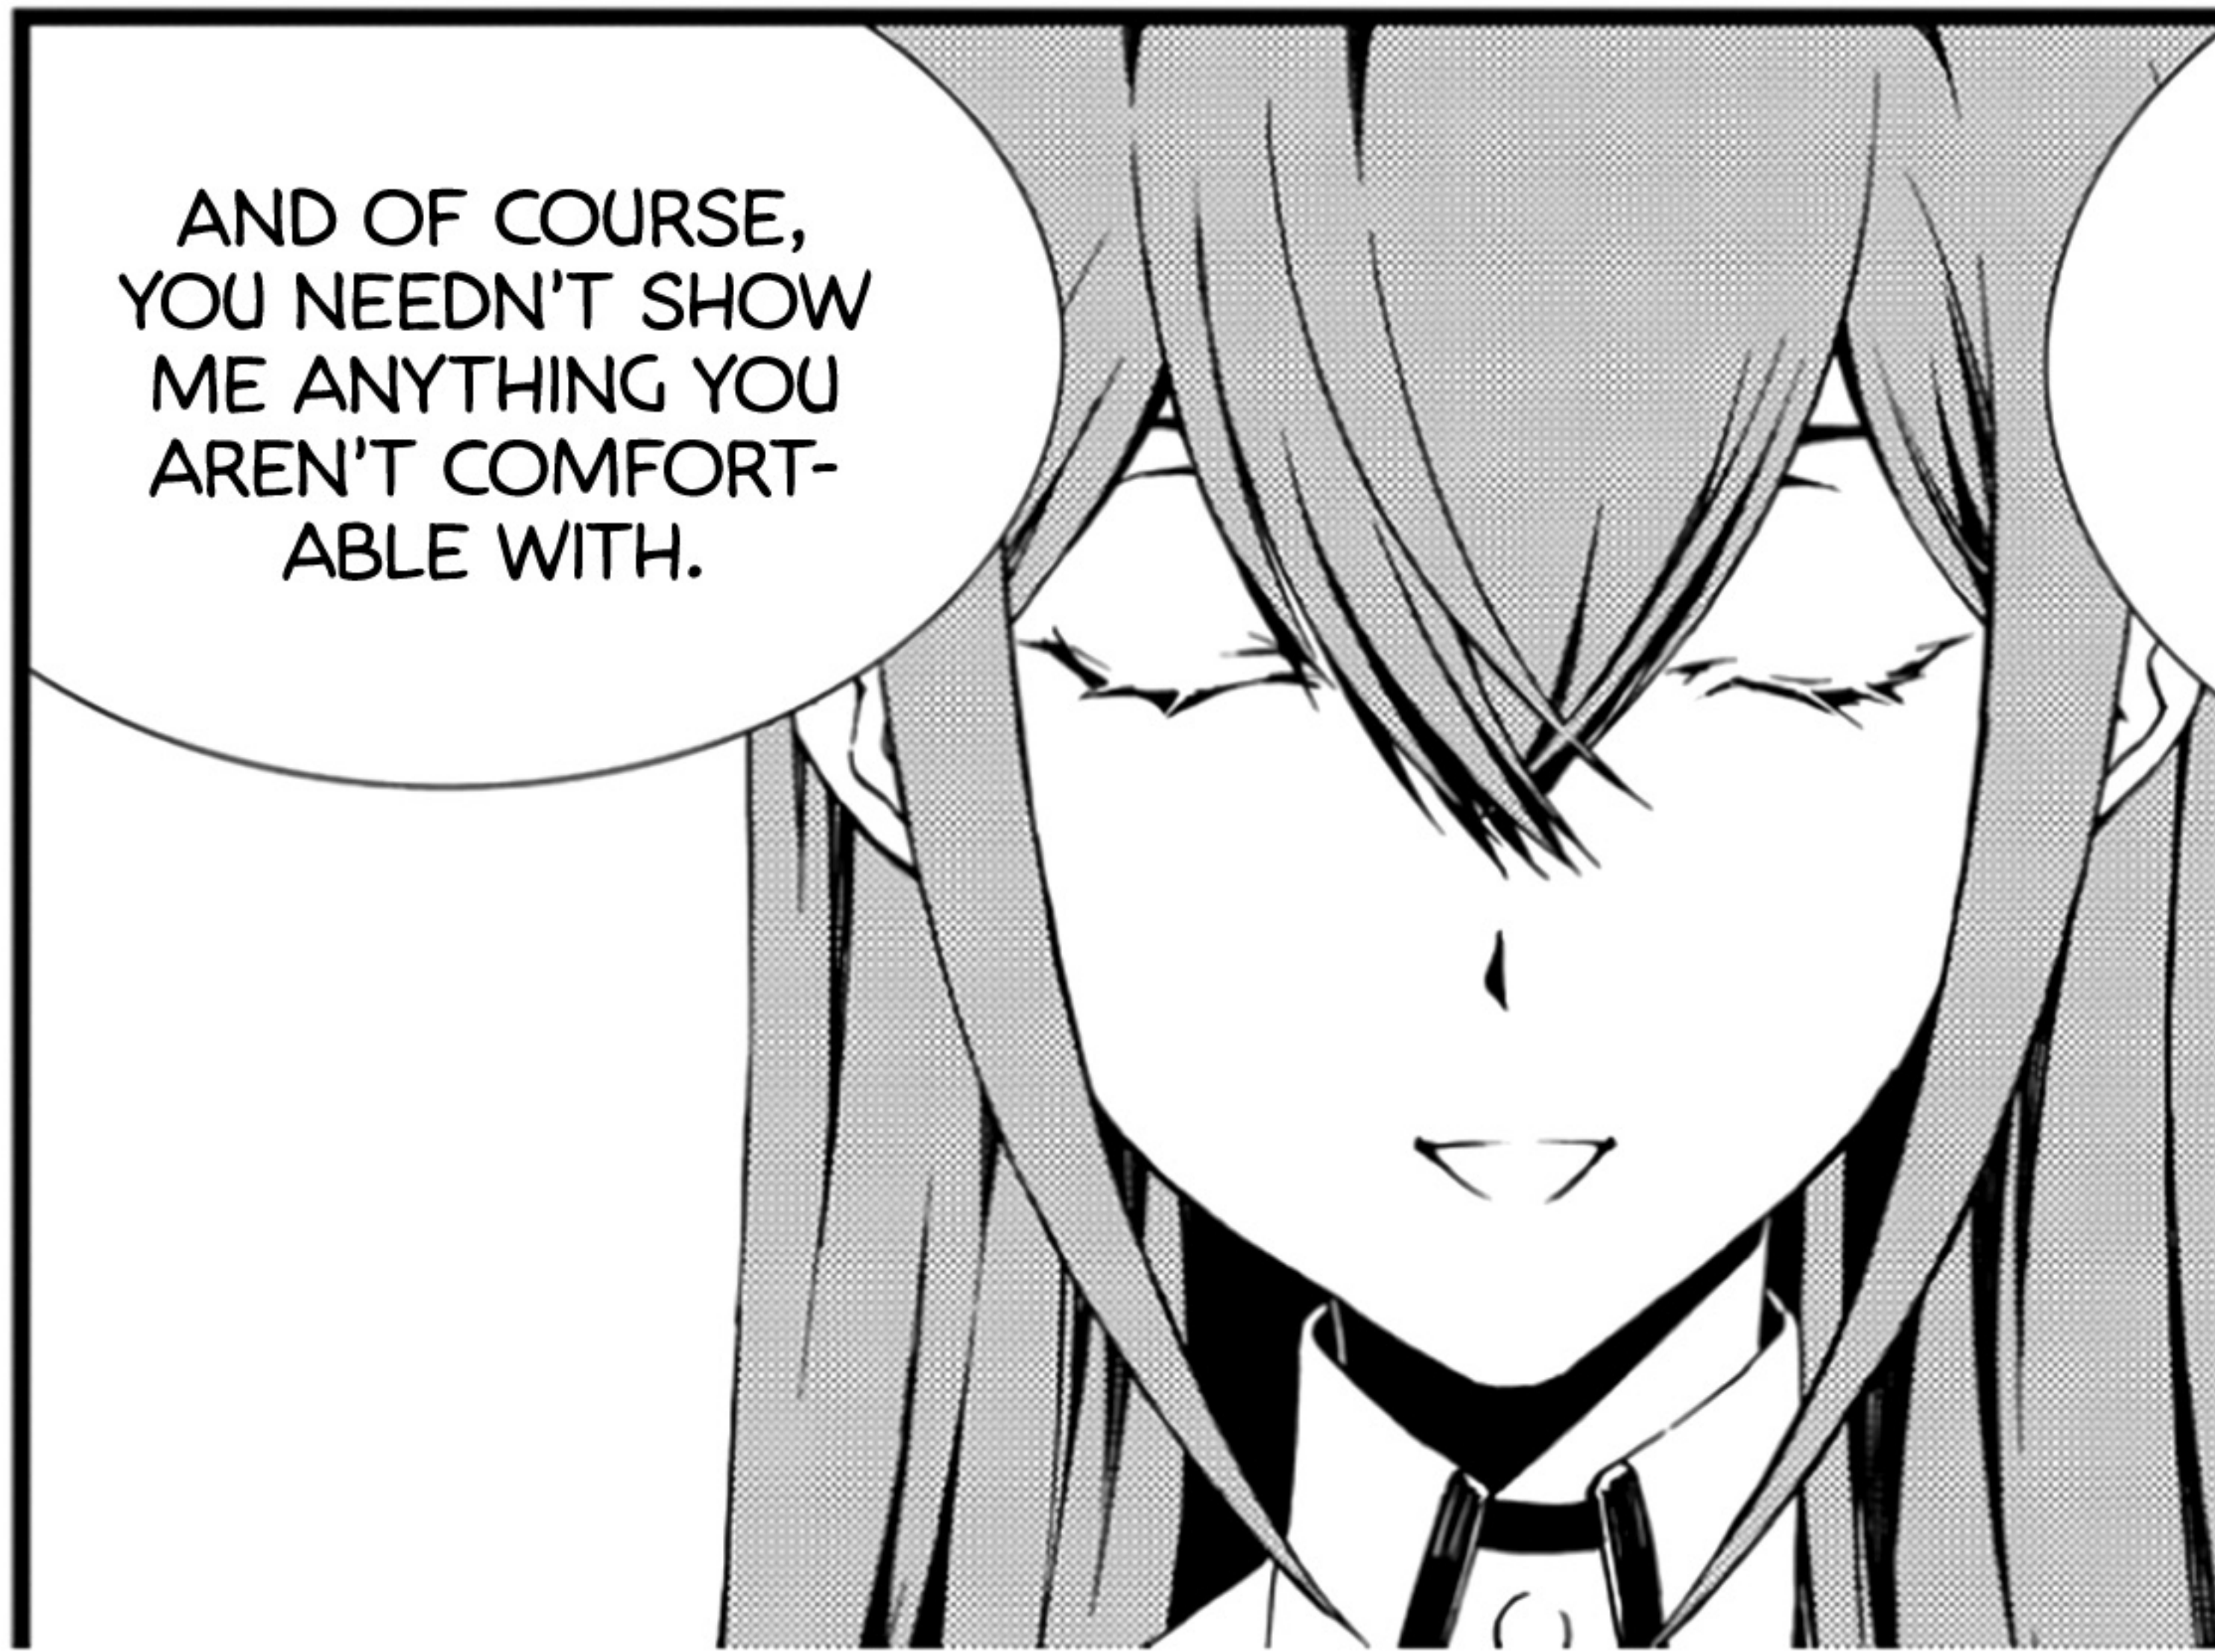

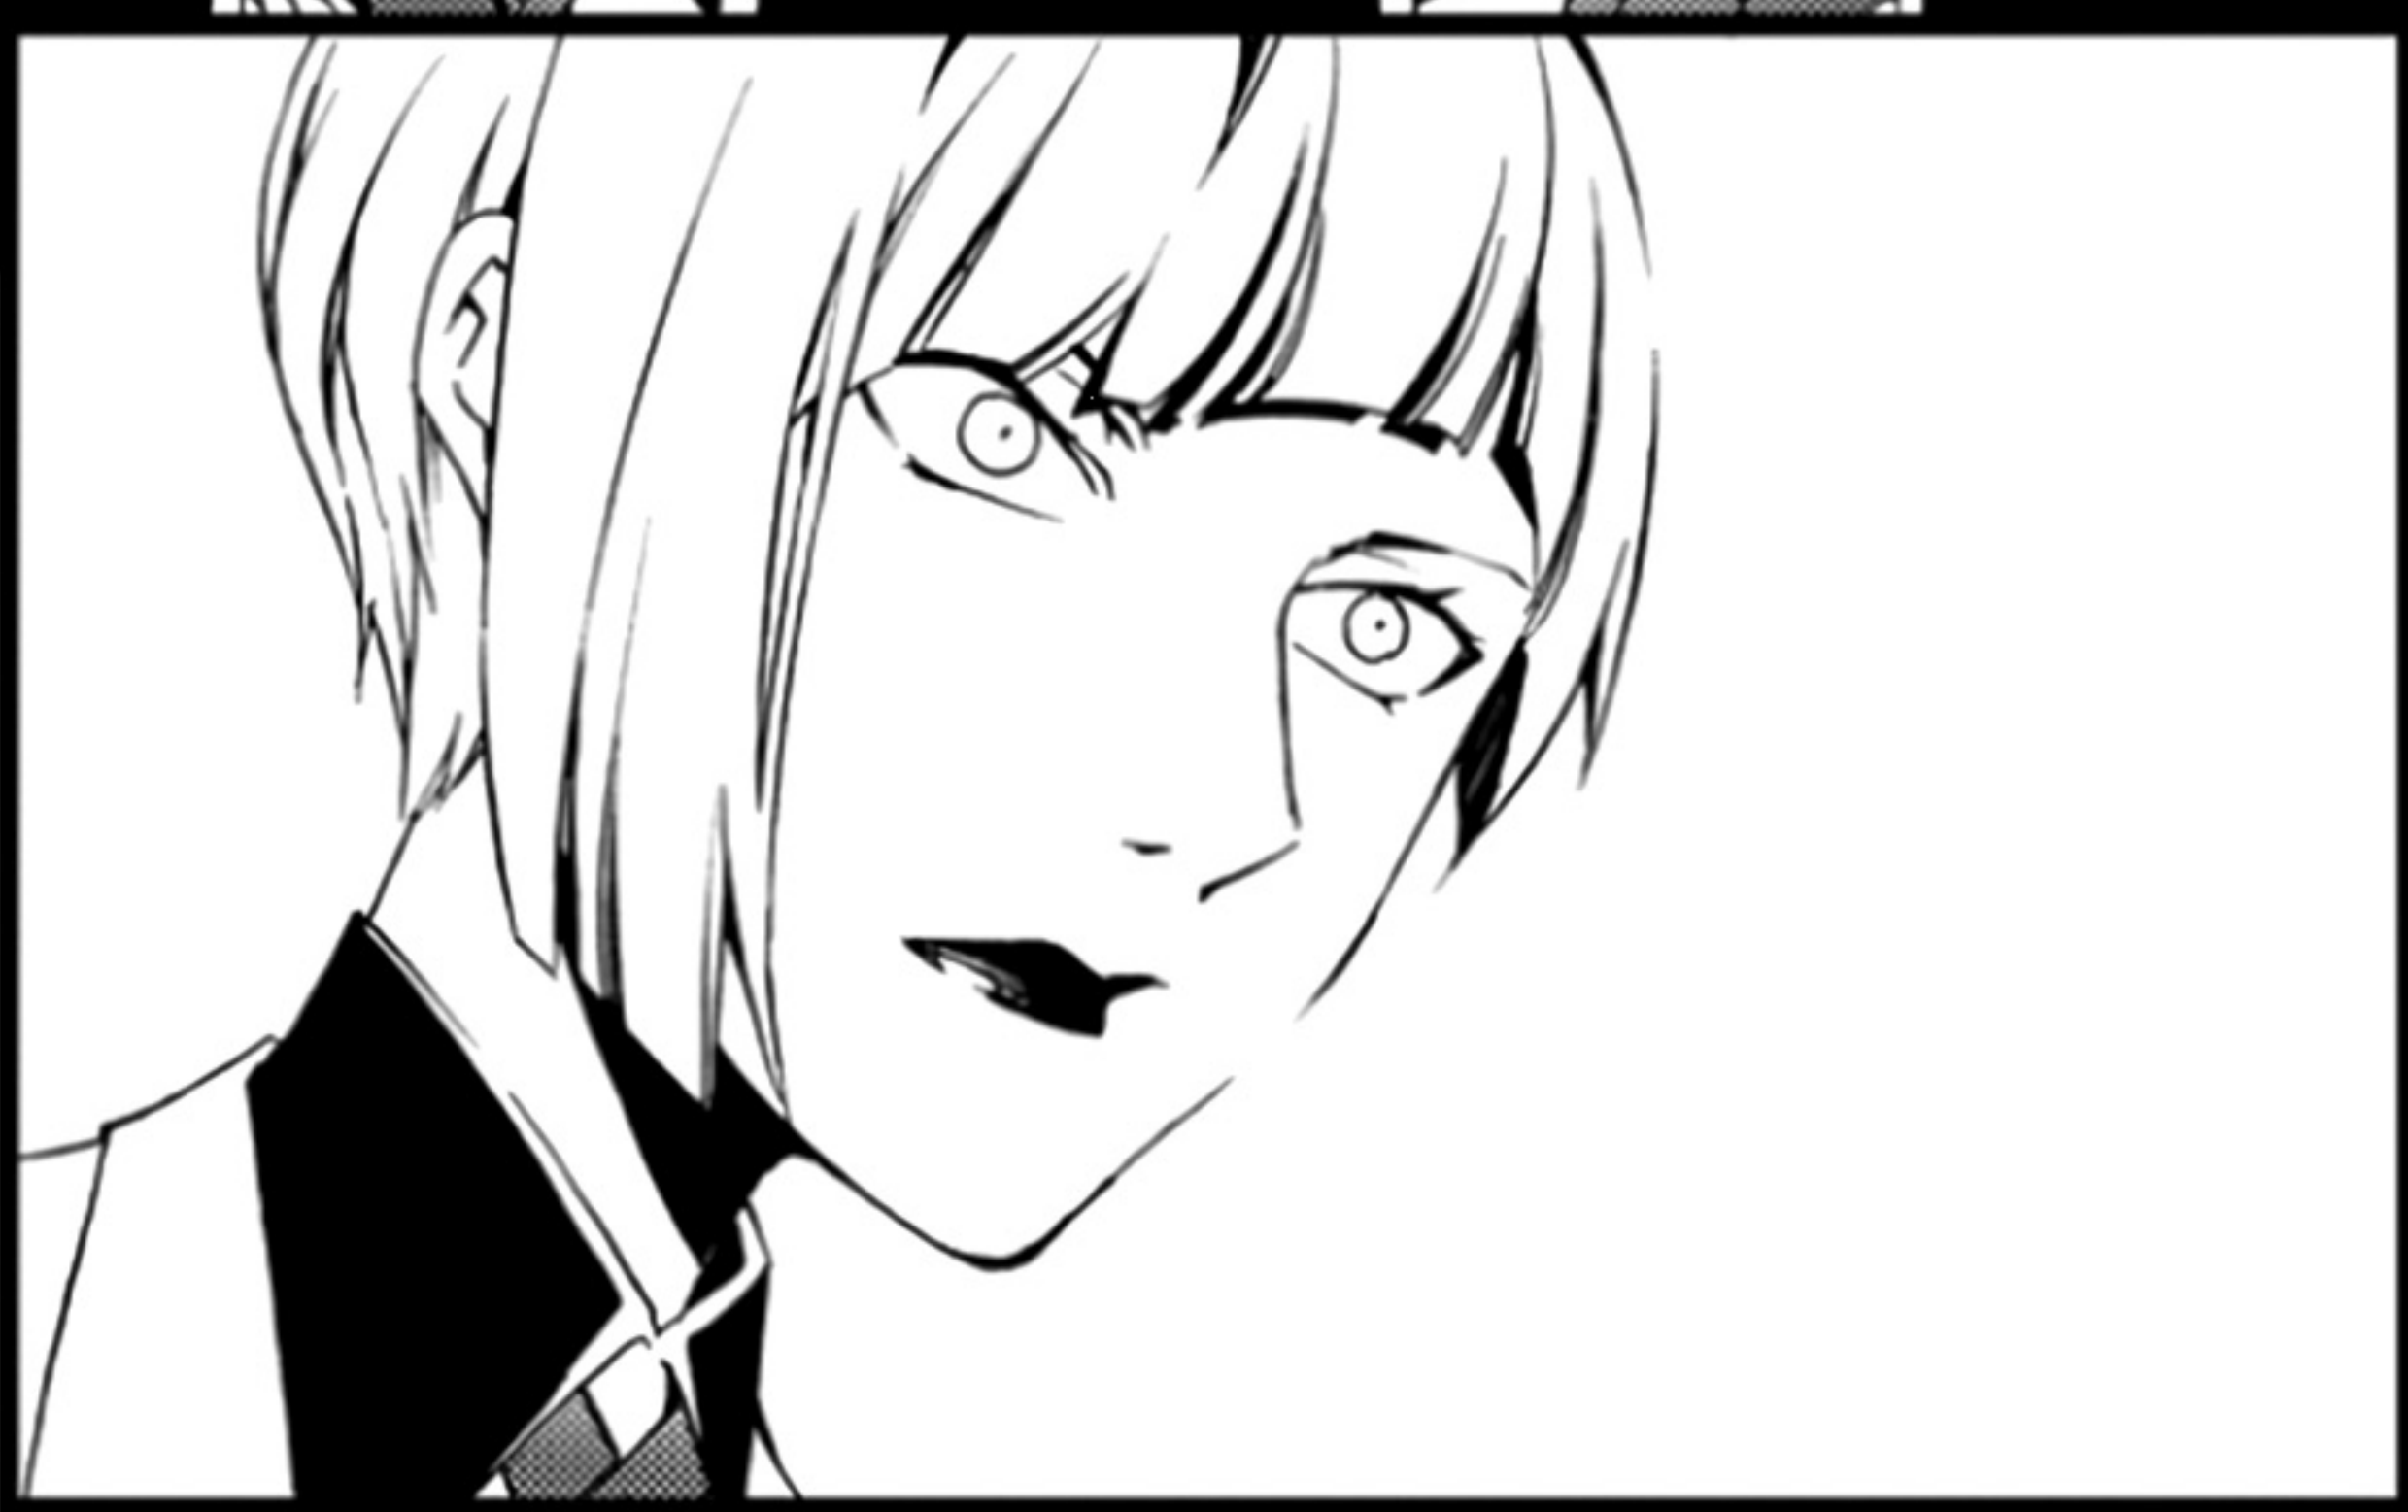

HENCE, GIVEN YOUR
FOCUS ON EXPERIMENTS,
I WOULD HOPE I COULD
HAVE THE PLEASURE OF
WITNESSING ONE.

...MISS MAKISE,
WHAT YOU ASK
IS-

AND OF COURSE,
YOU NEEDN'T SHOW
ME ANYTHING YOU
AREN'T COMFORT-
ABLE WITH.

ABSURD, I KNOW.
BUT I SWEAR I WILL
KEEP EVERYTHING I SEE
AND HEAR TO MYSELF.

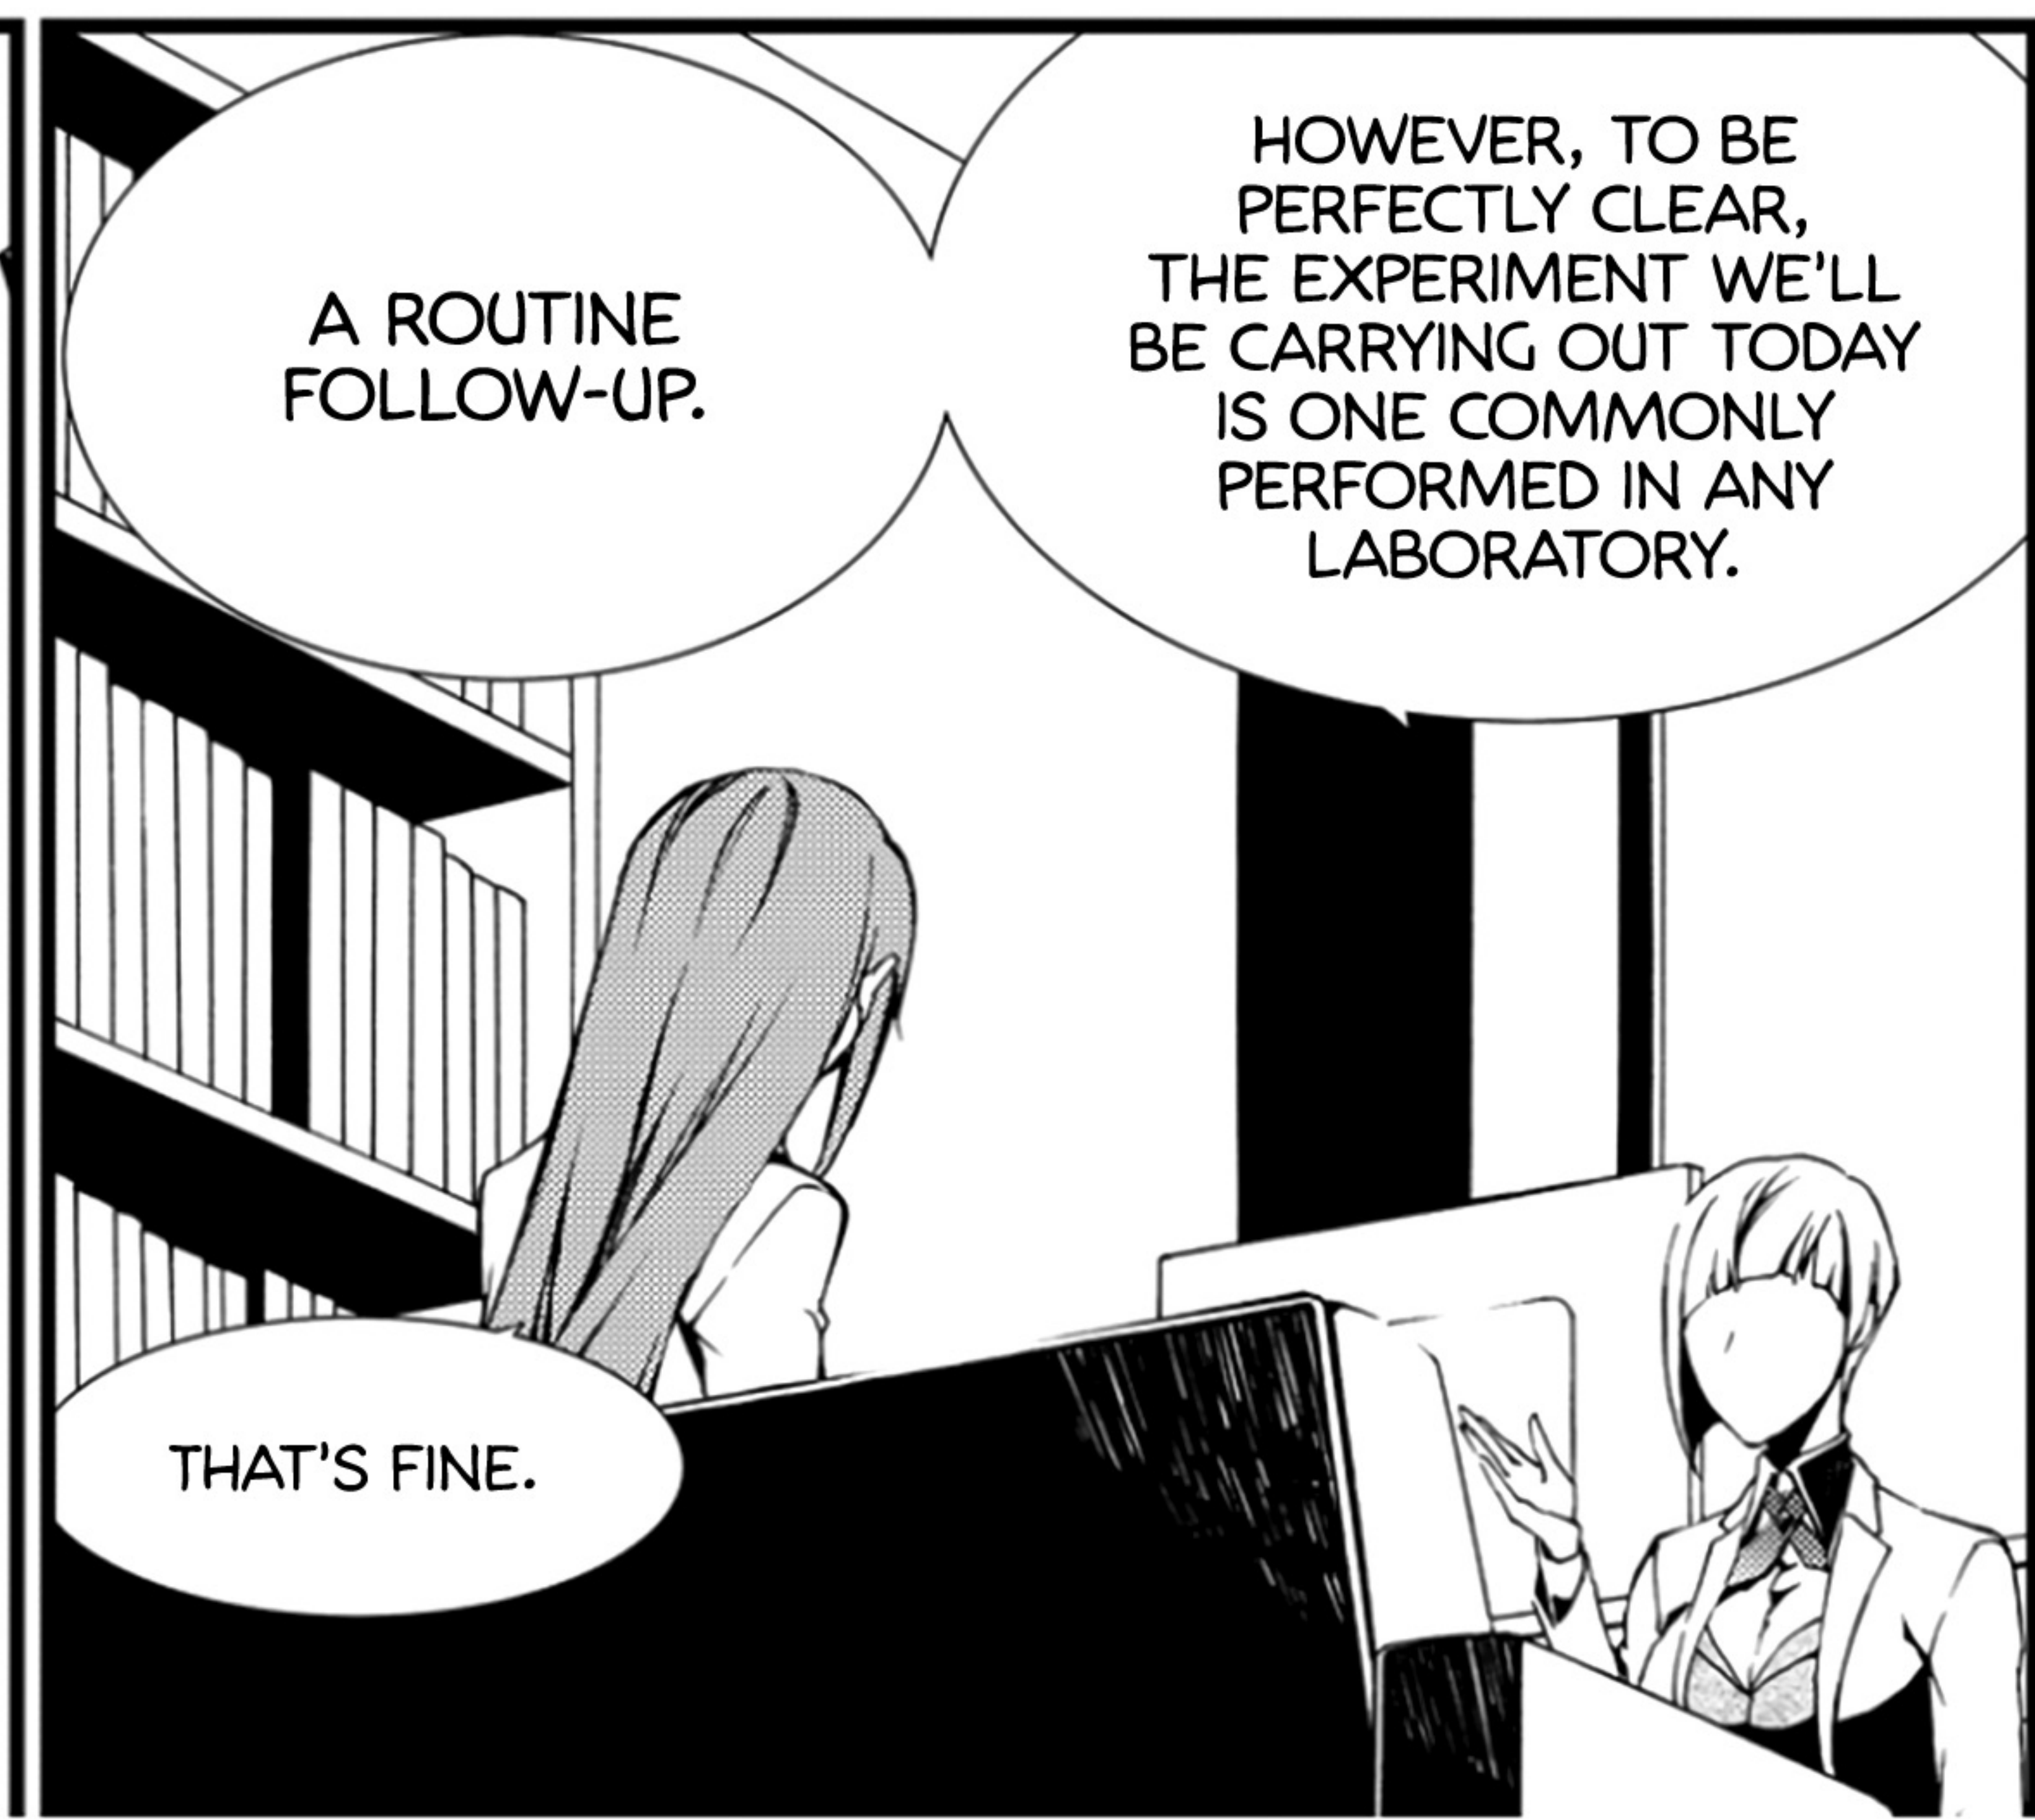

WHOA,
HEY-

...ALL RIGHT.

WE DO OWE
YOU A DEBT FOR
THE CARE YOU
GAVE TO BETH.

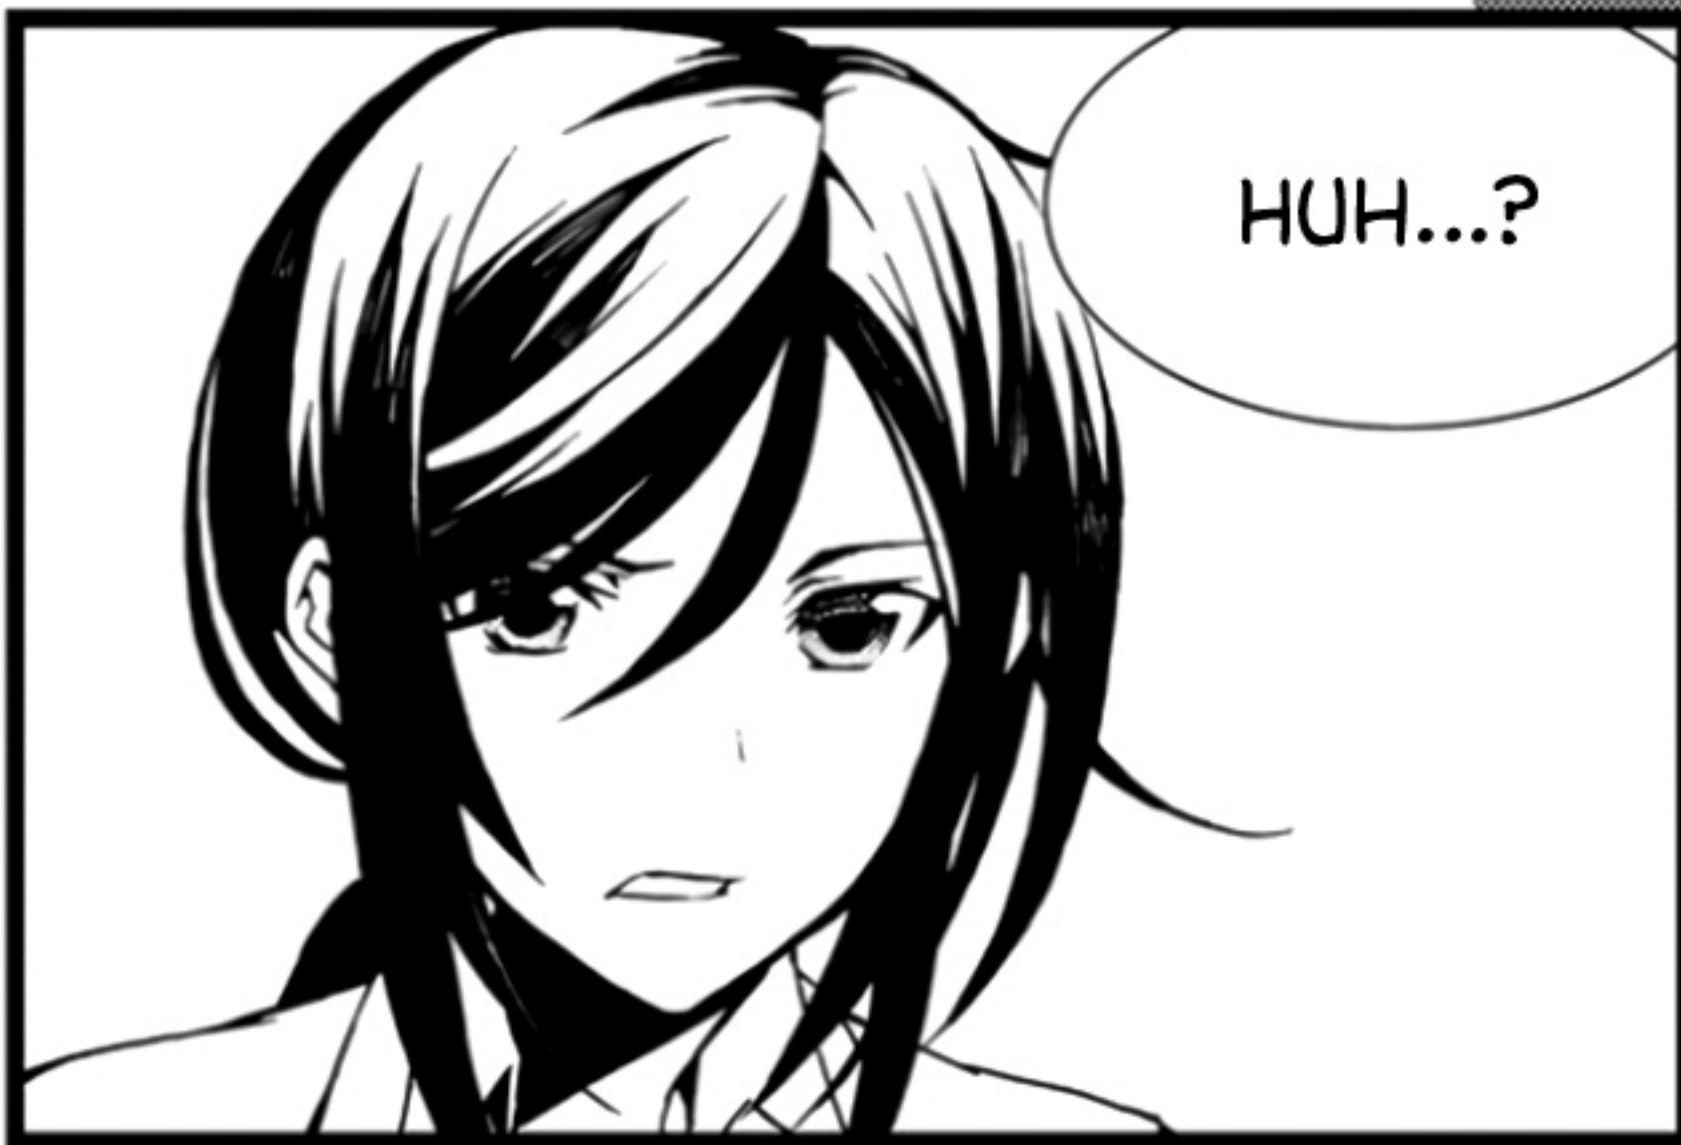

...I SEE.

A ROUTINE
FOLLOW-UP.

HOWEVER, TO BE
PERFECTLY CLEAR,
THE EXPERIMENT WE'LL
BE CARRYING OUT TODAY
IS ONE COMMONLY
PERFORMED IN ANY
LABORATORY.

THAT'S FINE.

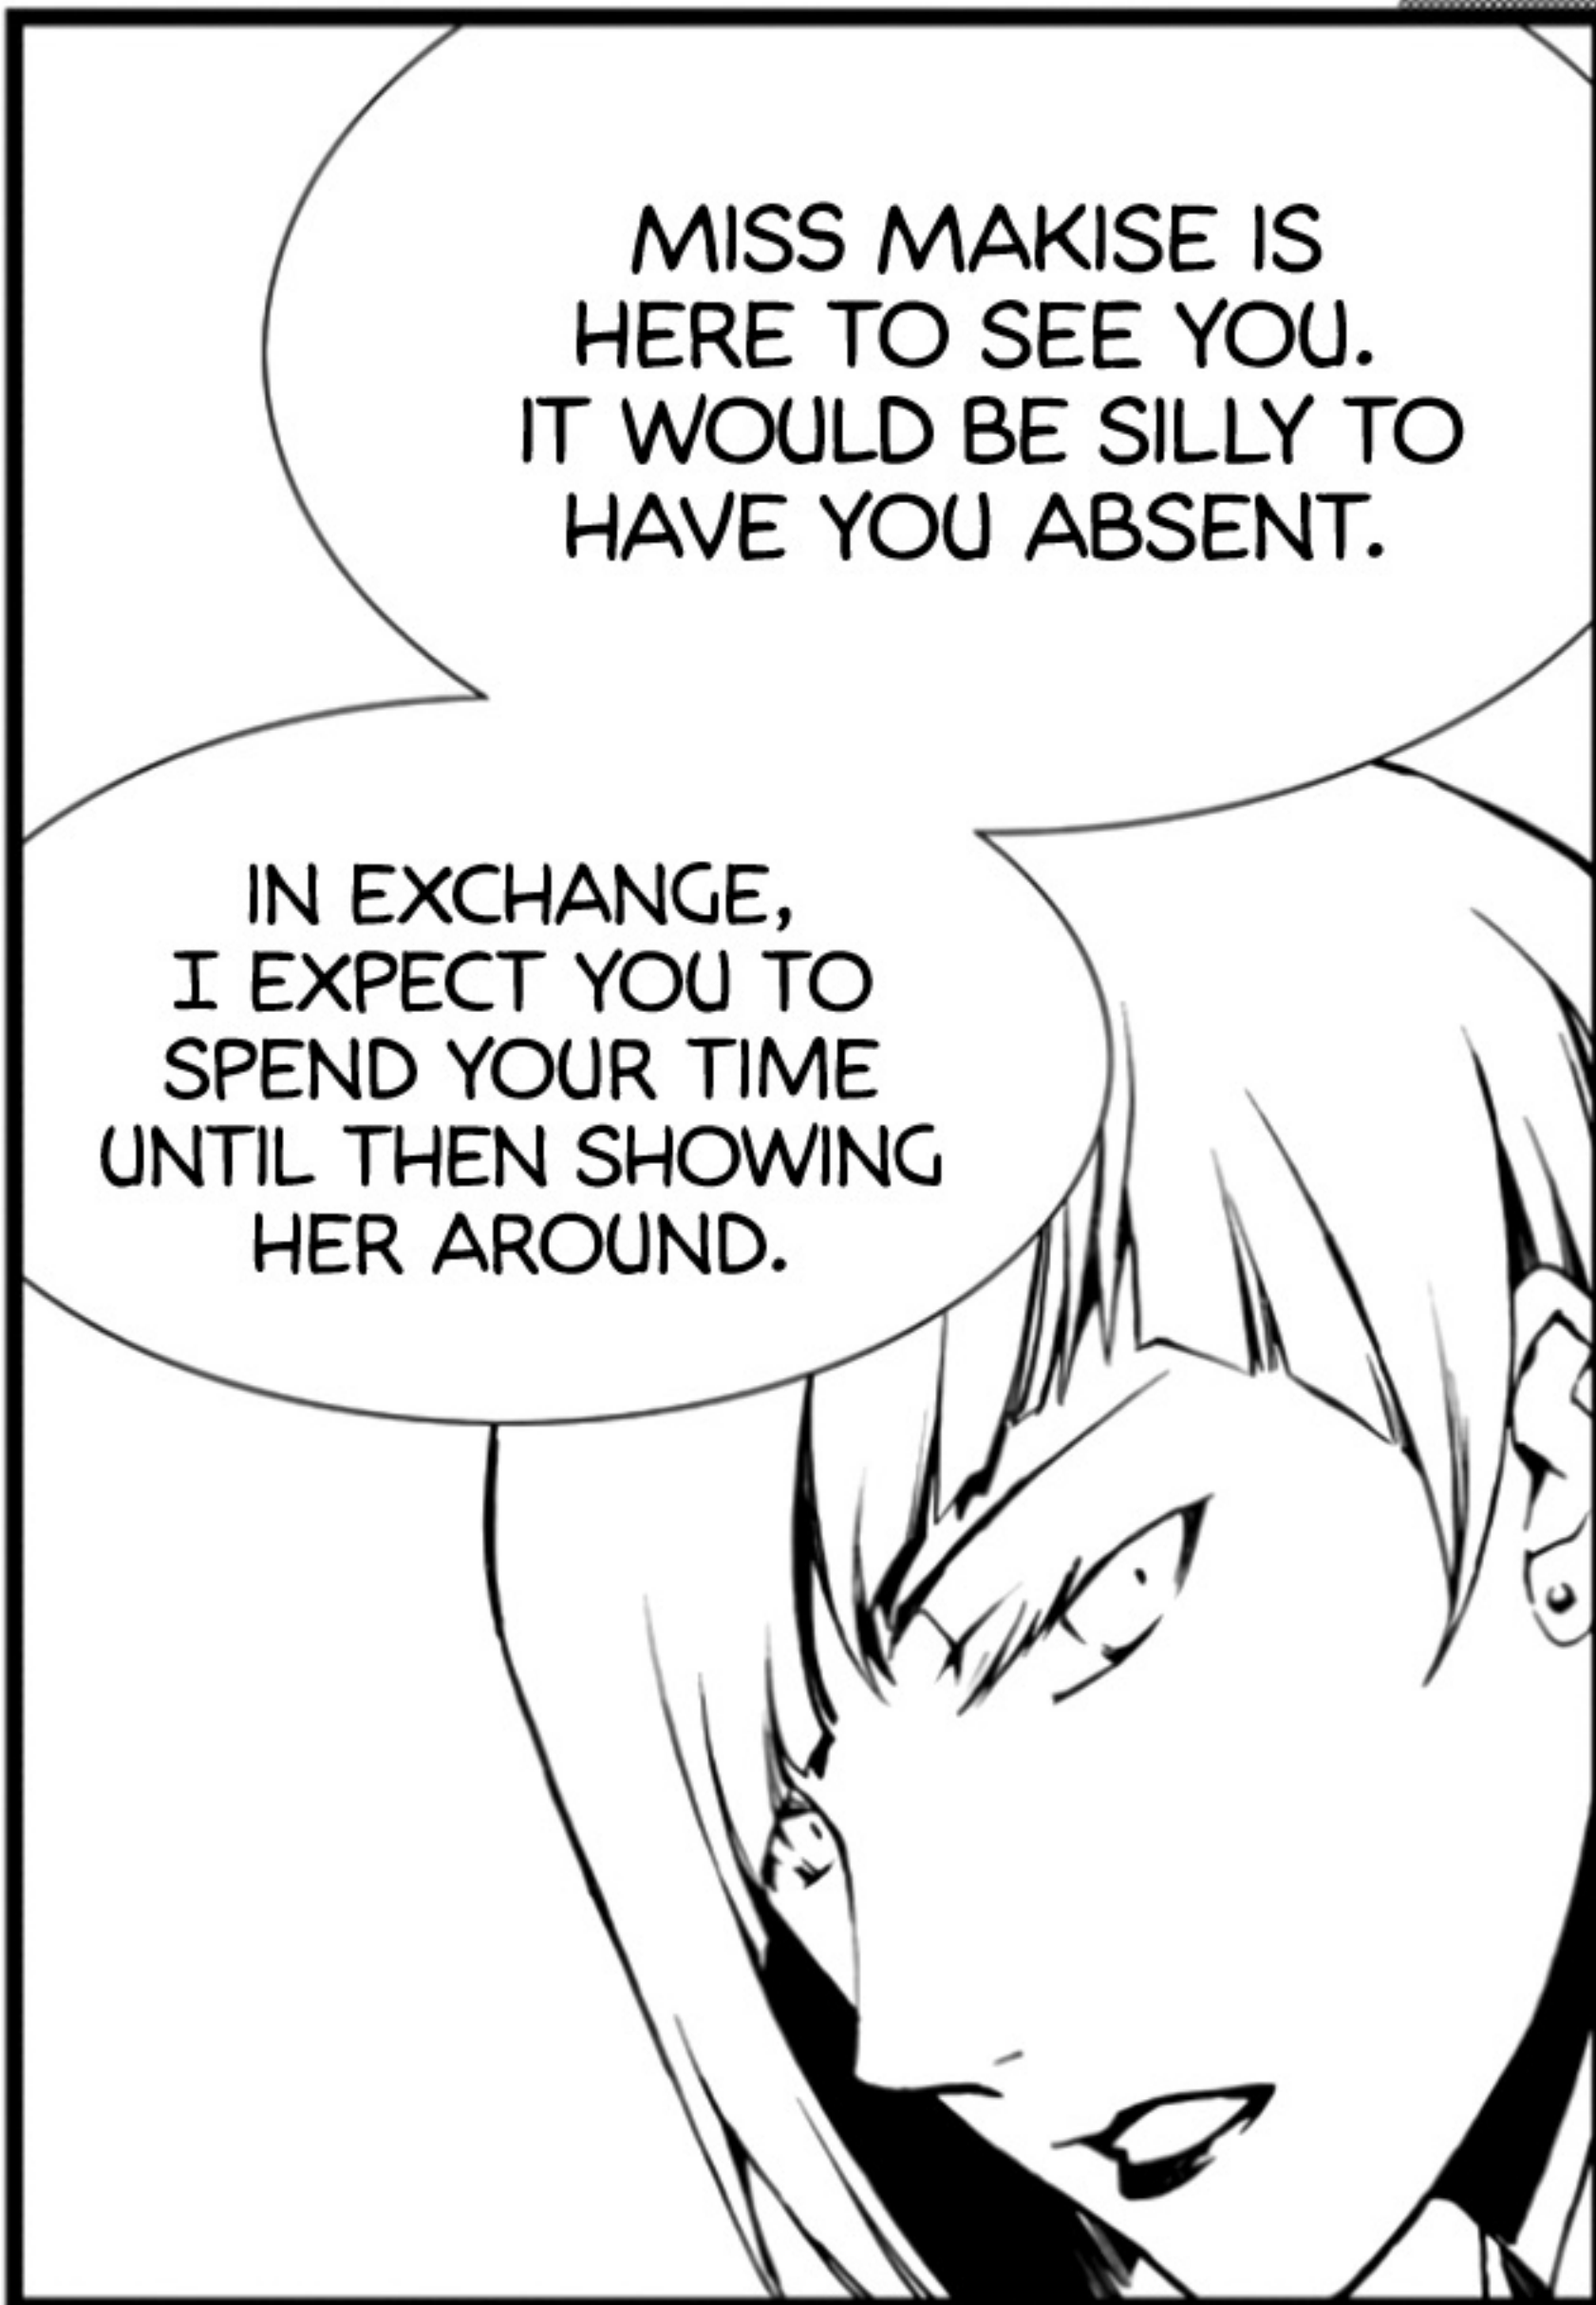

HUH...?

MIO, YOU'LL
BE IN CHARGE.

THE
EXPERIMENT WILL
TAKE PLACE THIS
EVENING.

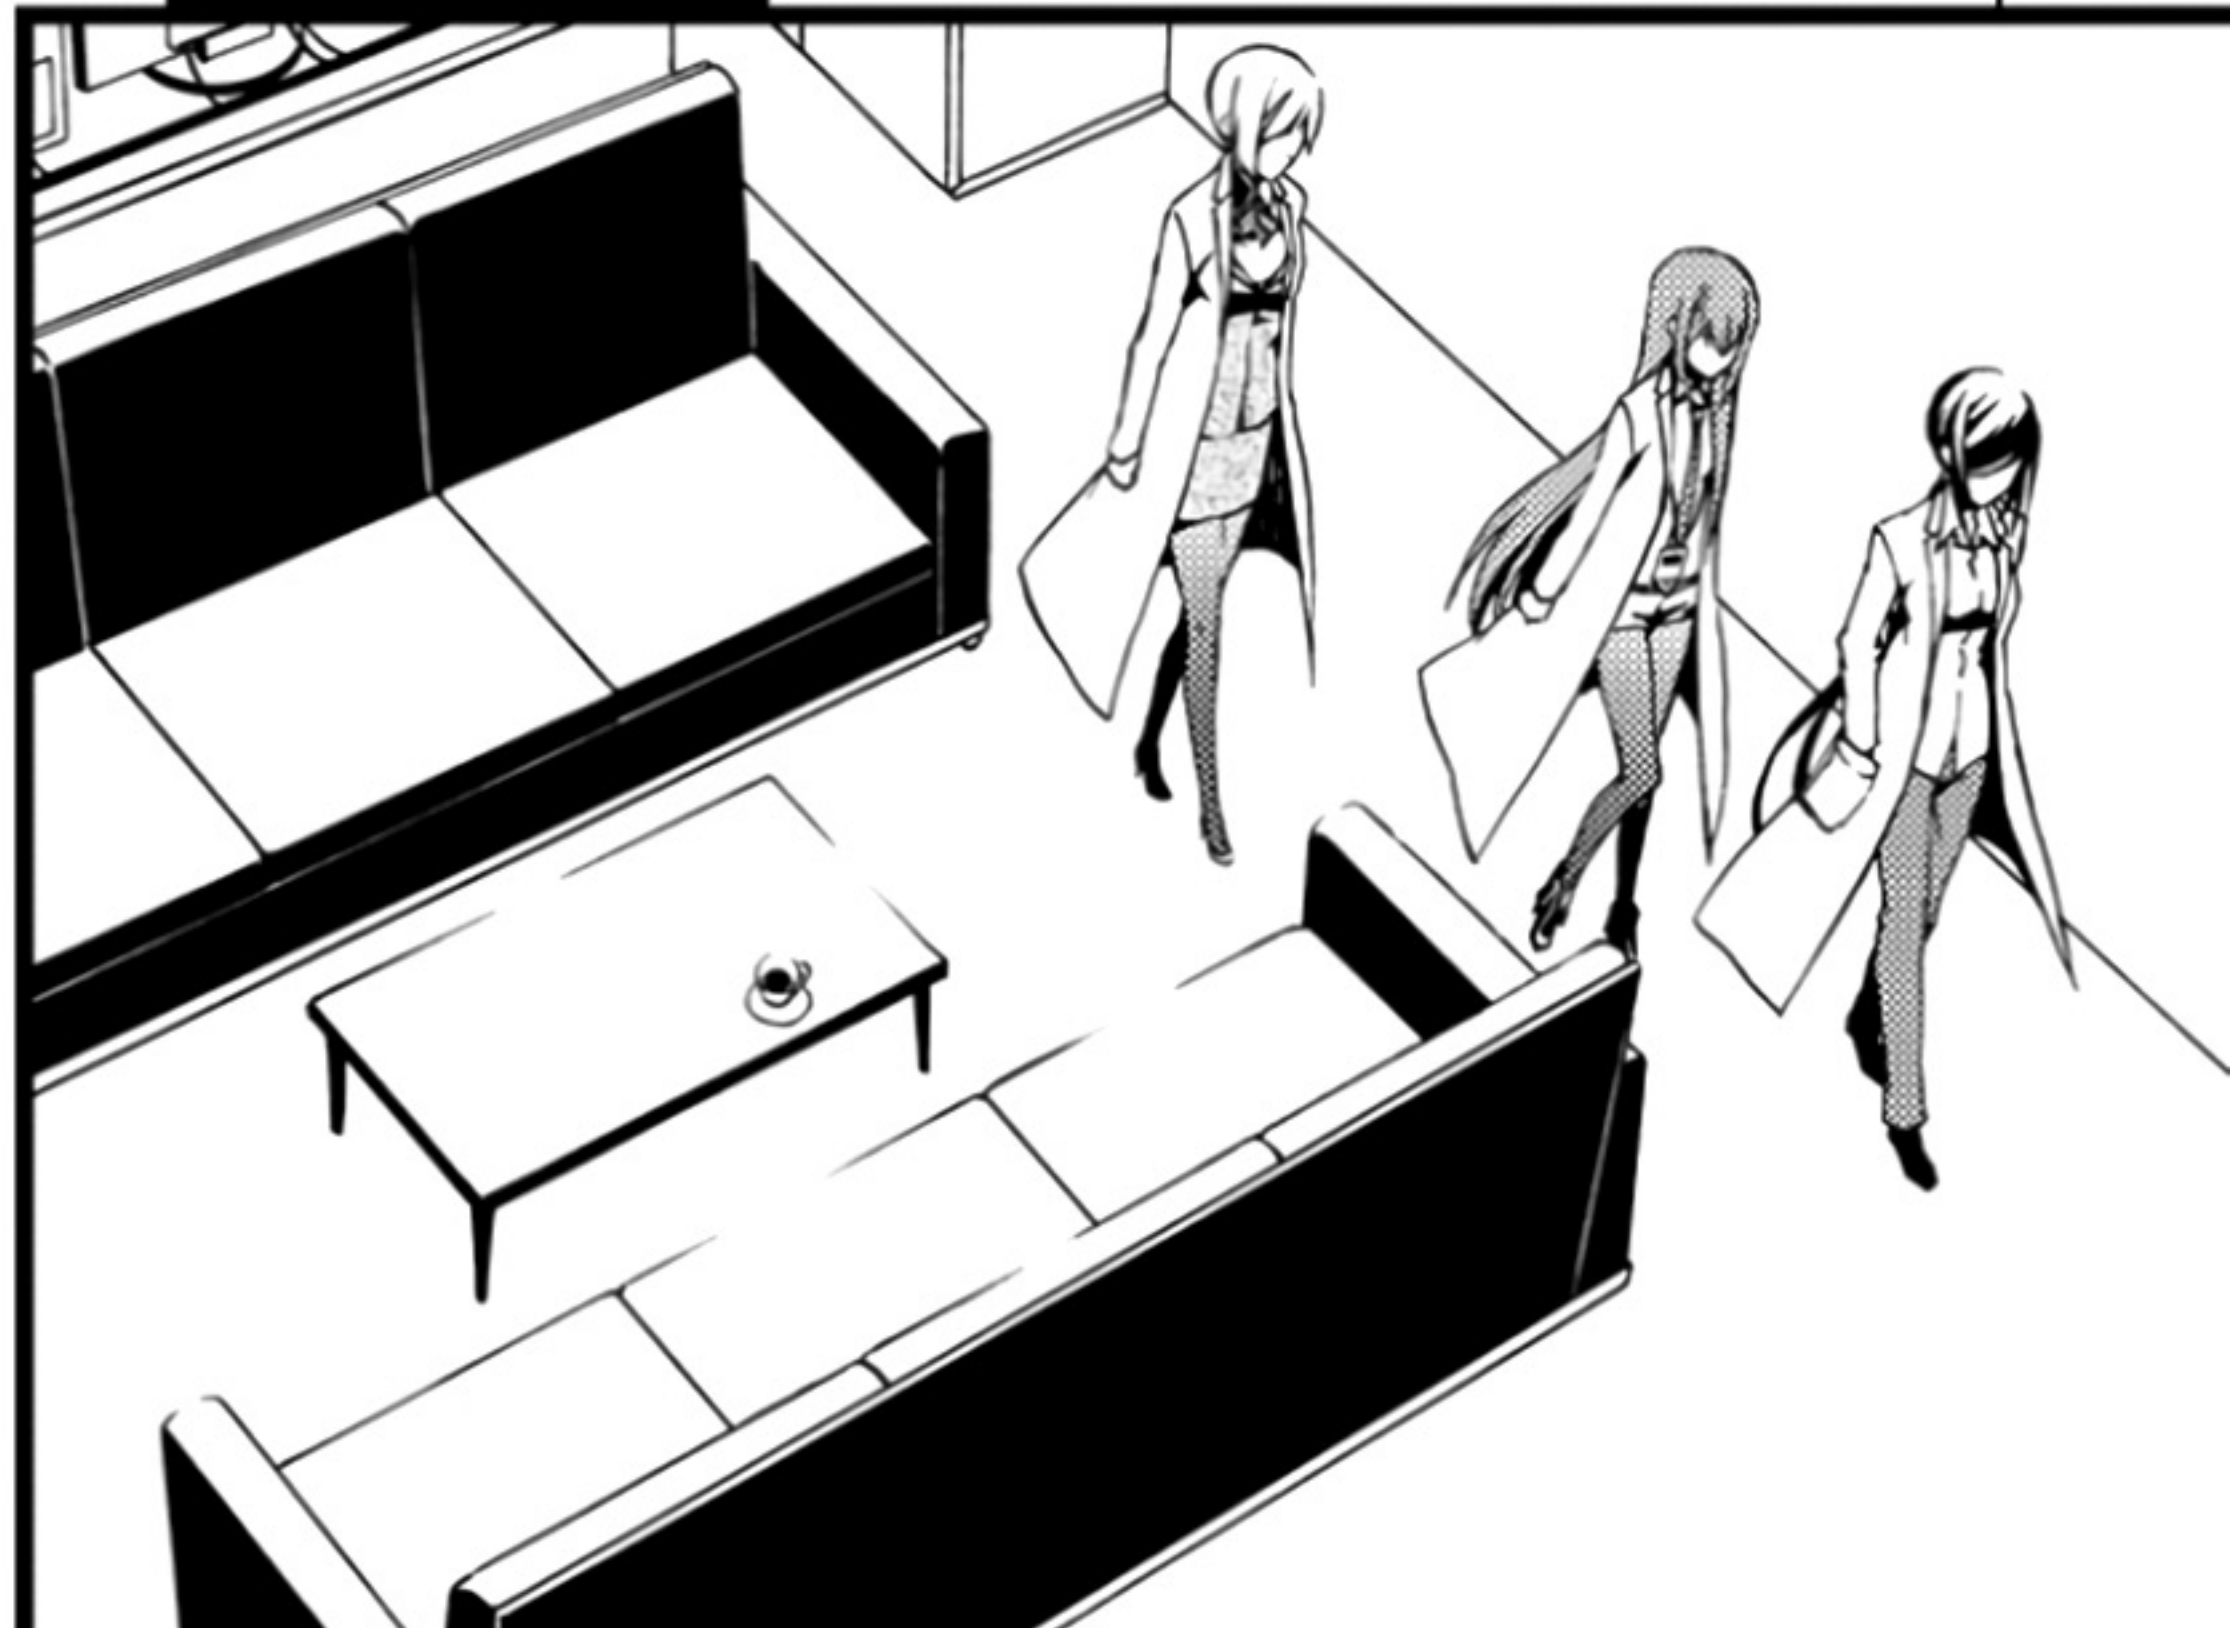

MISS MAKISE IS
HERE TO SEE YOU.
IT WOULD BE SILLY TO
HAVE YOU ABSENT.

IN EXCHANGE,
I EXPECT YOU TO
SPEND YOUR TIME
UNTIL THEN SHOWING
HER AROUND.

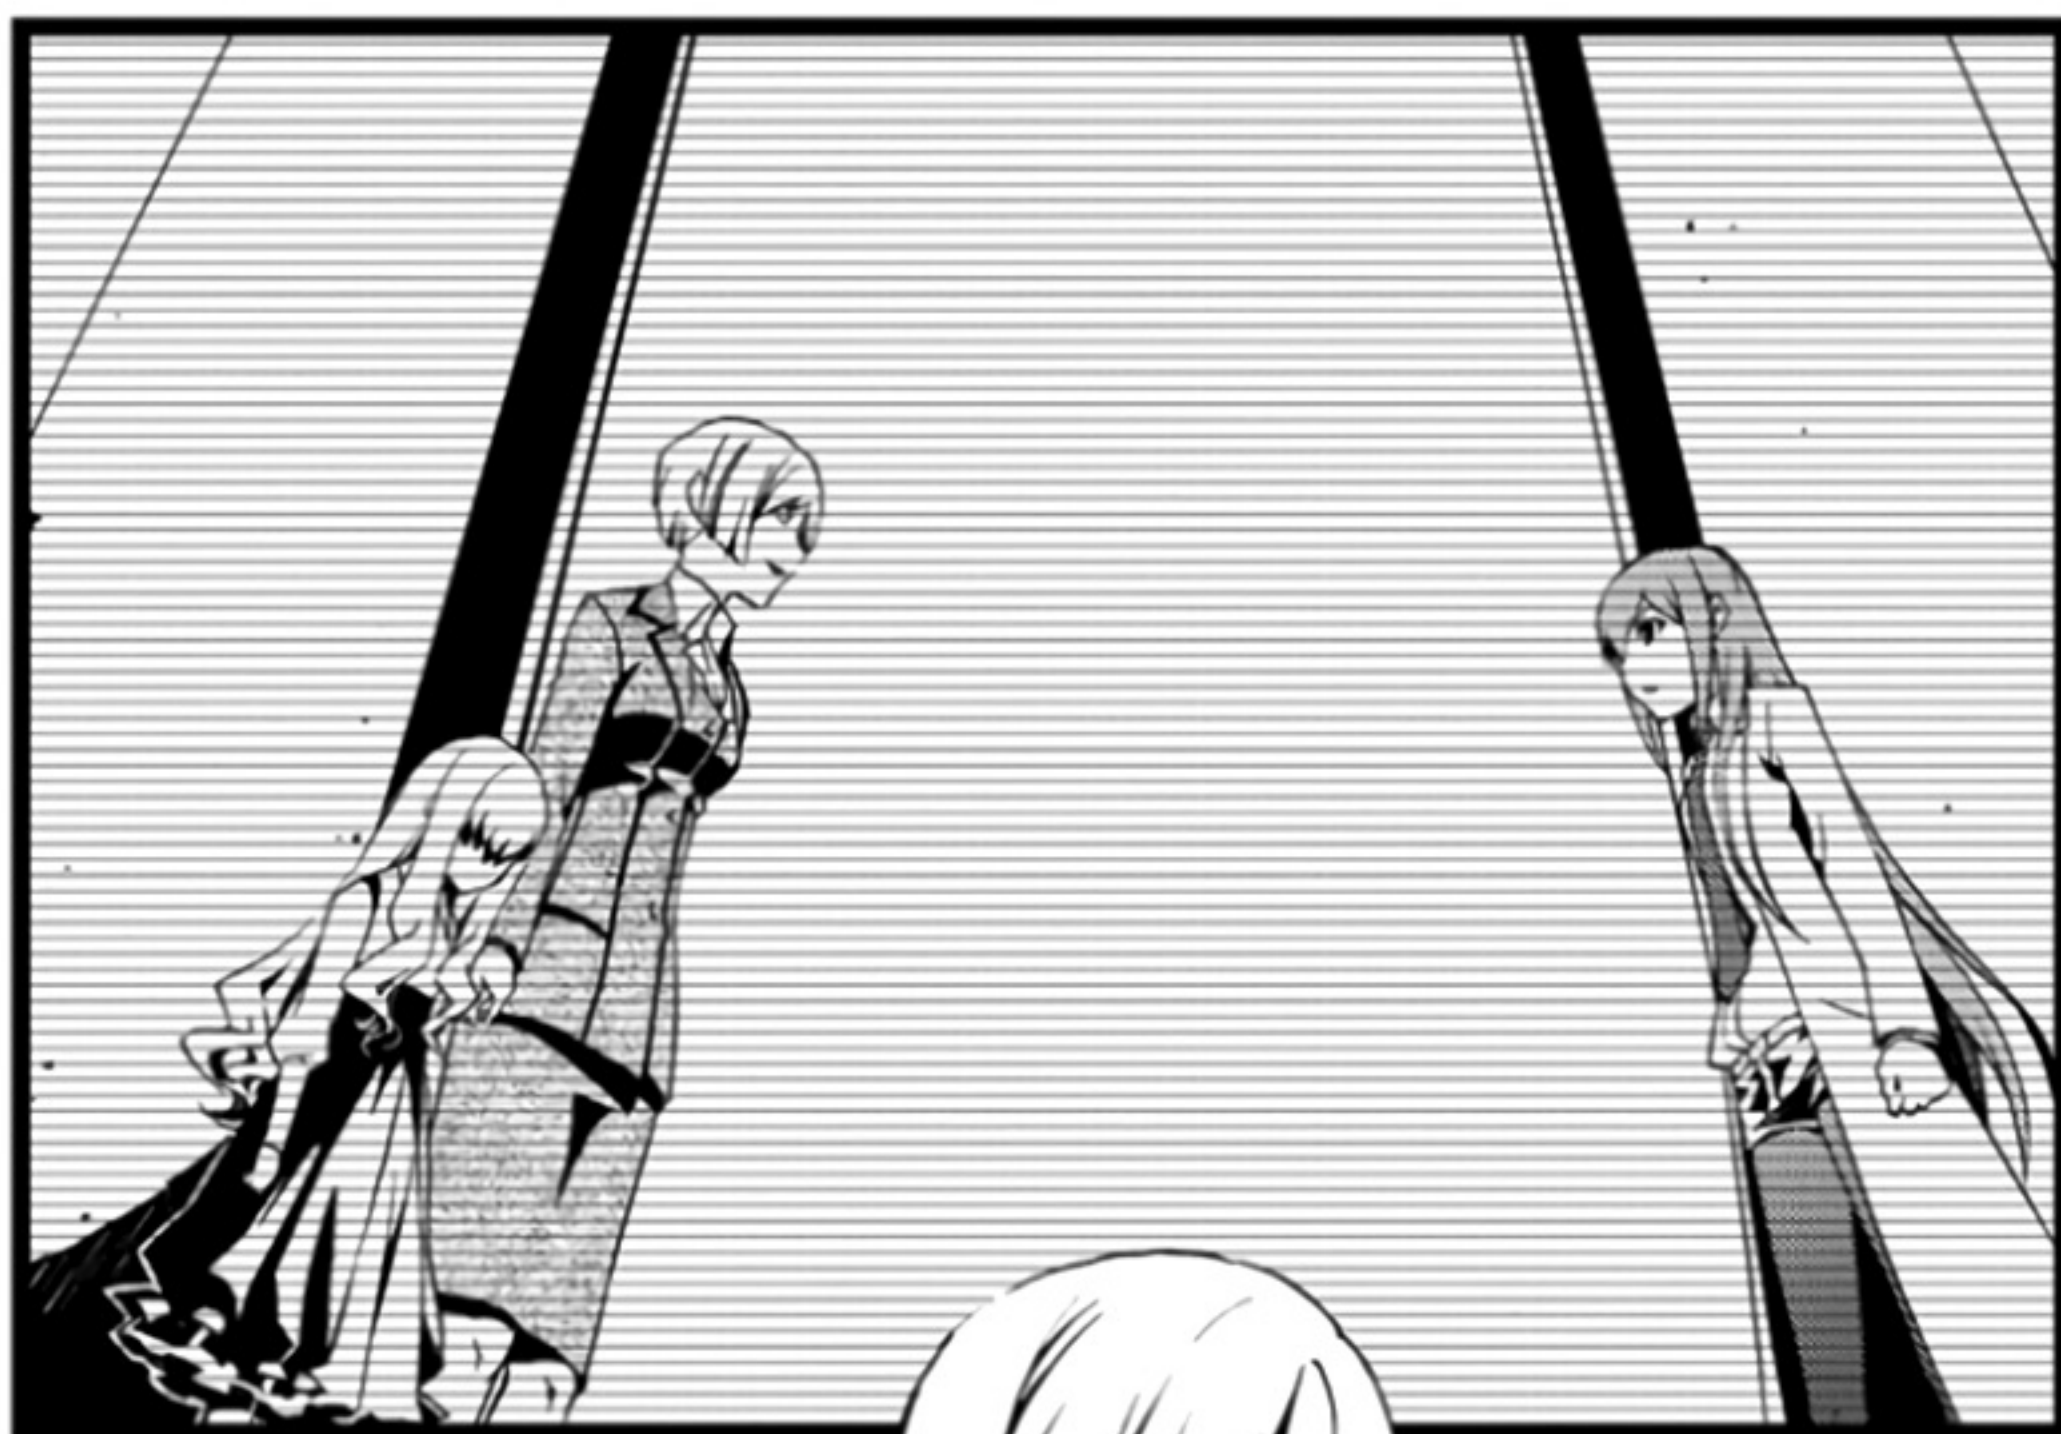

OH, RIGHT. THERE'S
SOMETHING I HAVE
TO APOLOGIZE FOR.

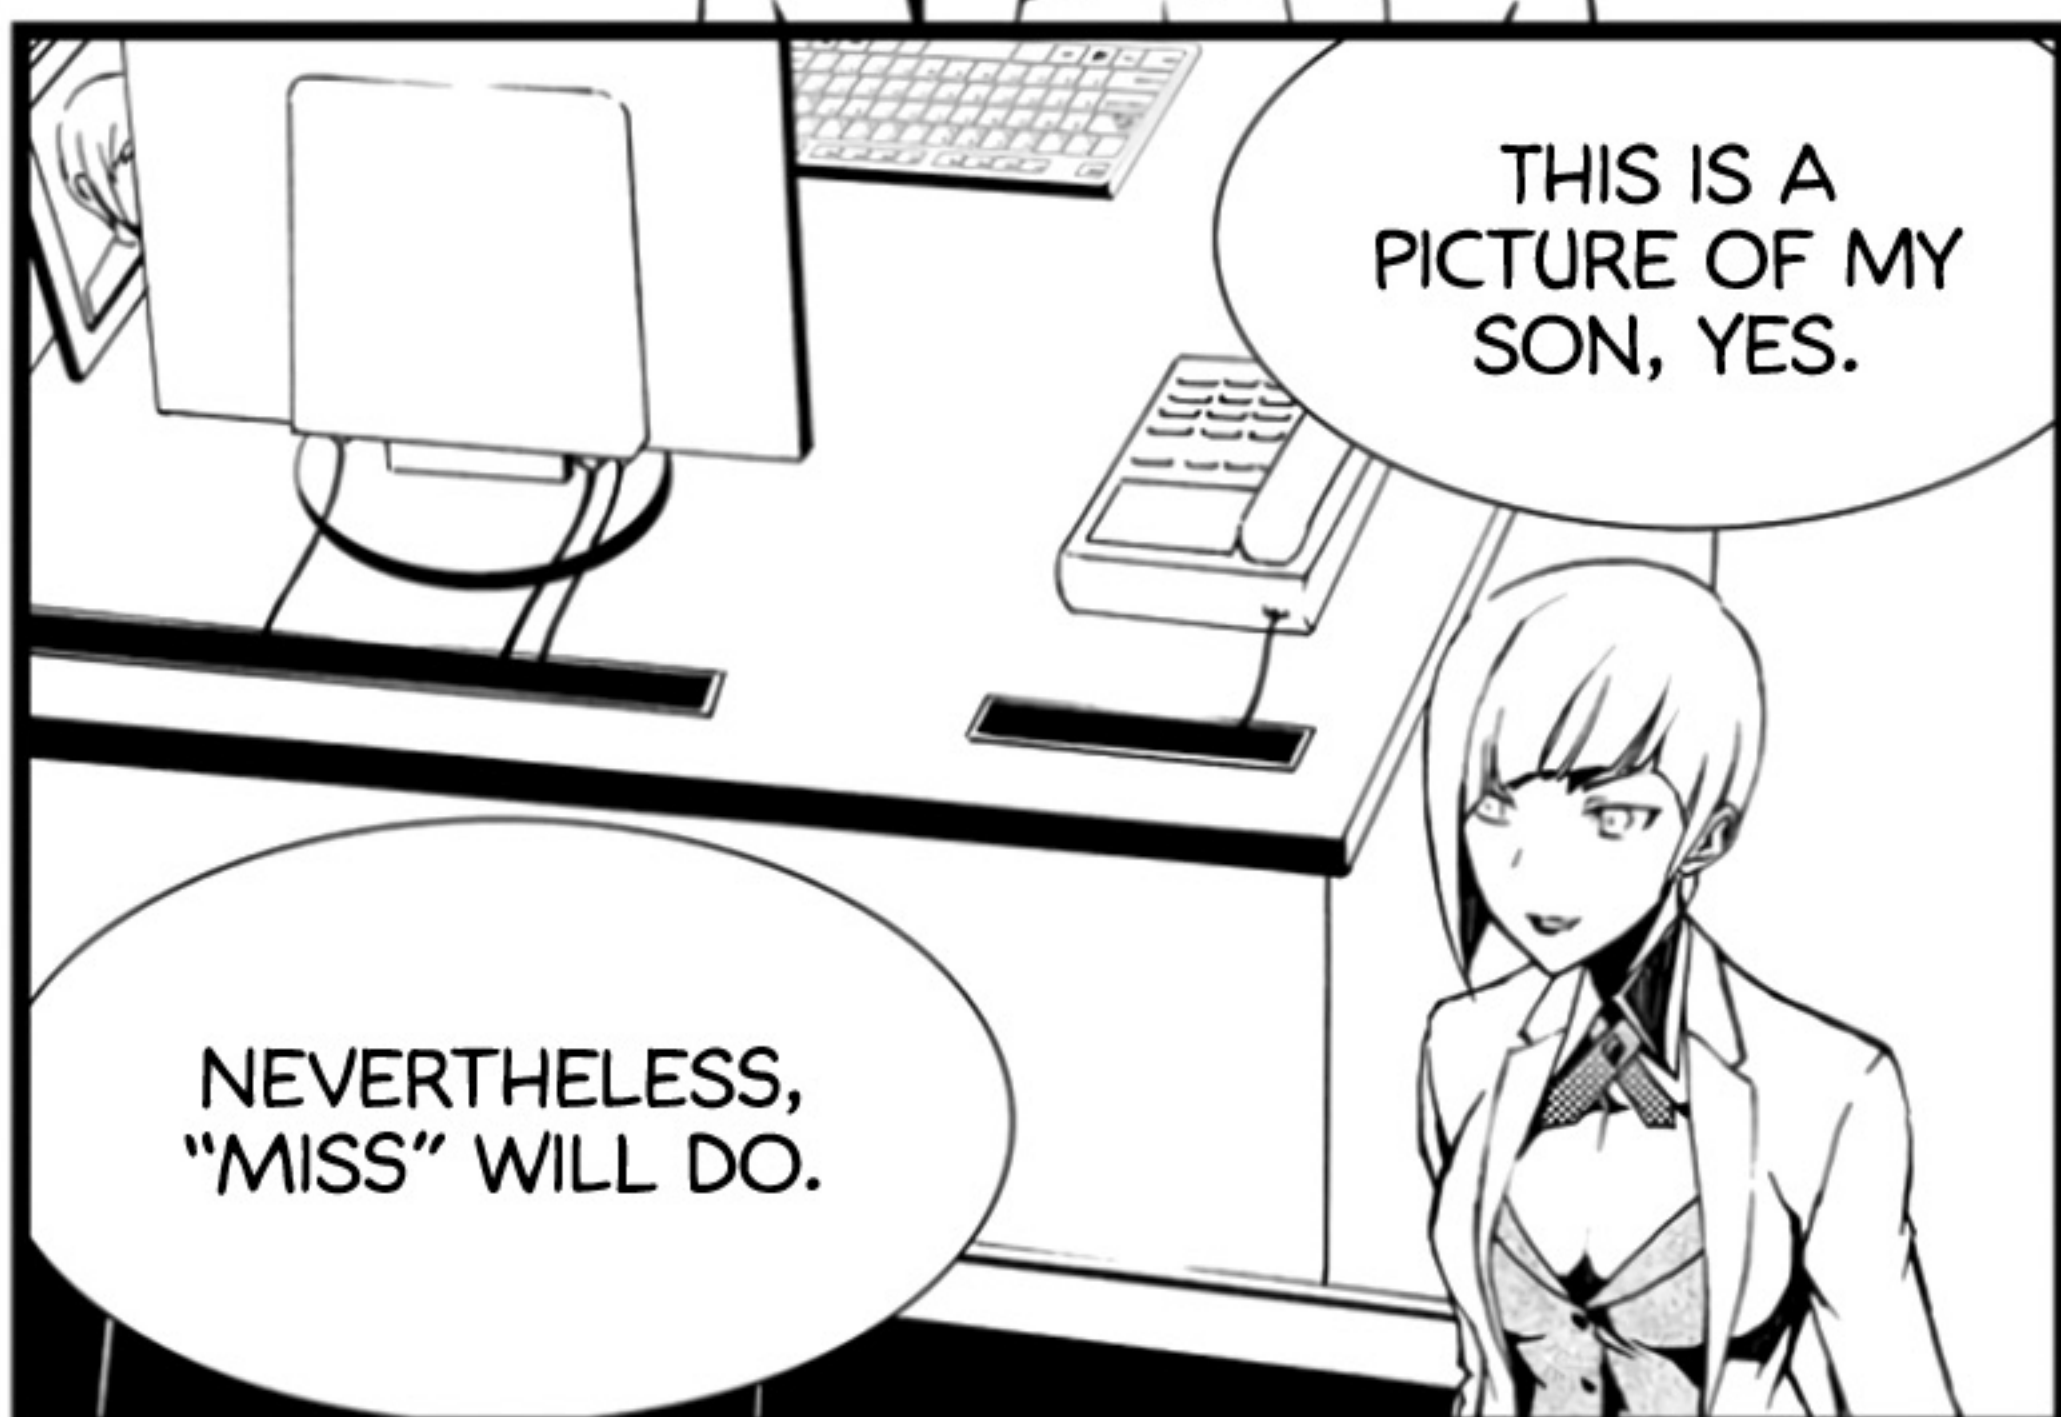

...I SEE. THEN
I'M SORRY TO
BRING IT UP,
MISS COLEMAN.

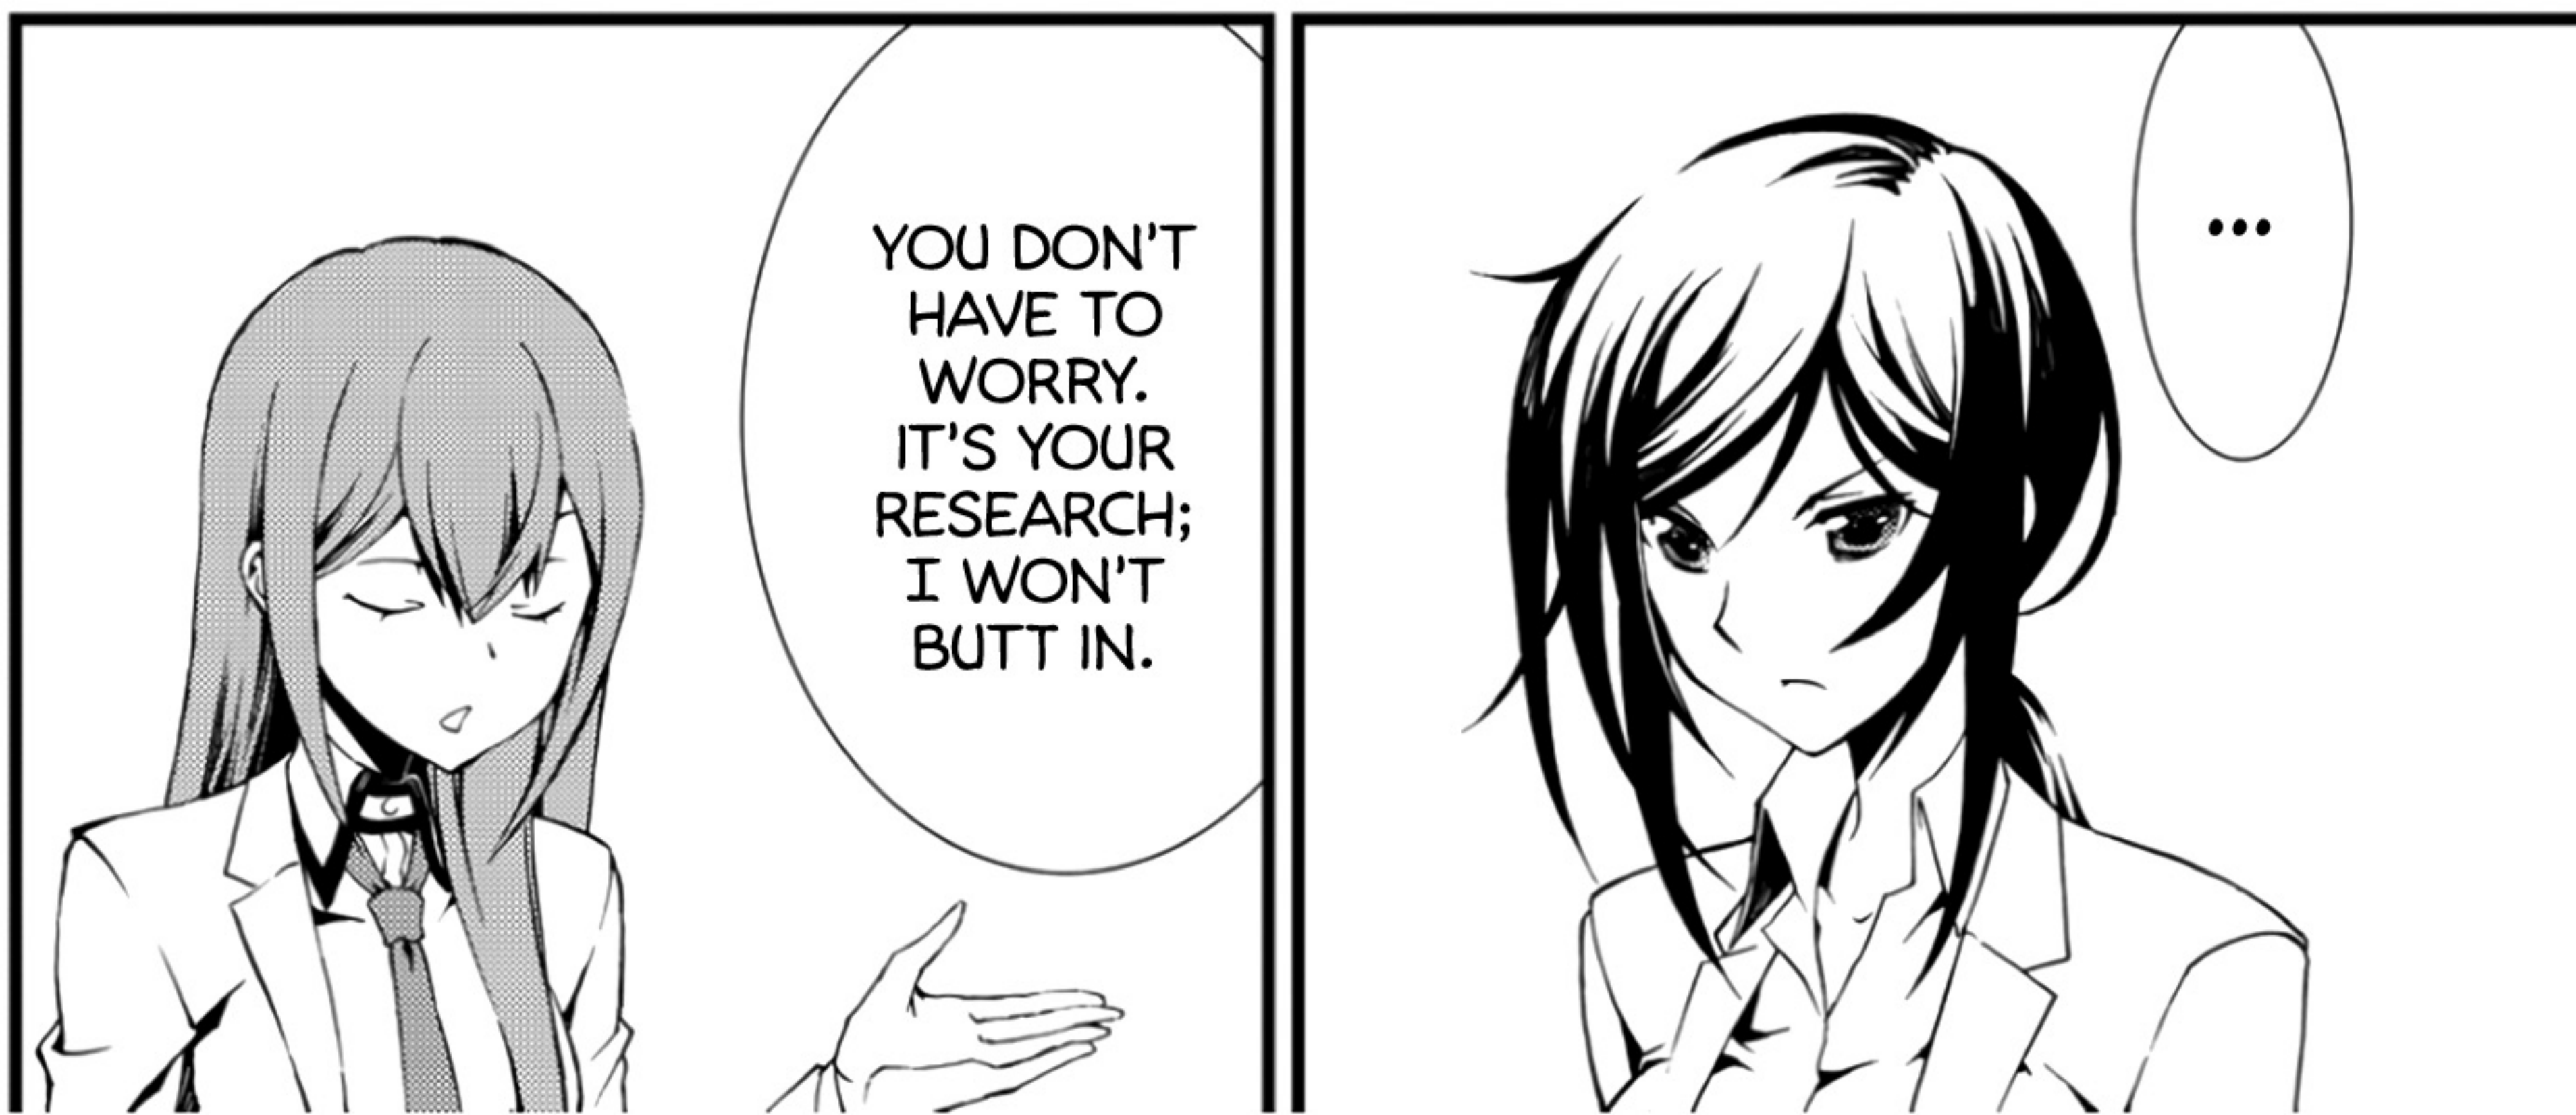

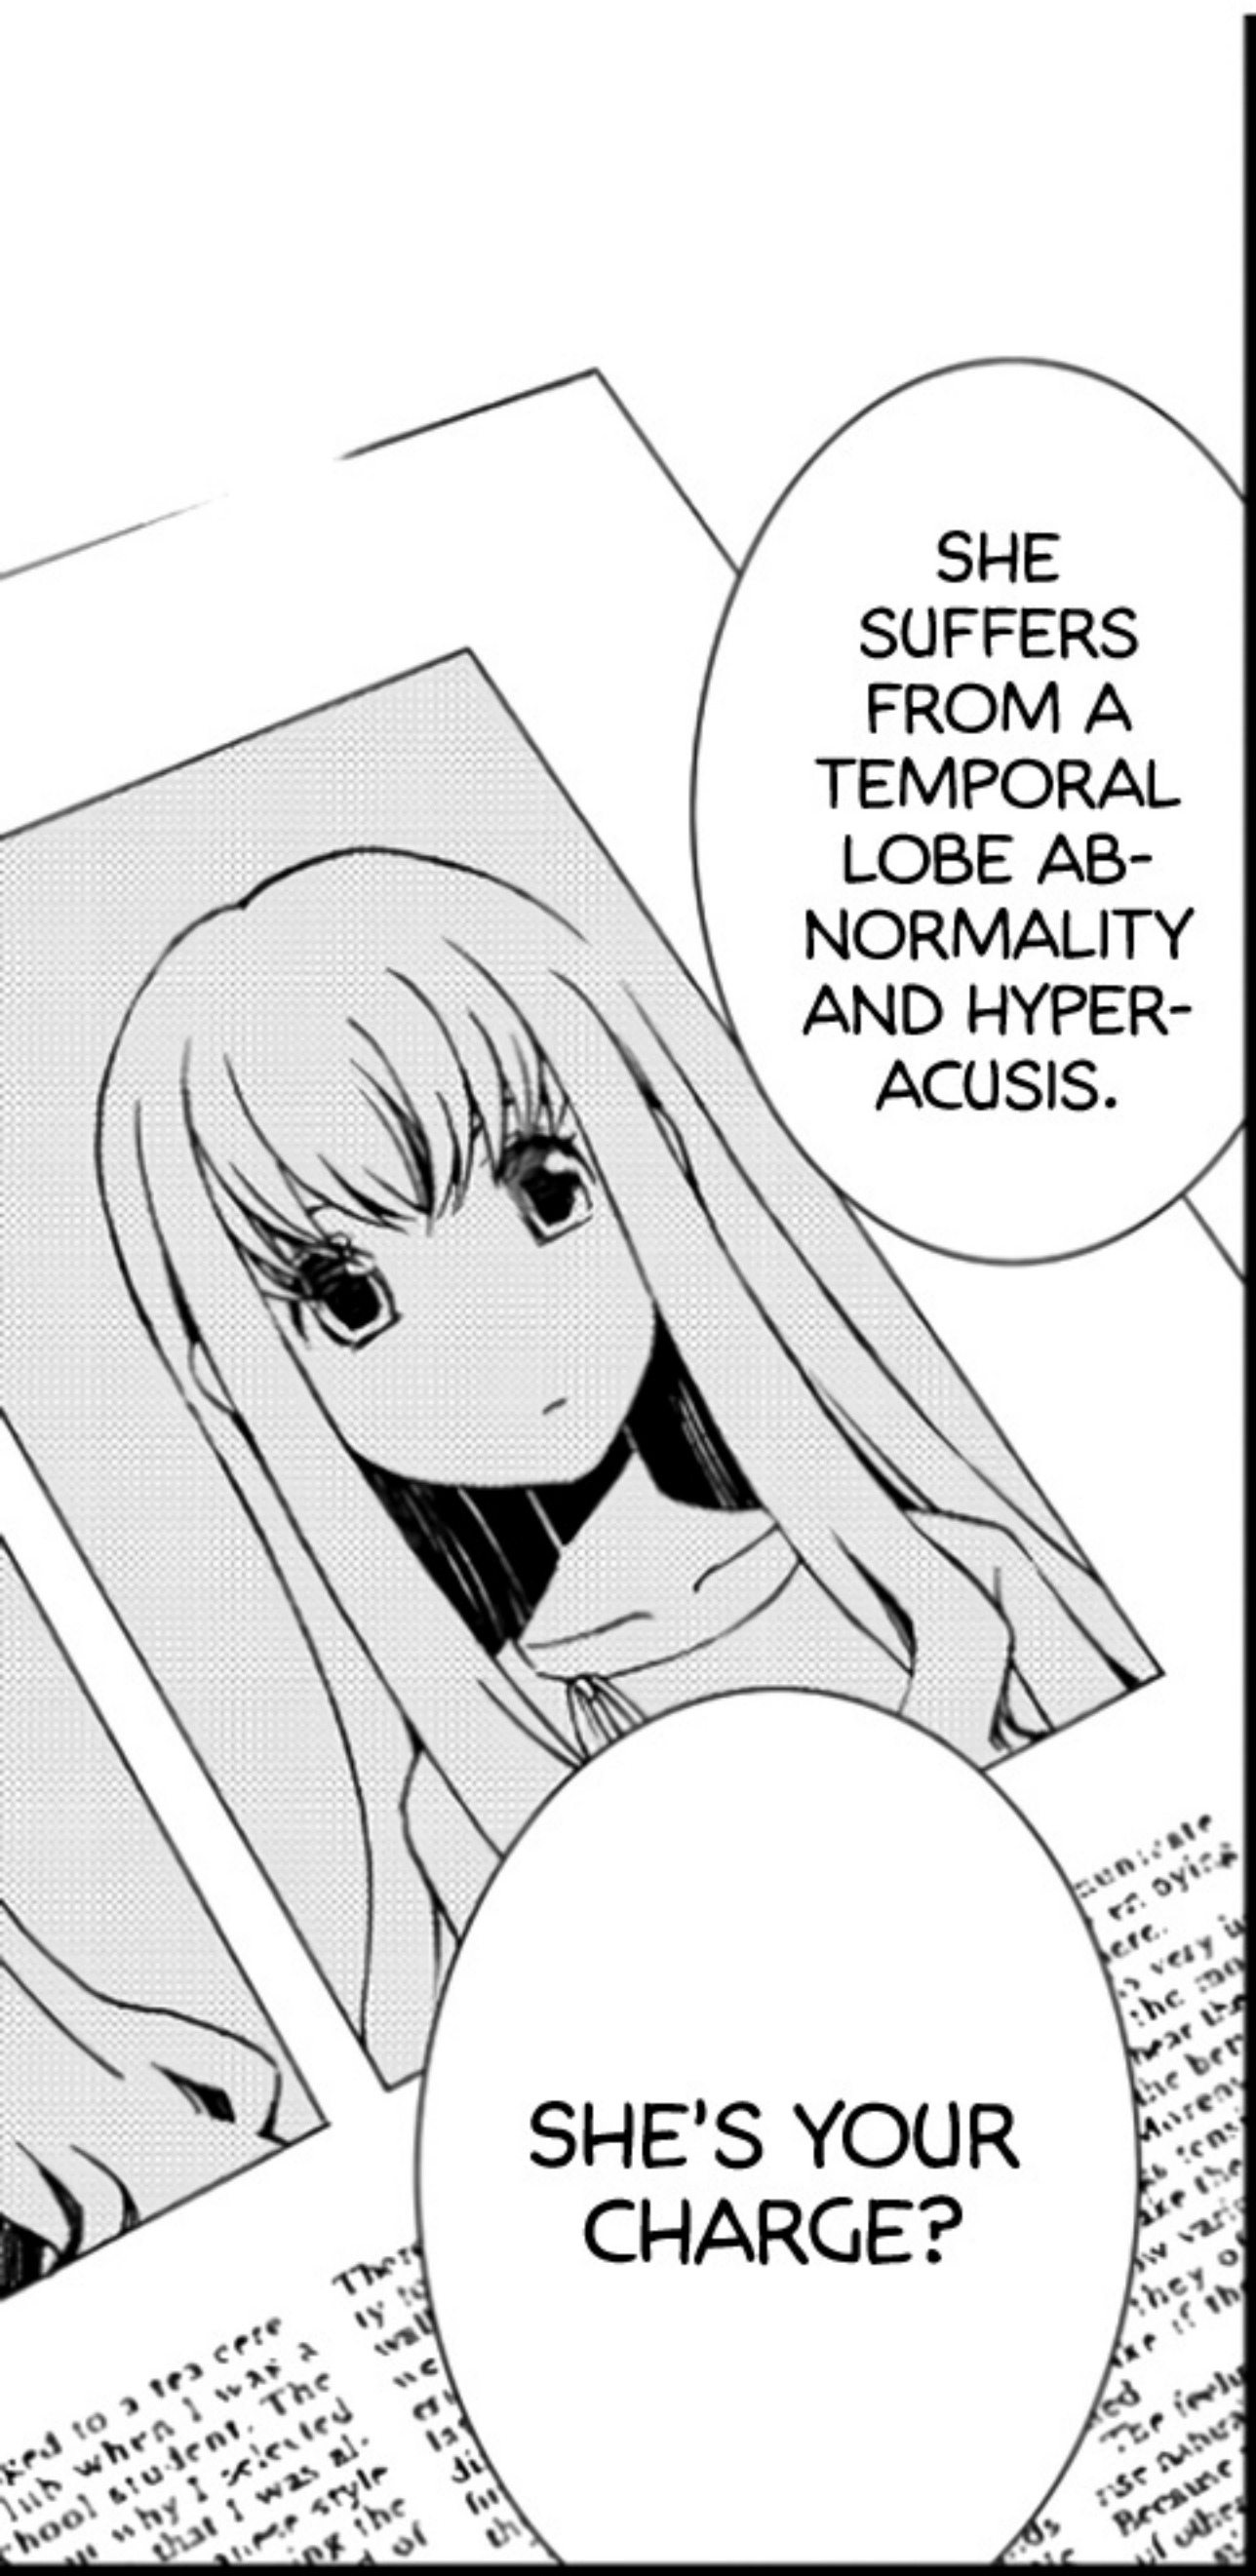

...OH.

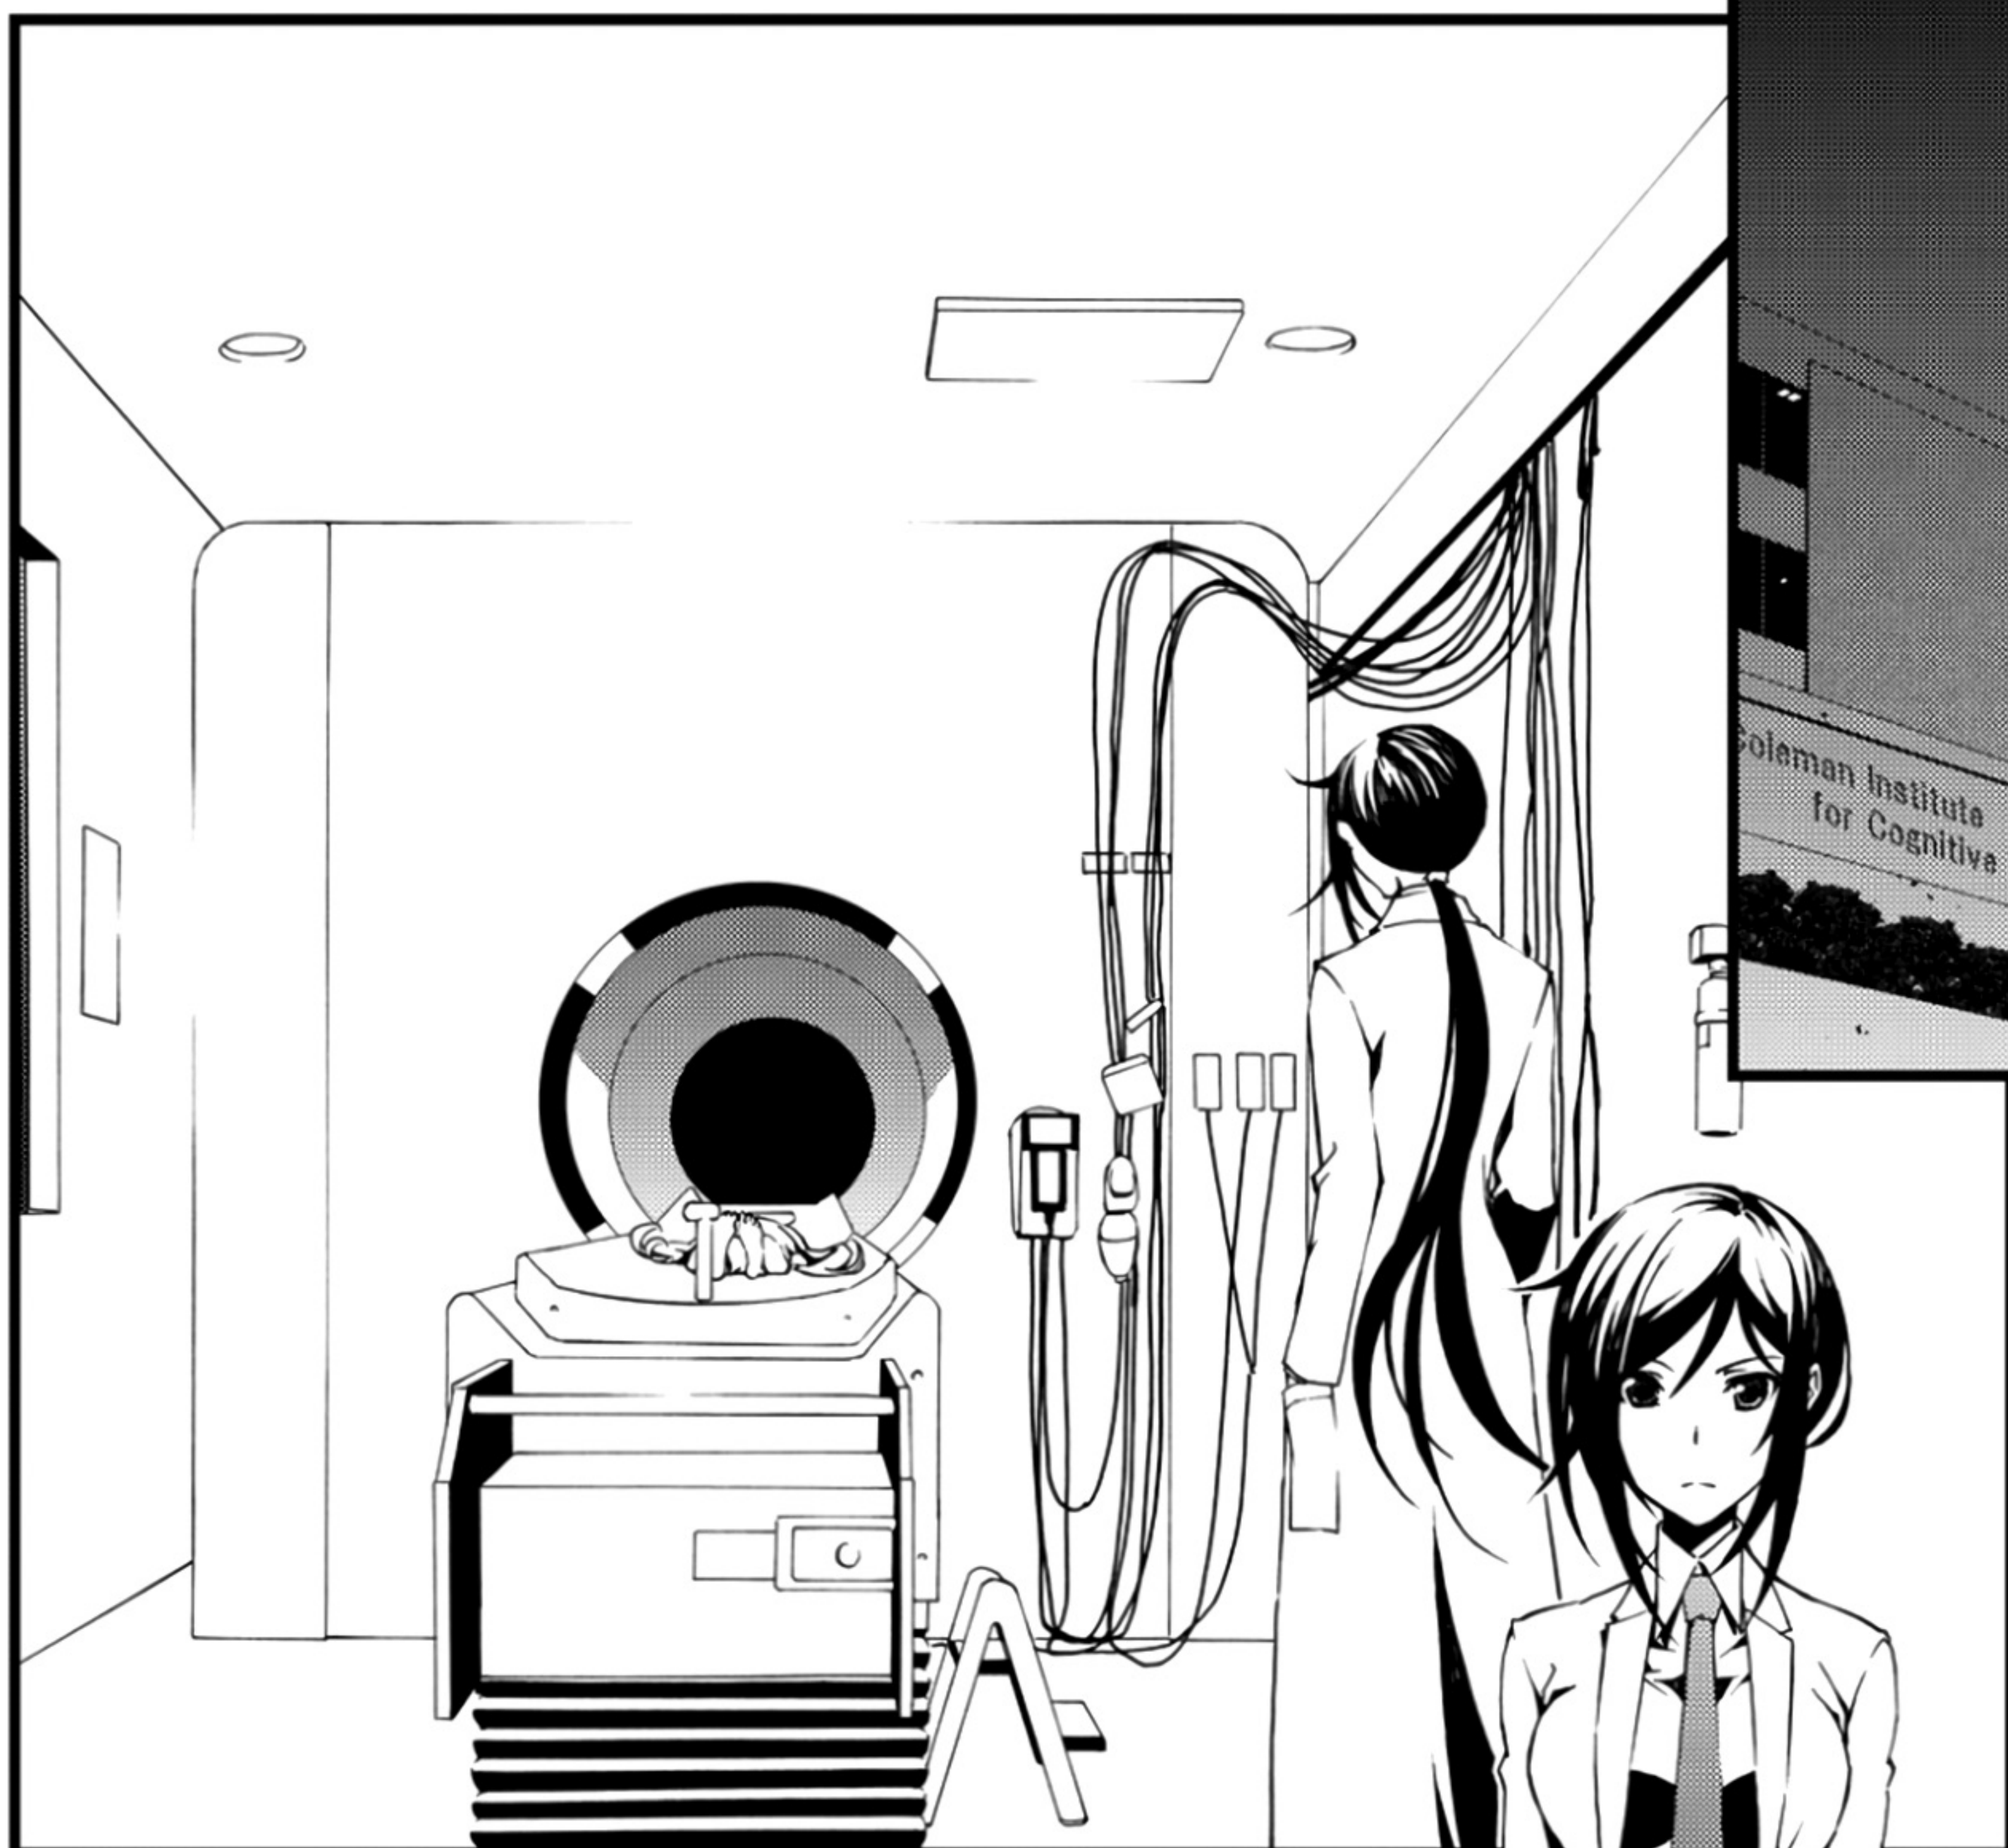

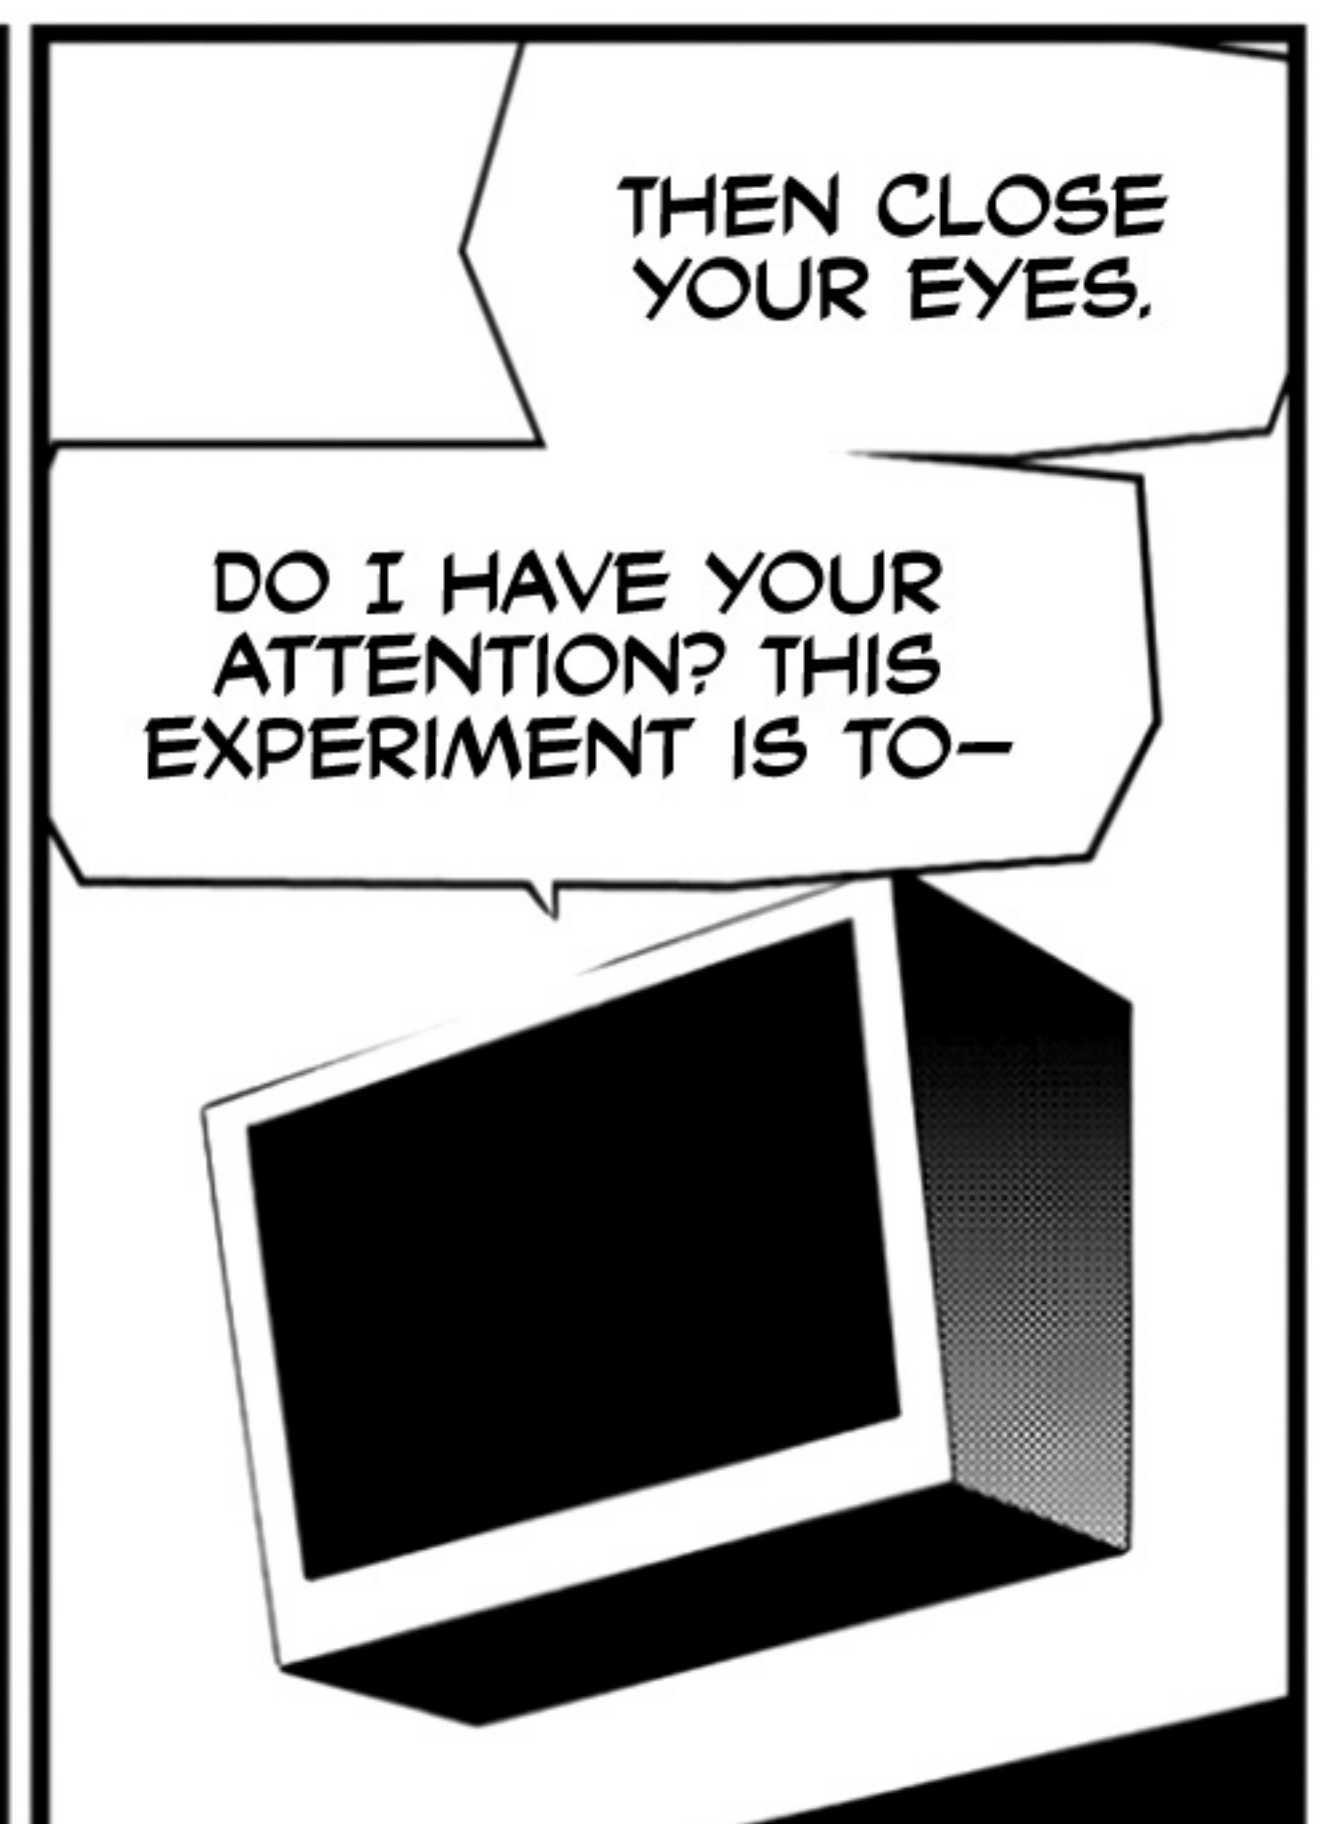

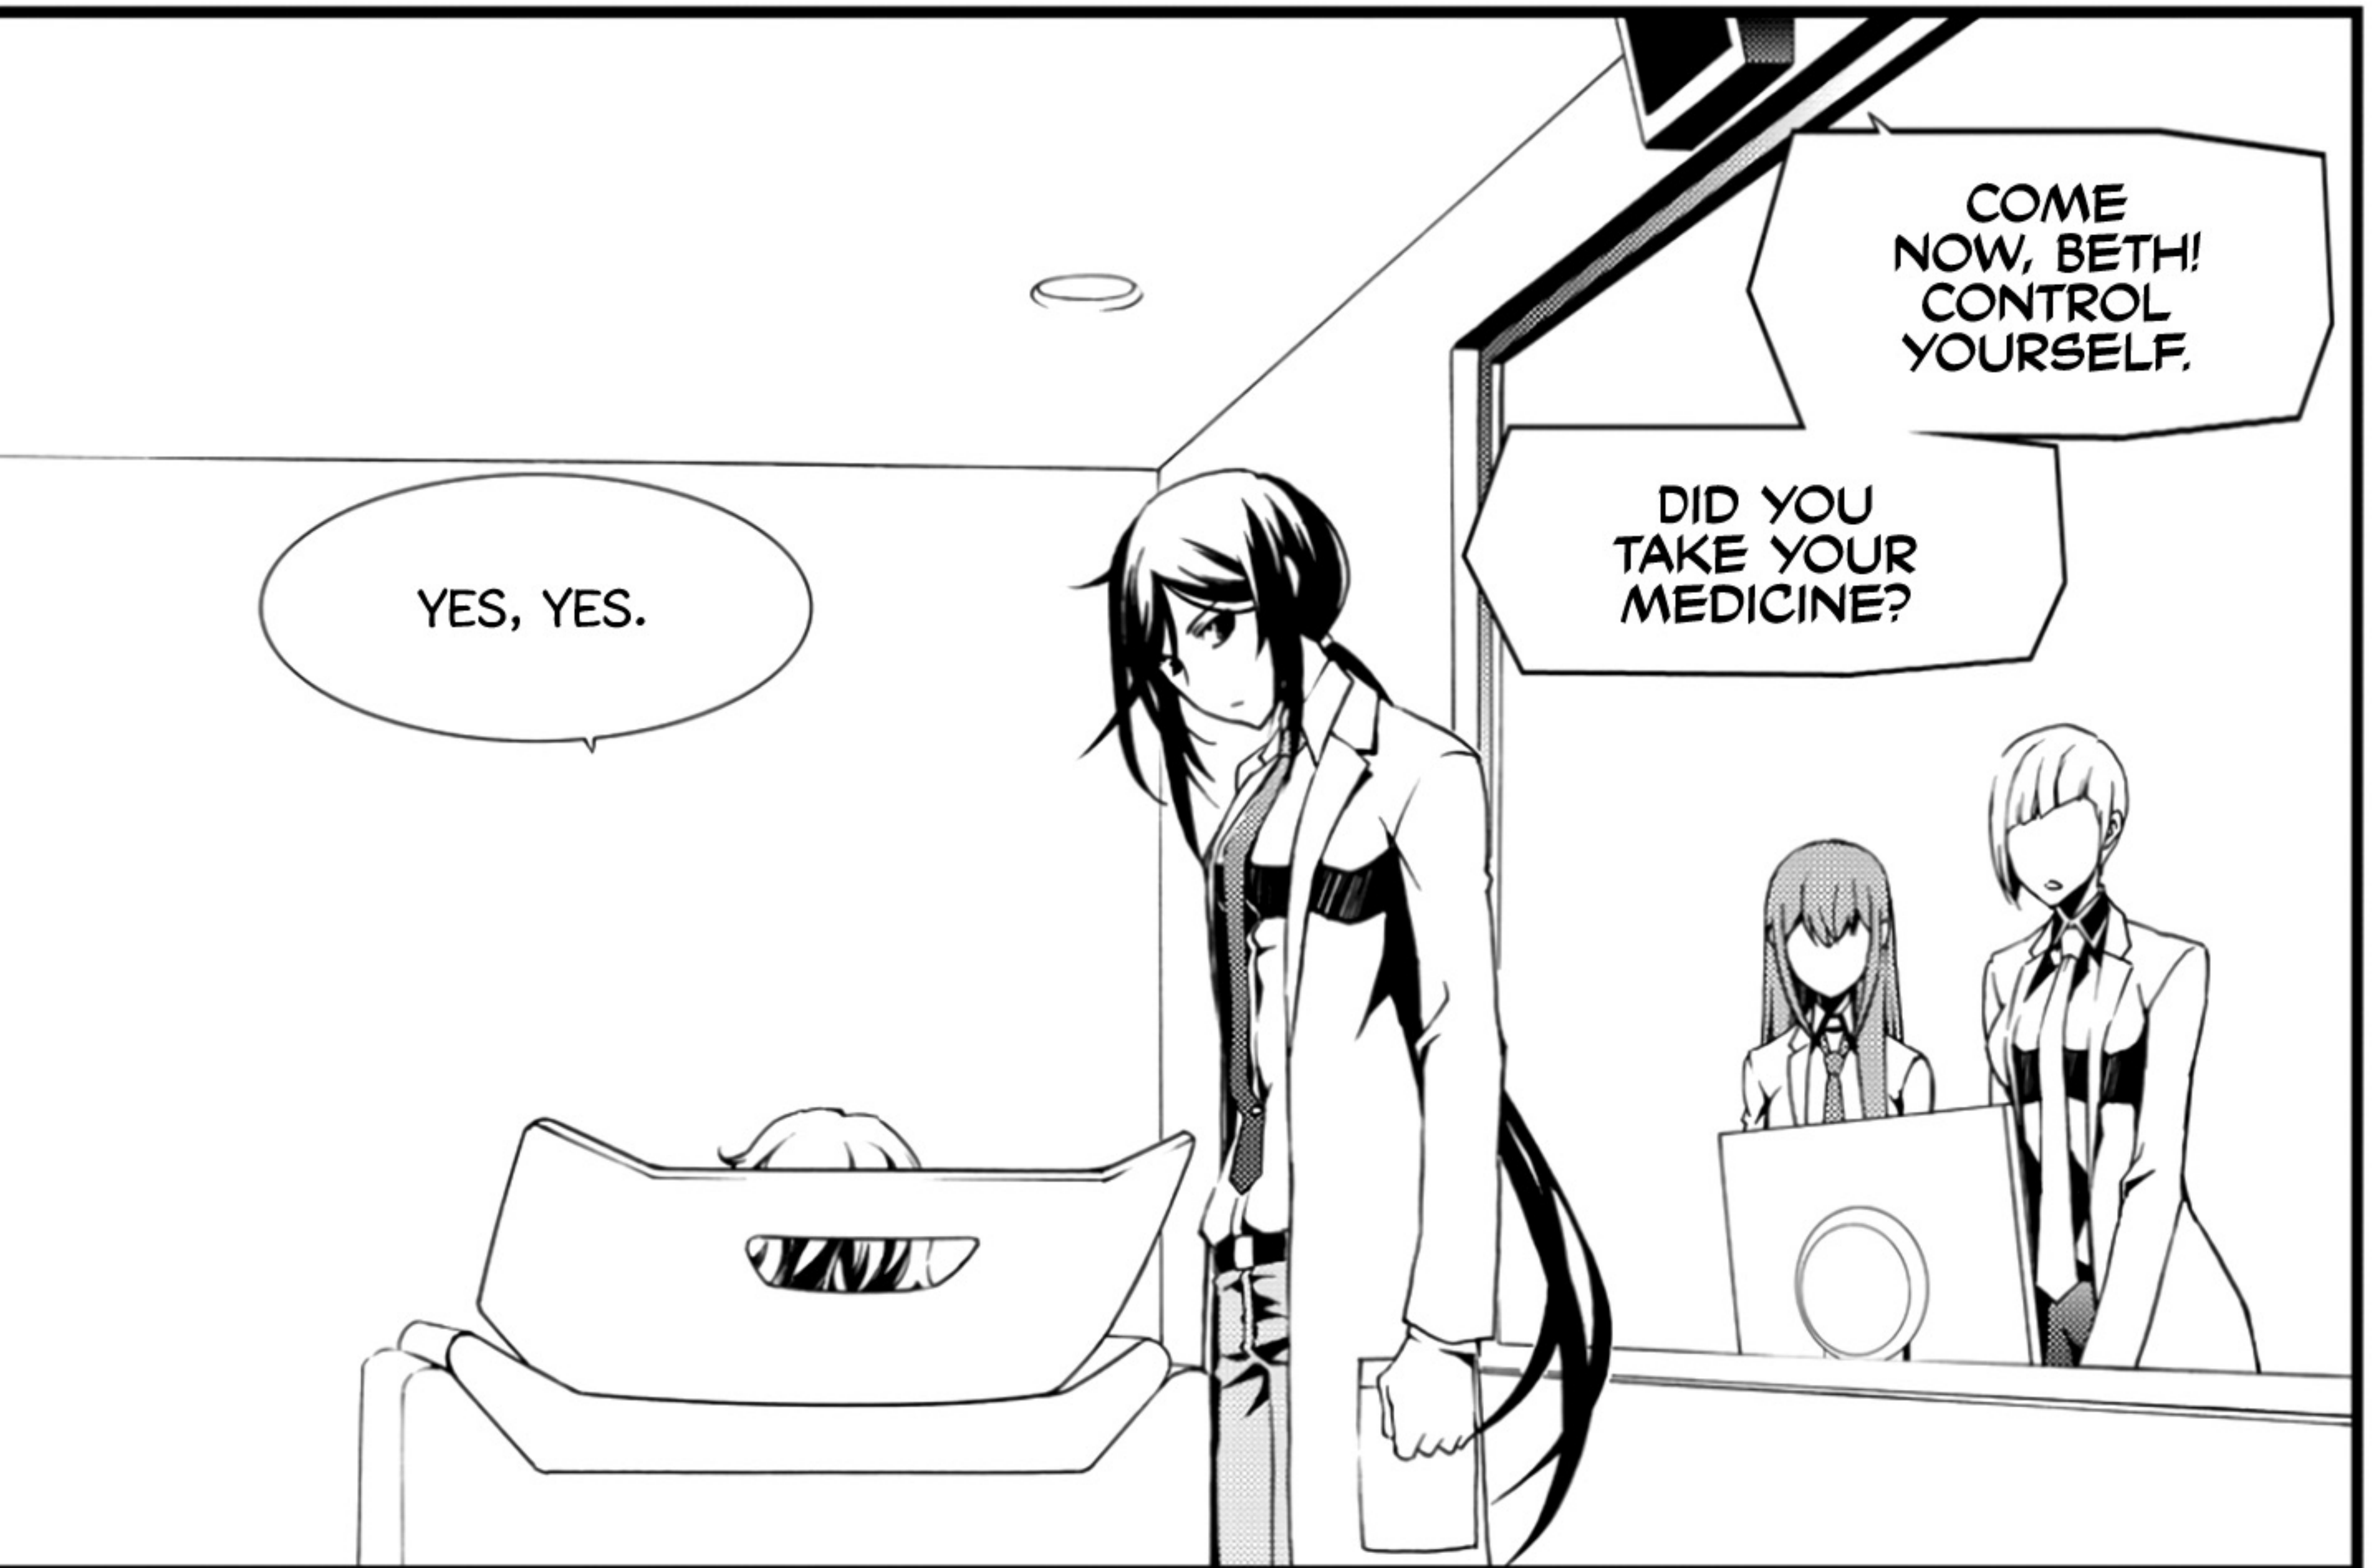

THIS IS A
PICTURE OF MY
SON, YES.

NEVERTHELESS,
"MISS" WILL DO.

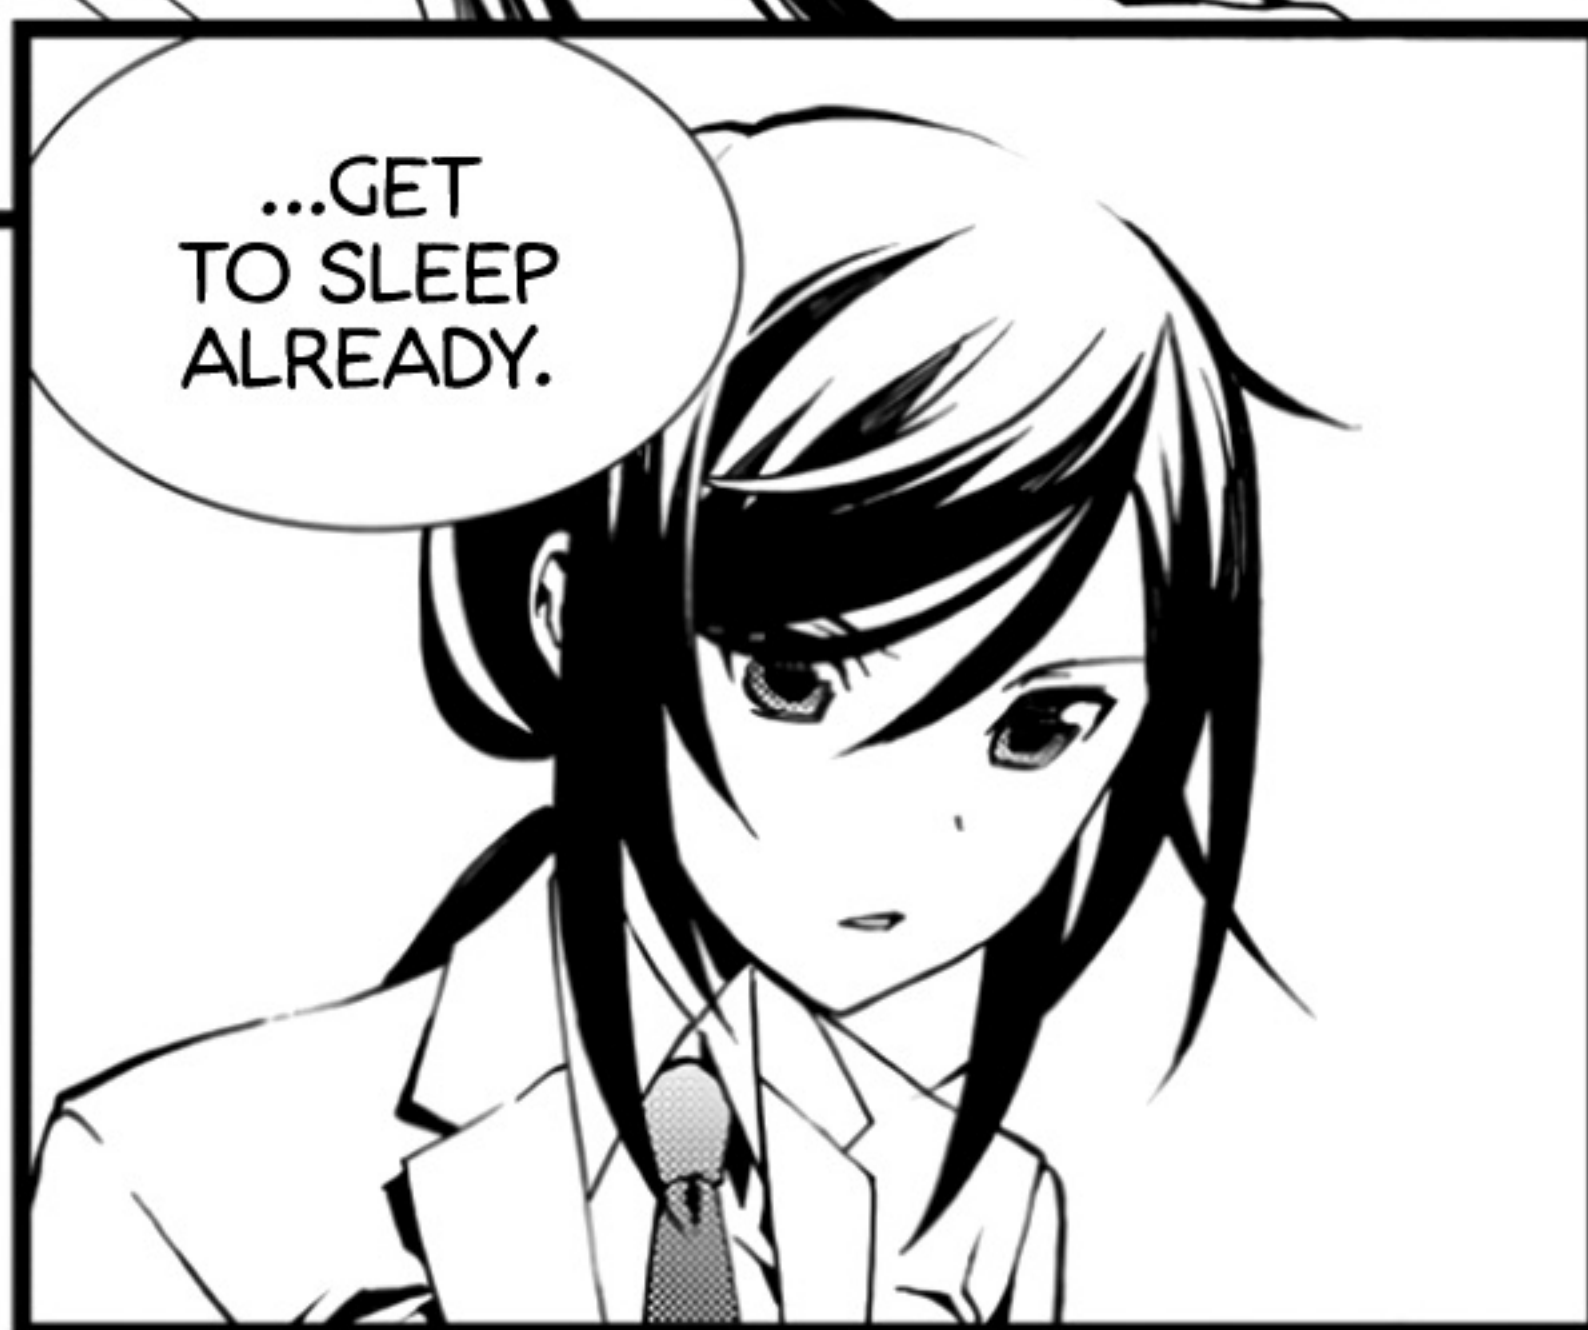

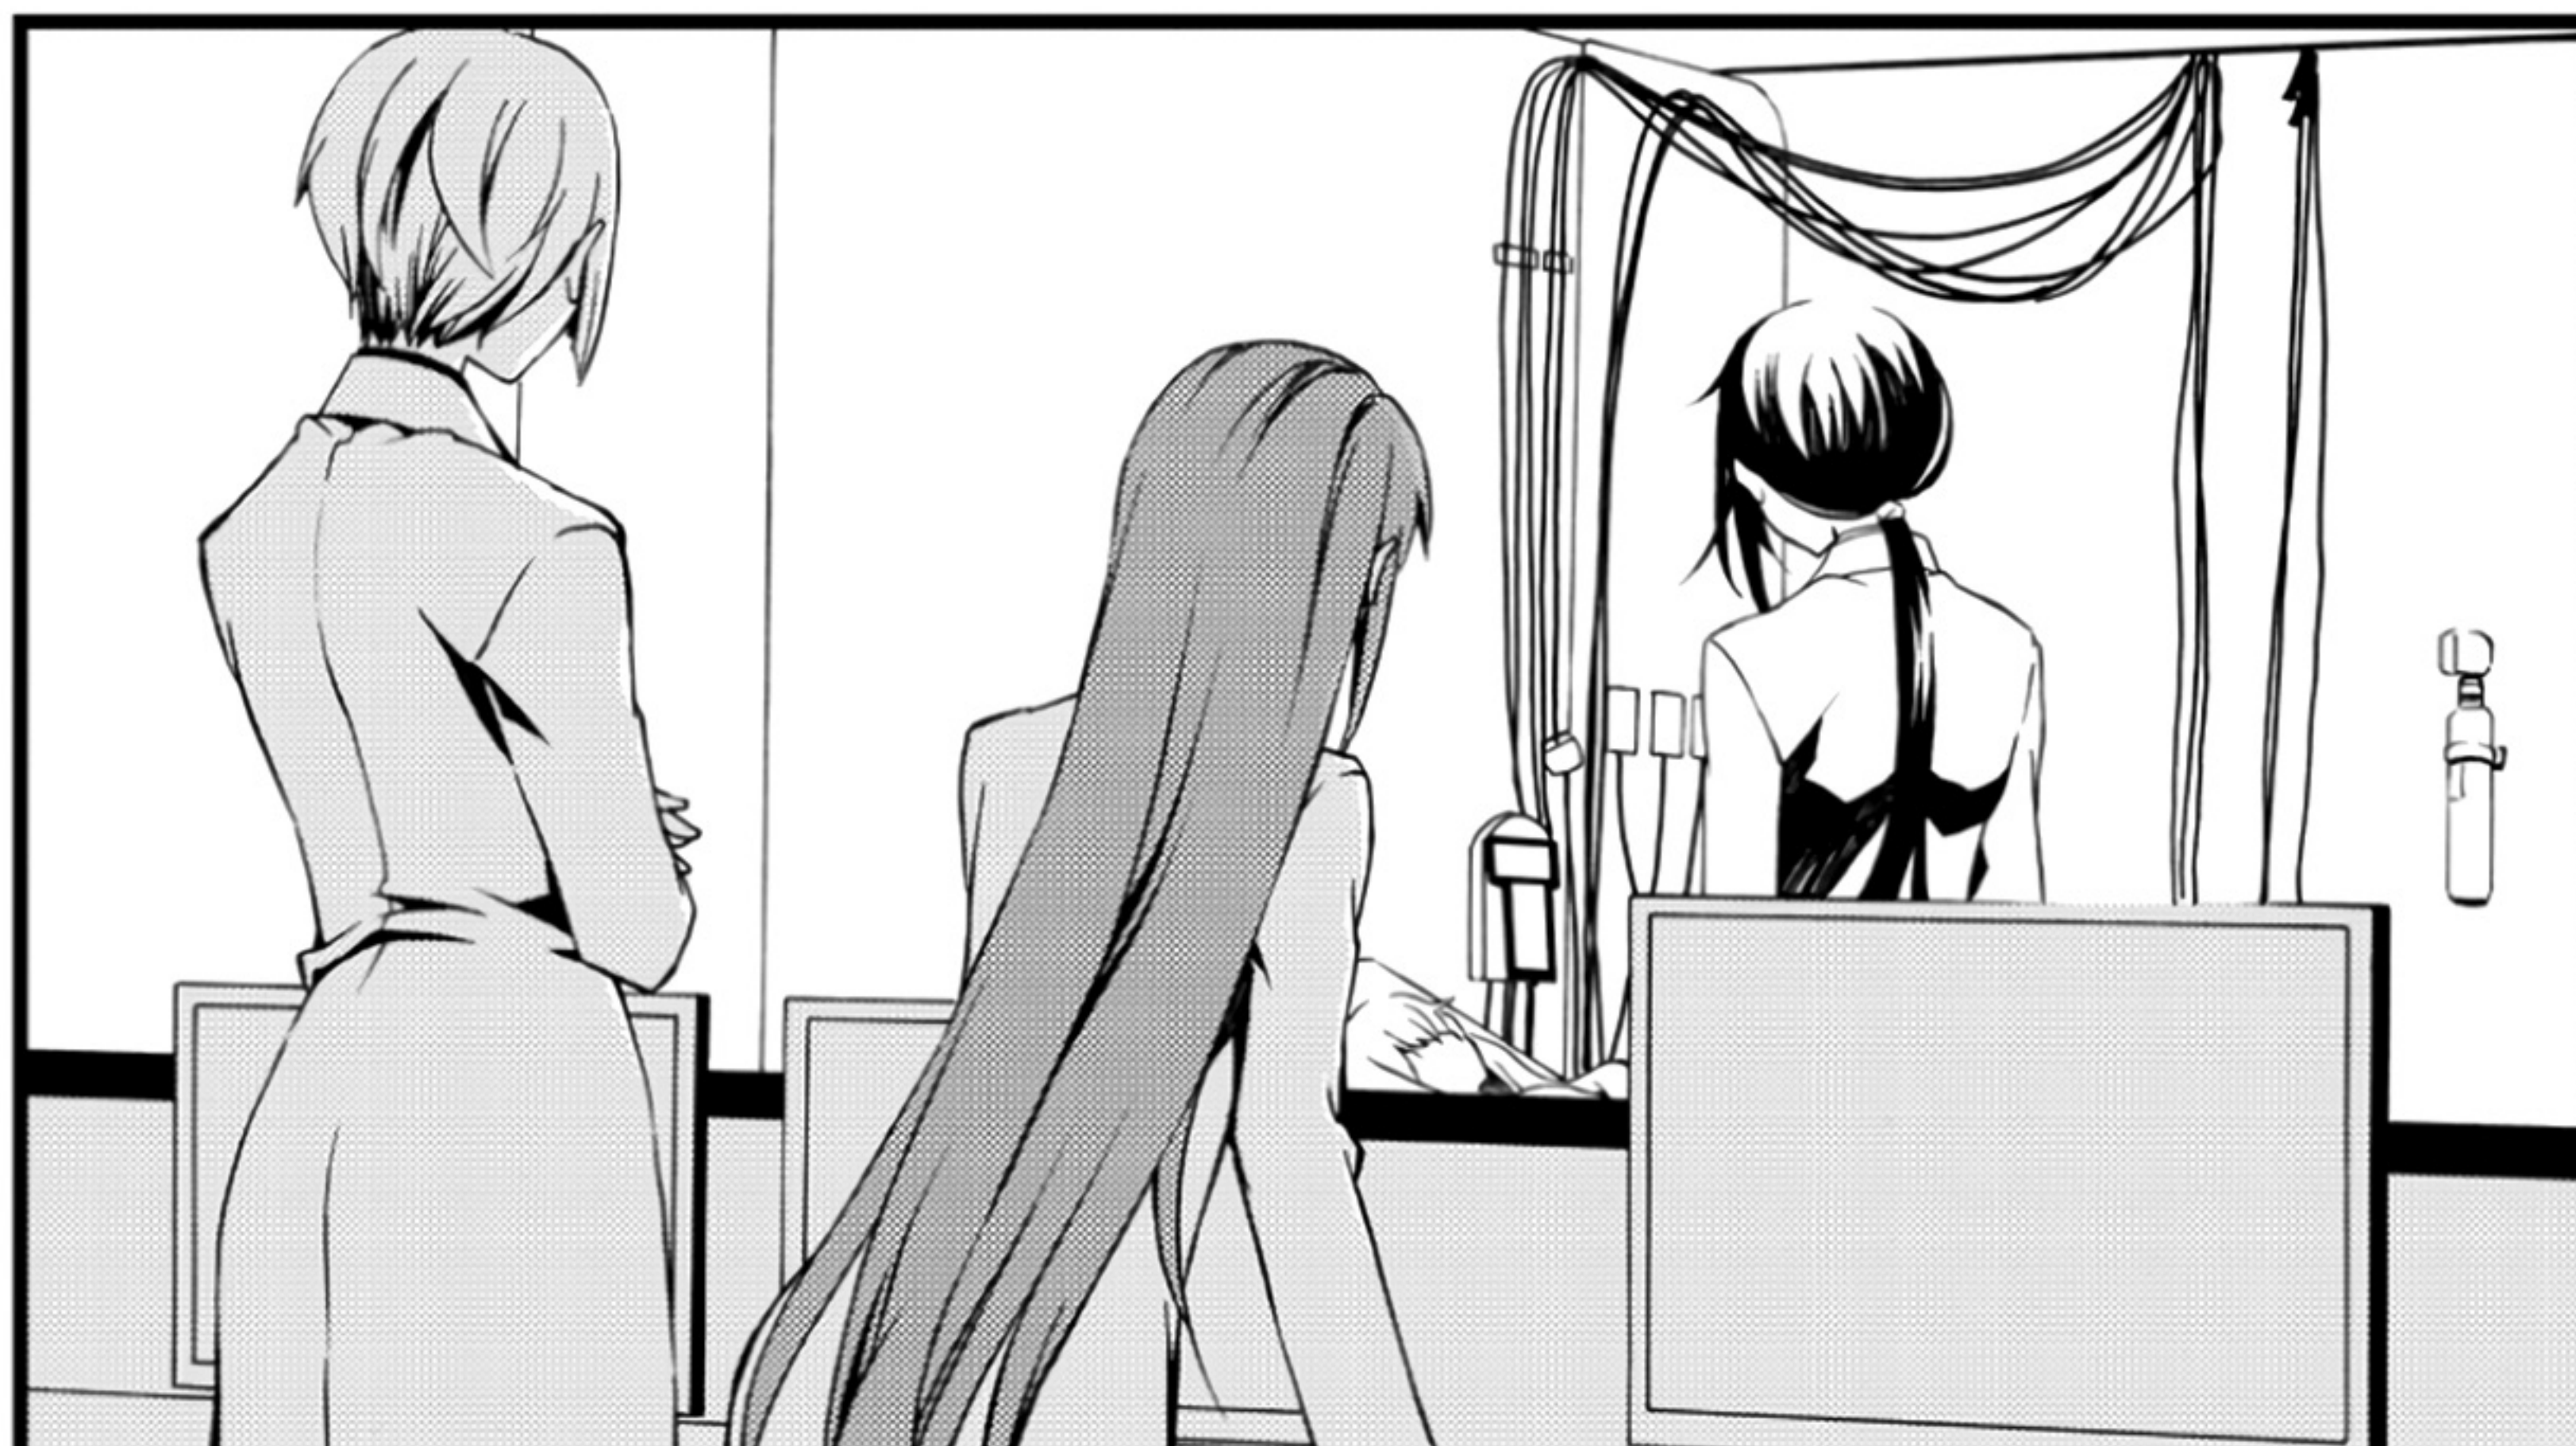

OKAY, MIO.
GOOD NIGHT.

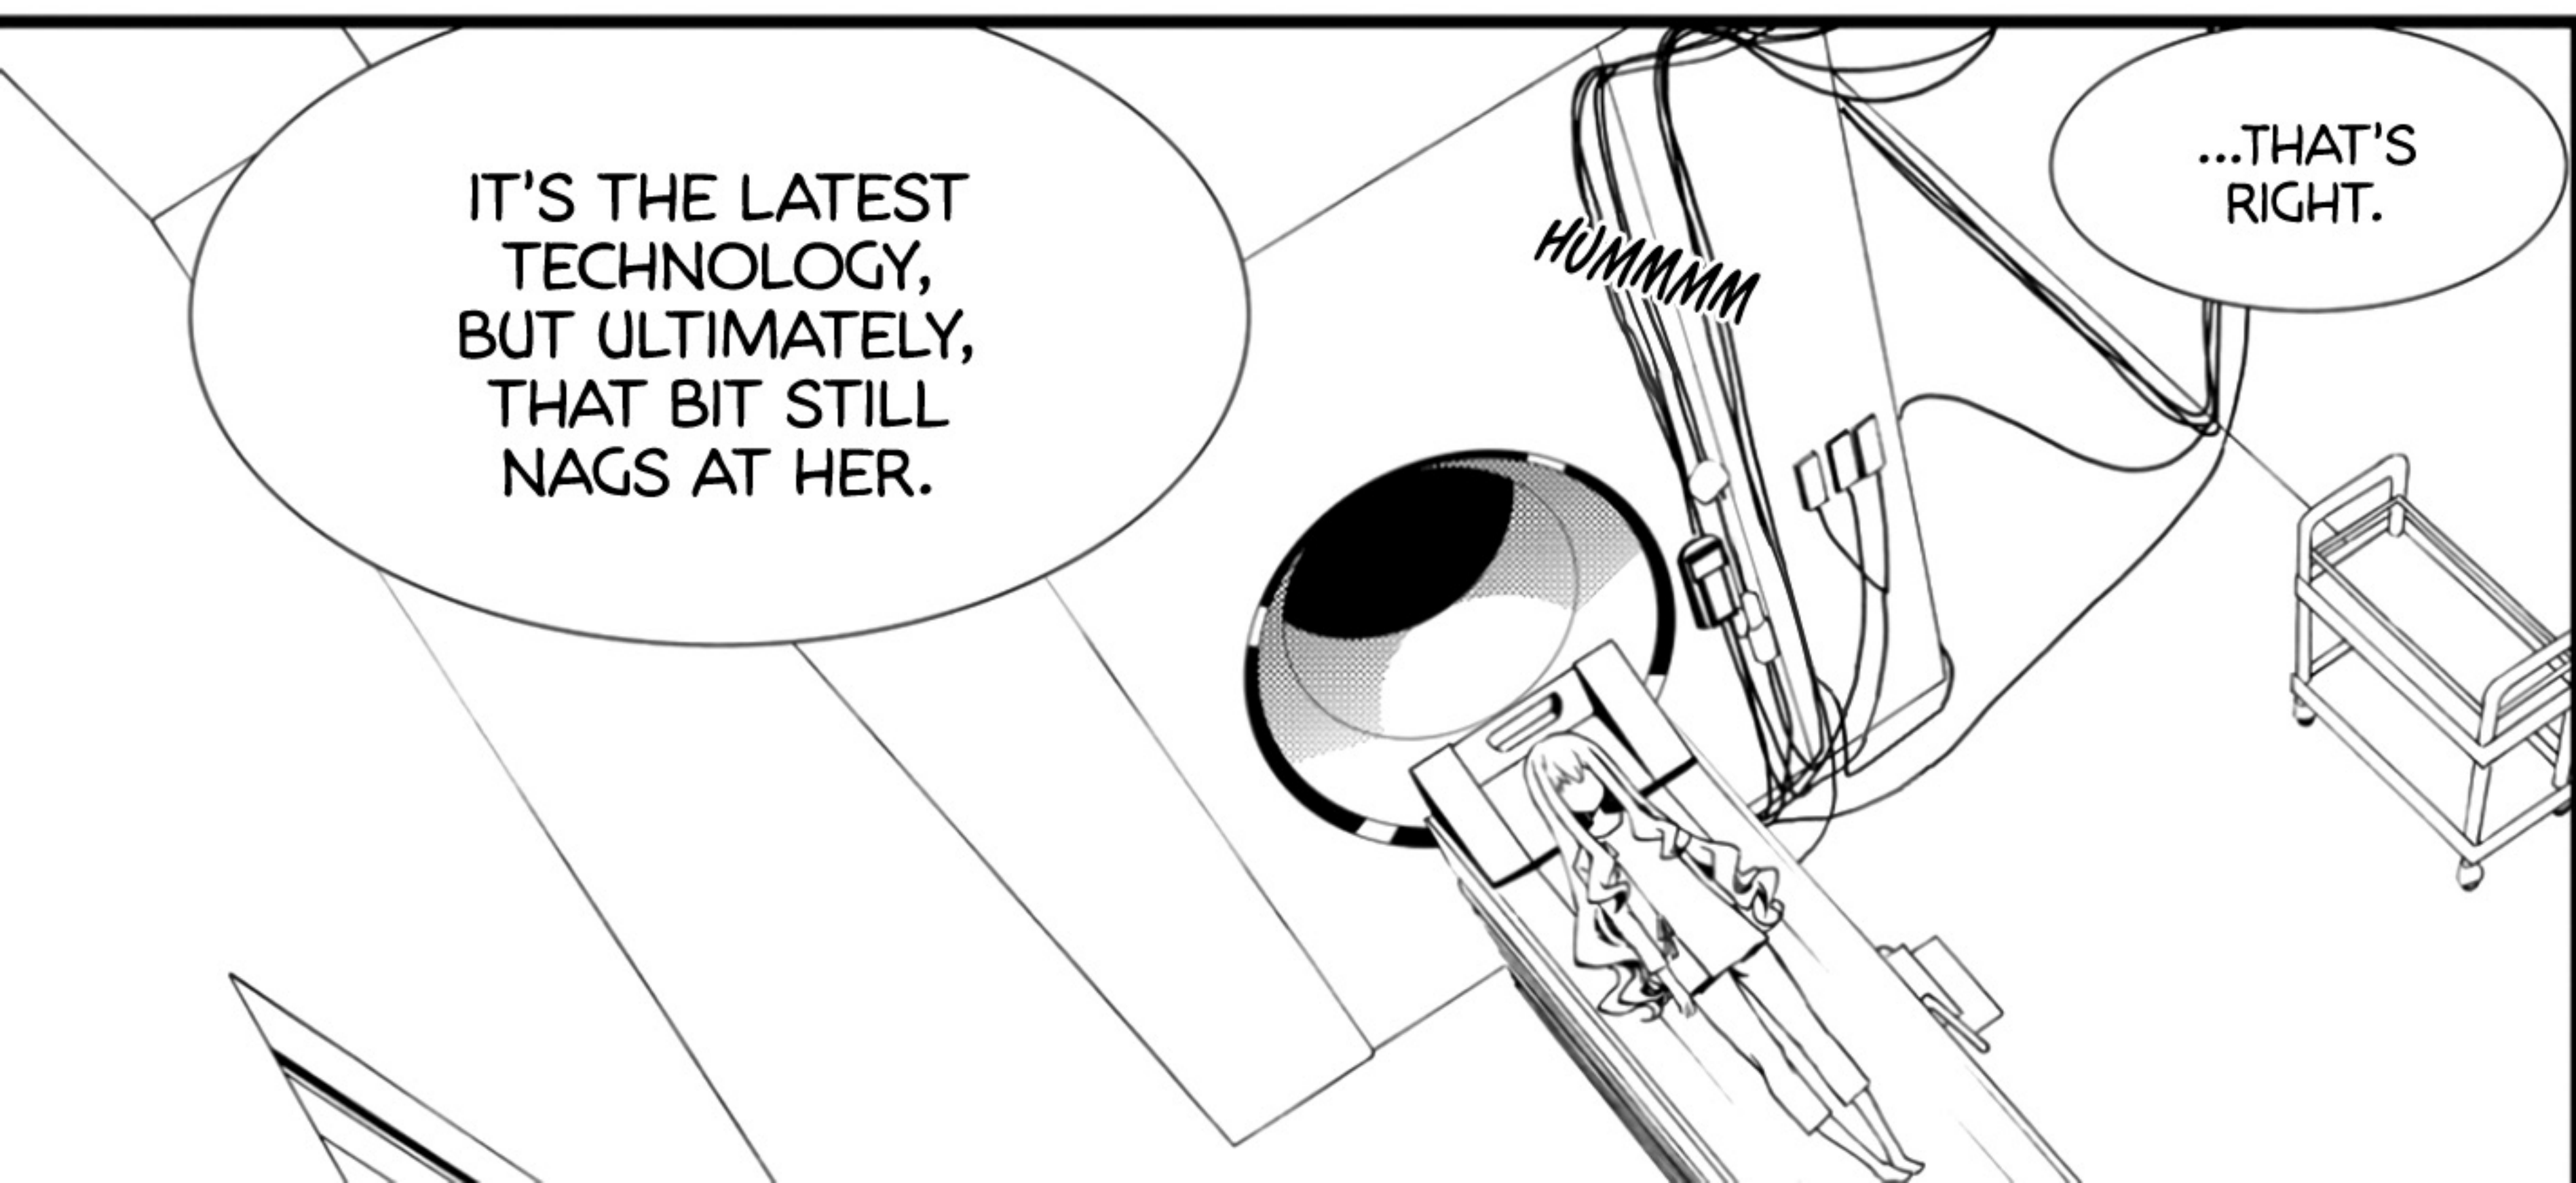

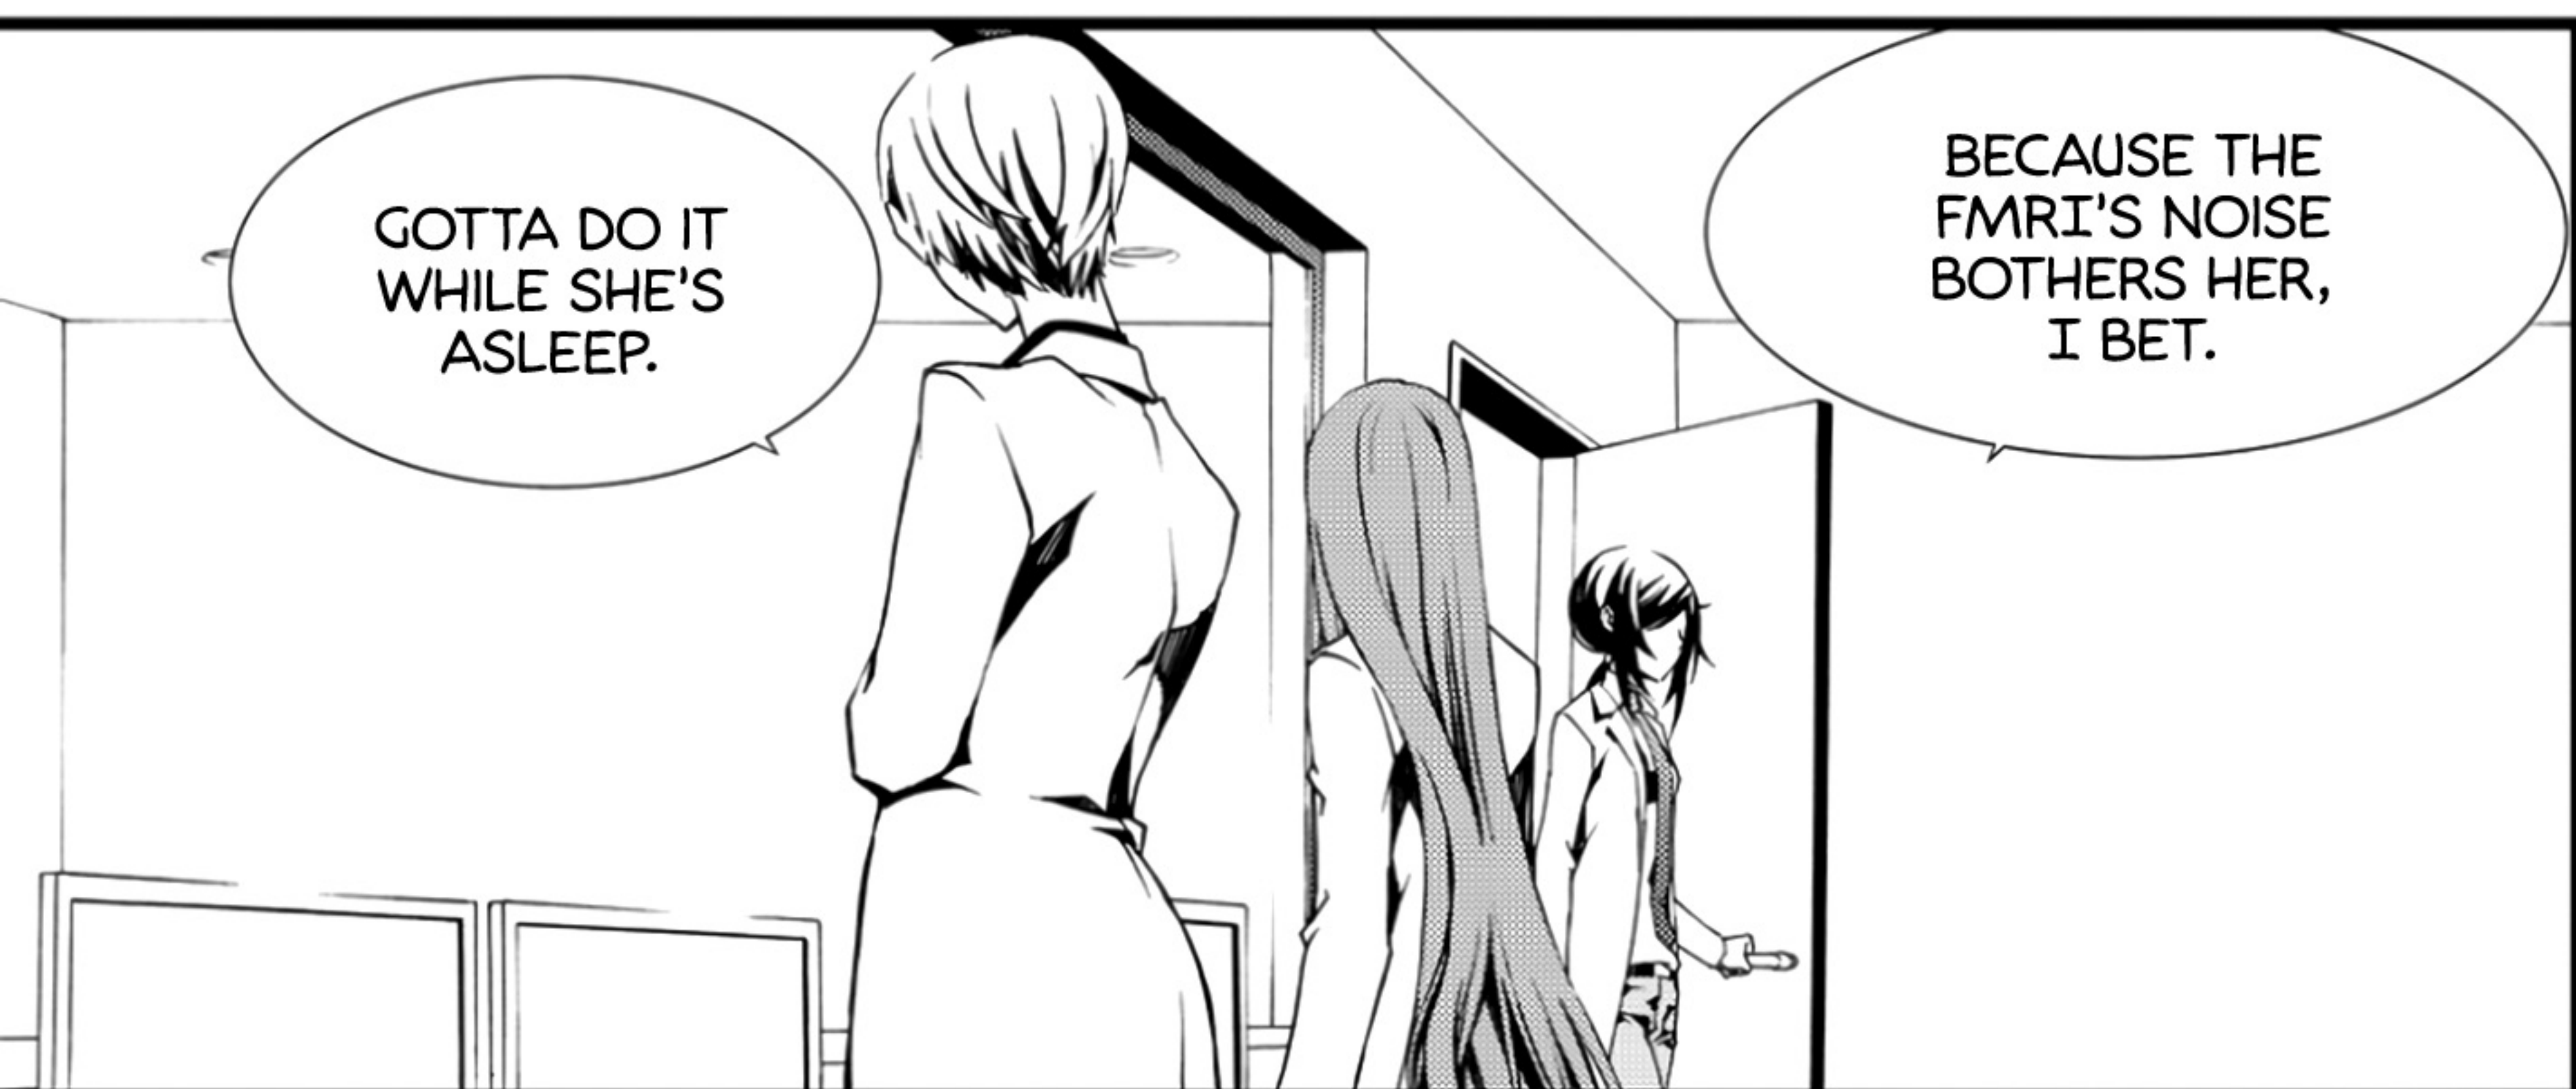

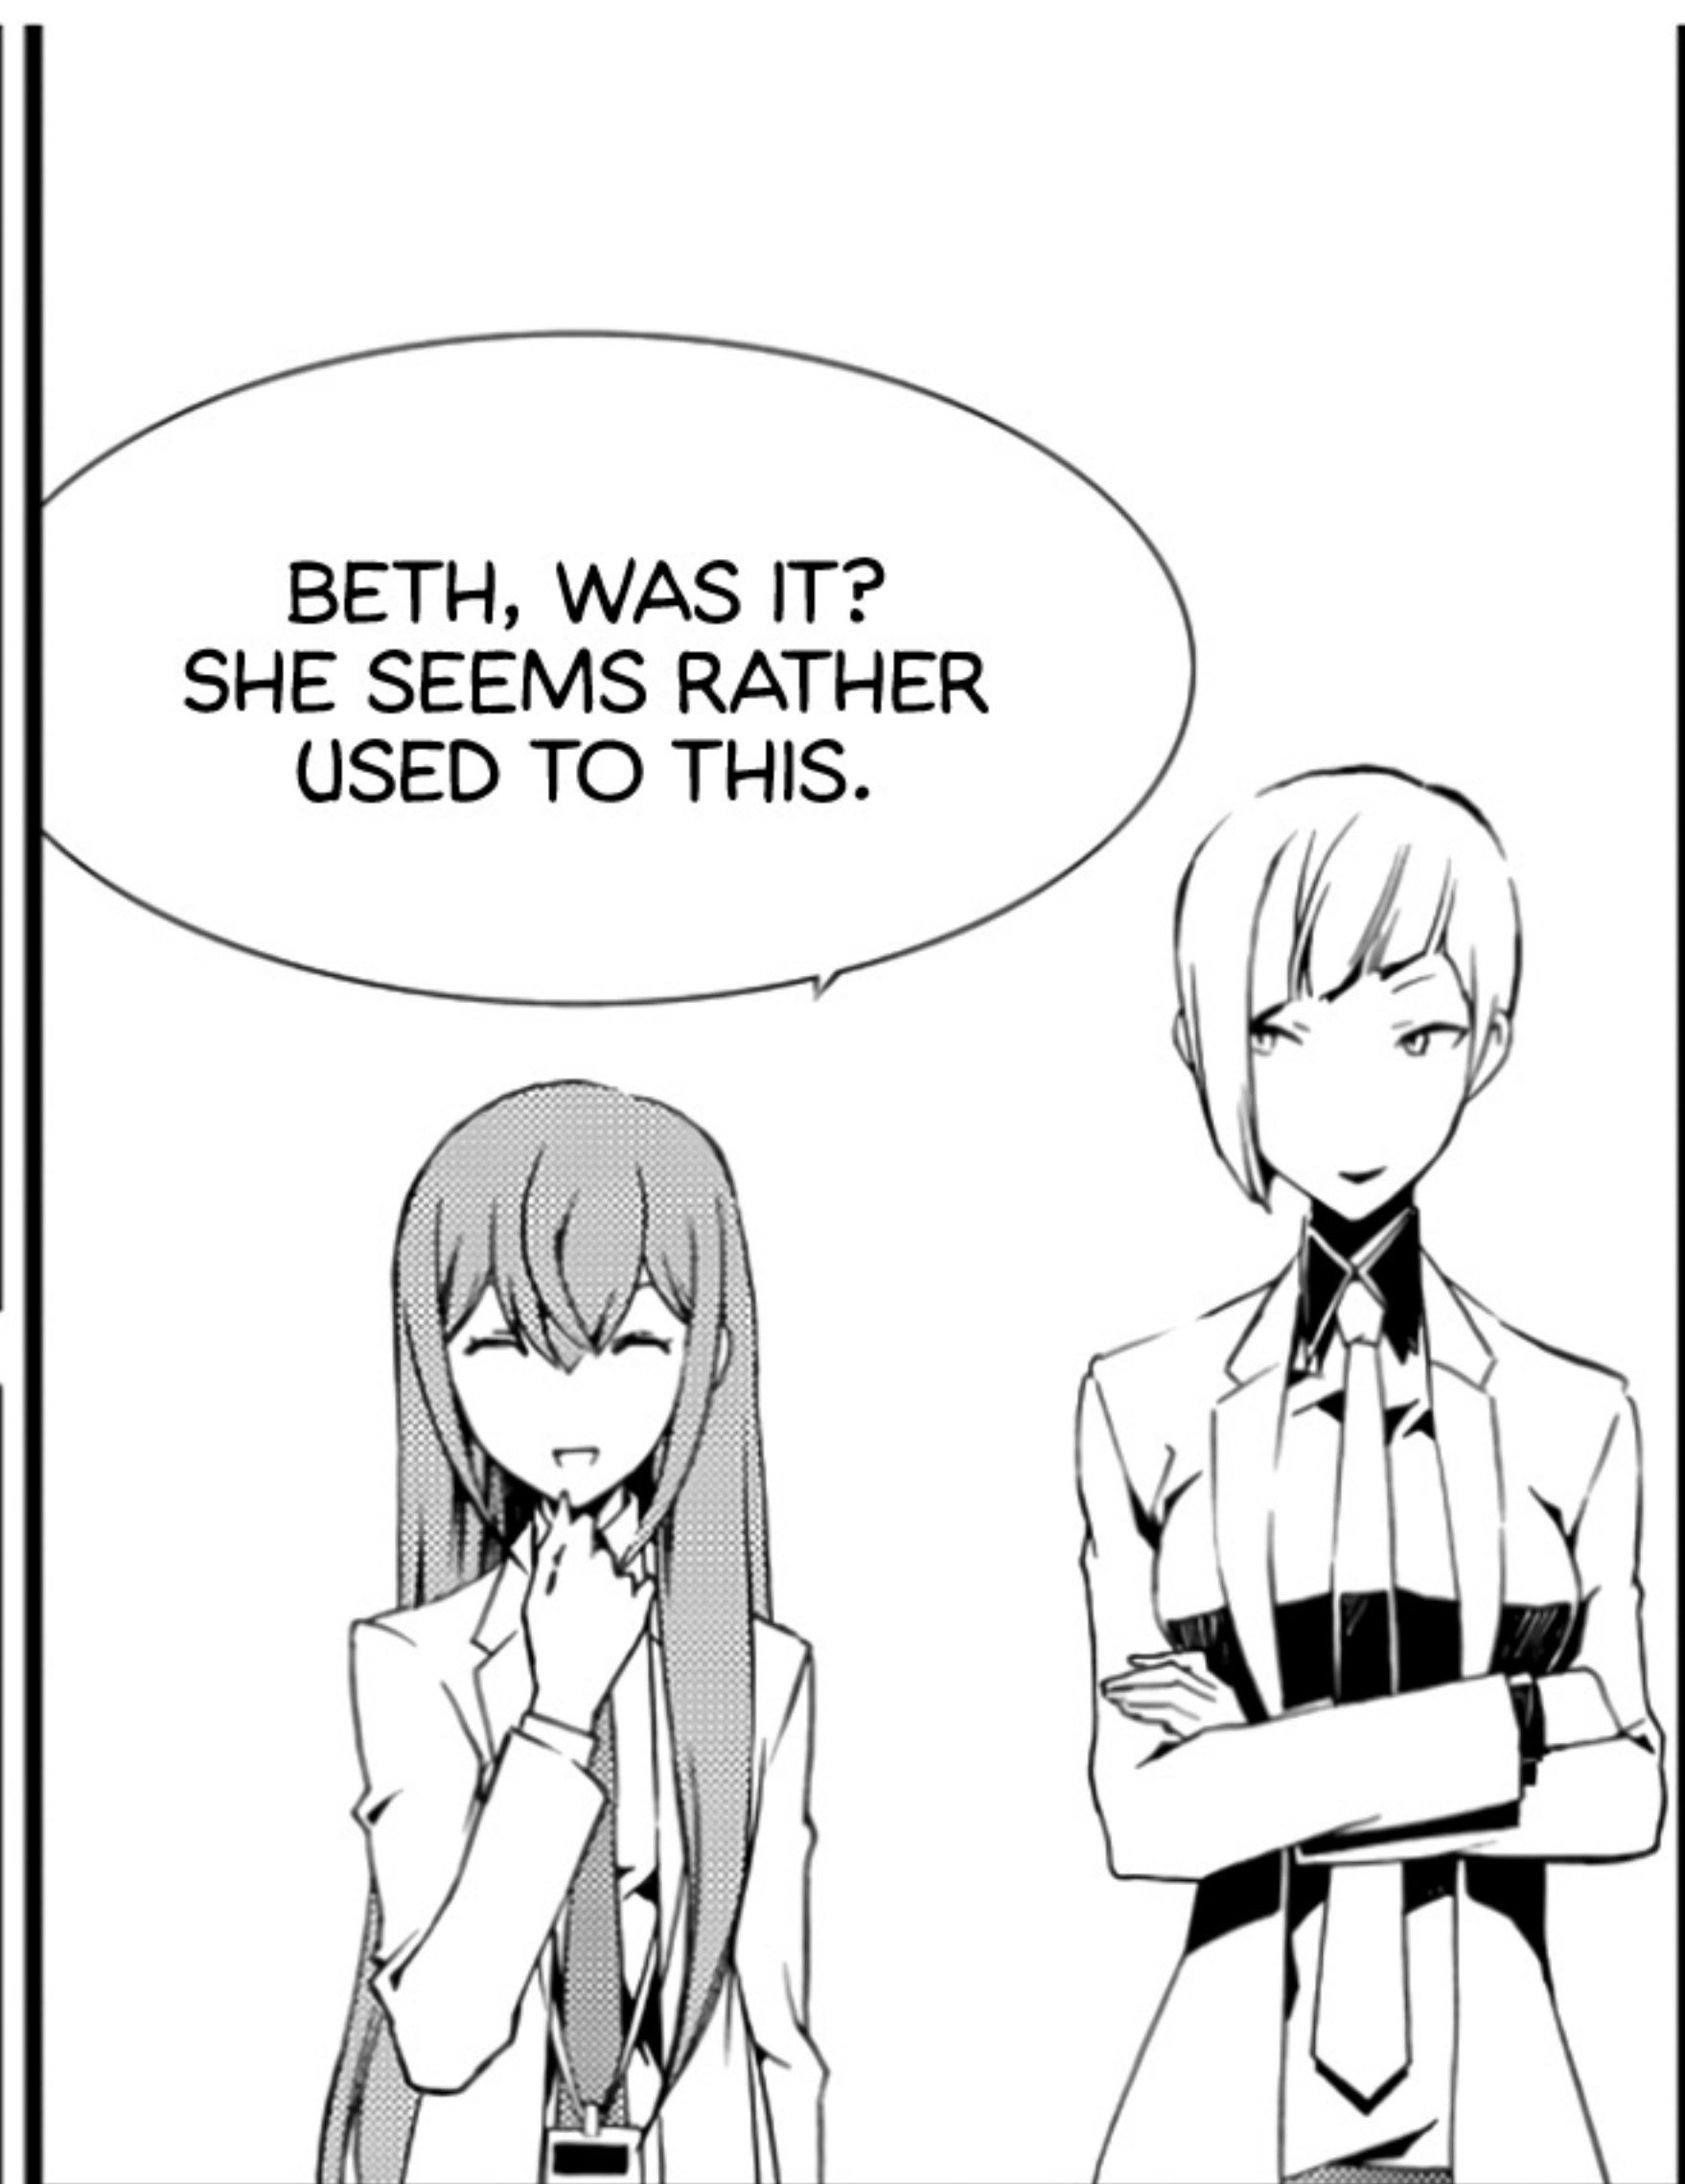

GIGGLE

...GET
TO SLEEP
ALREADY.

...THAT CONCLUDES
THE OBSERVATIONS?

CLAIRE.

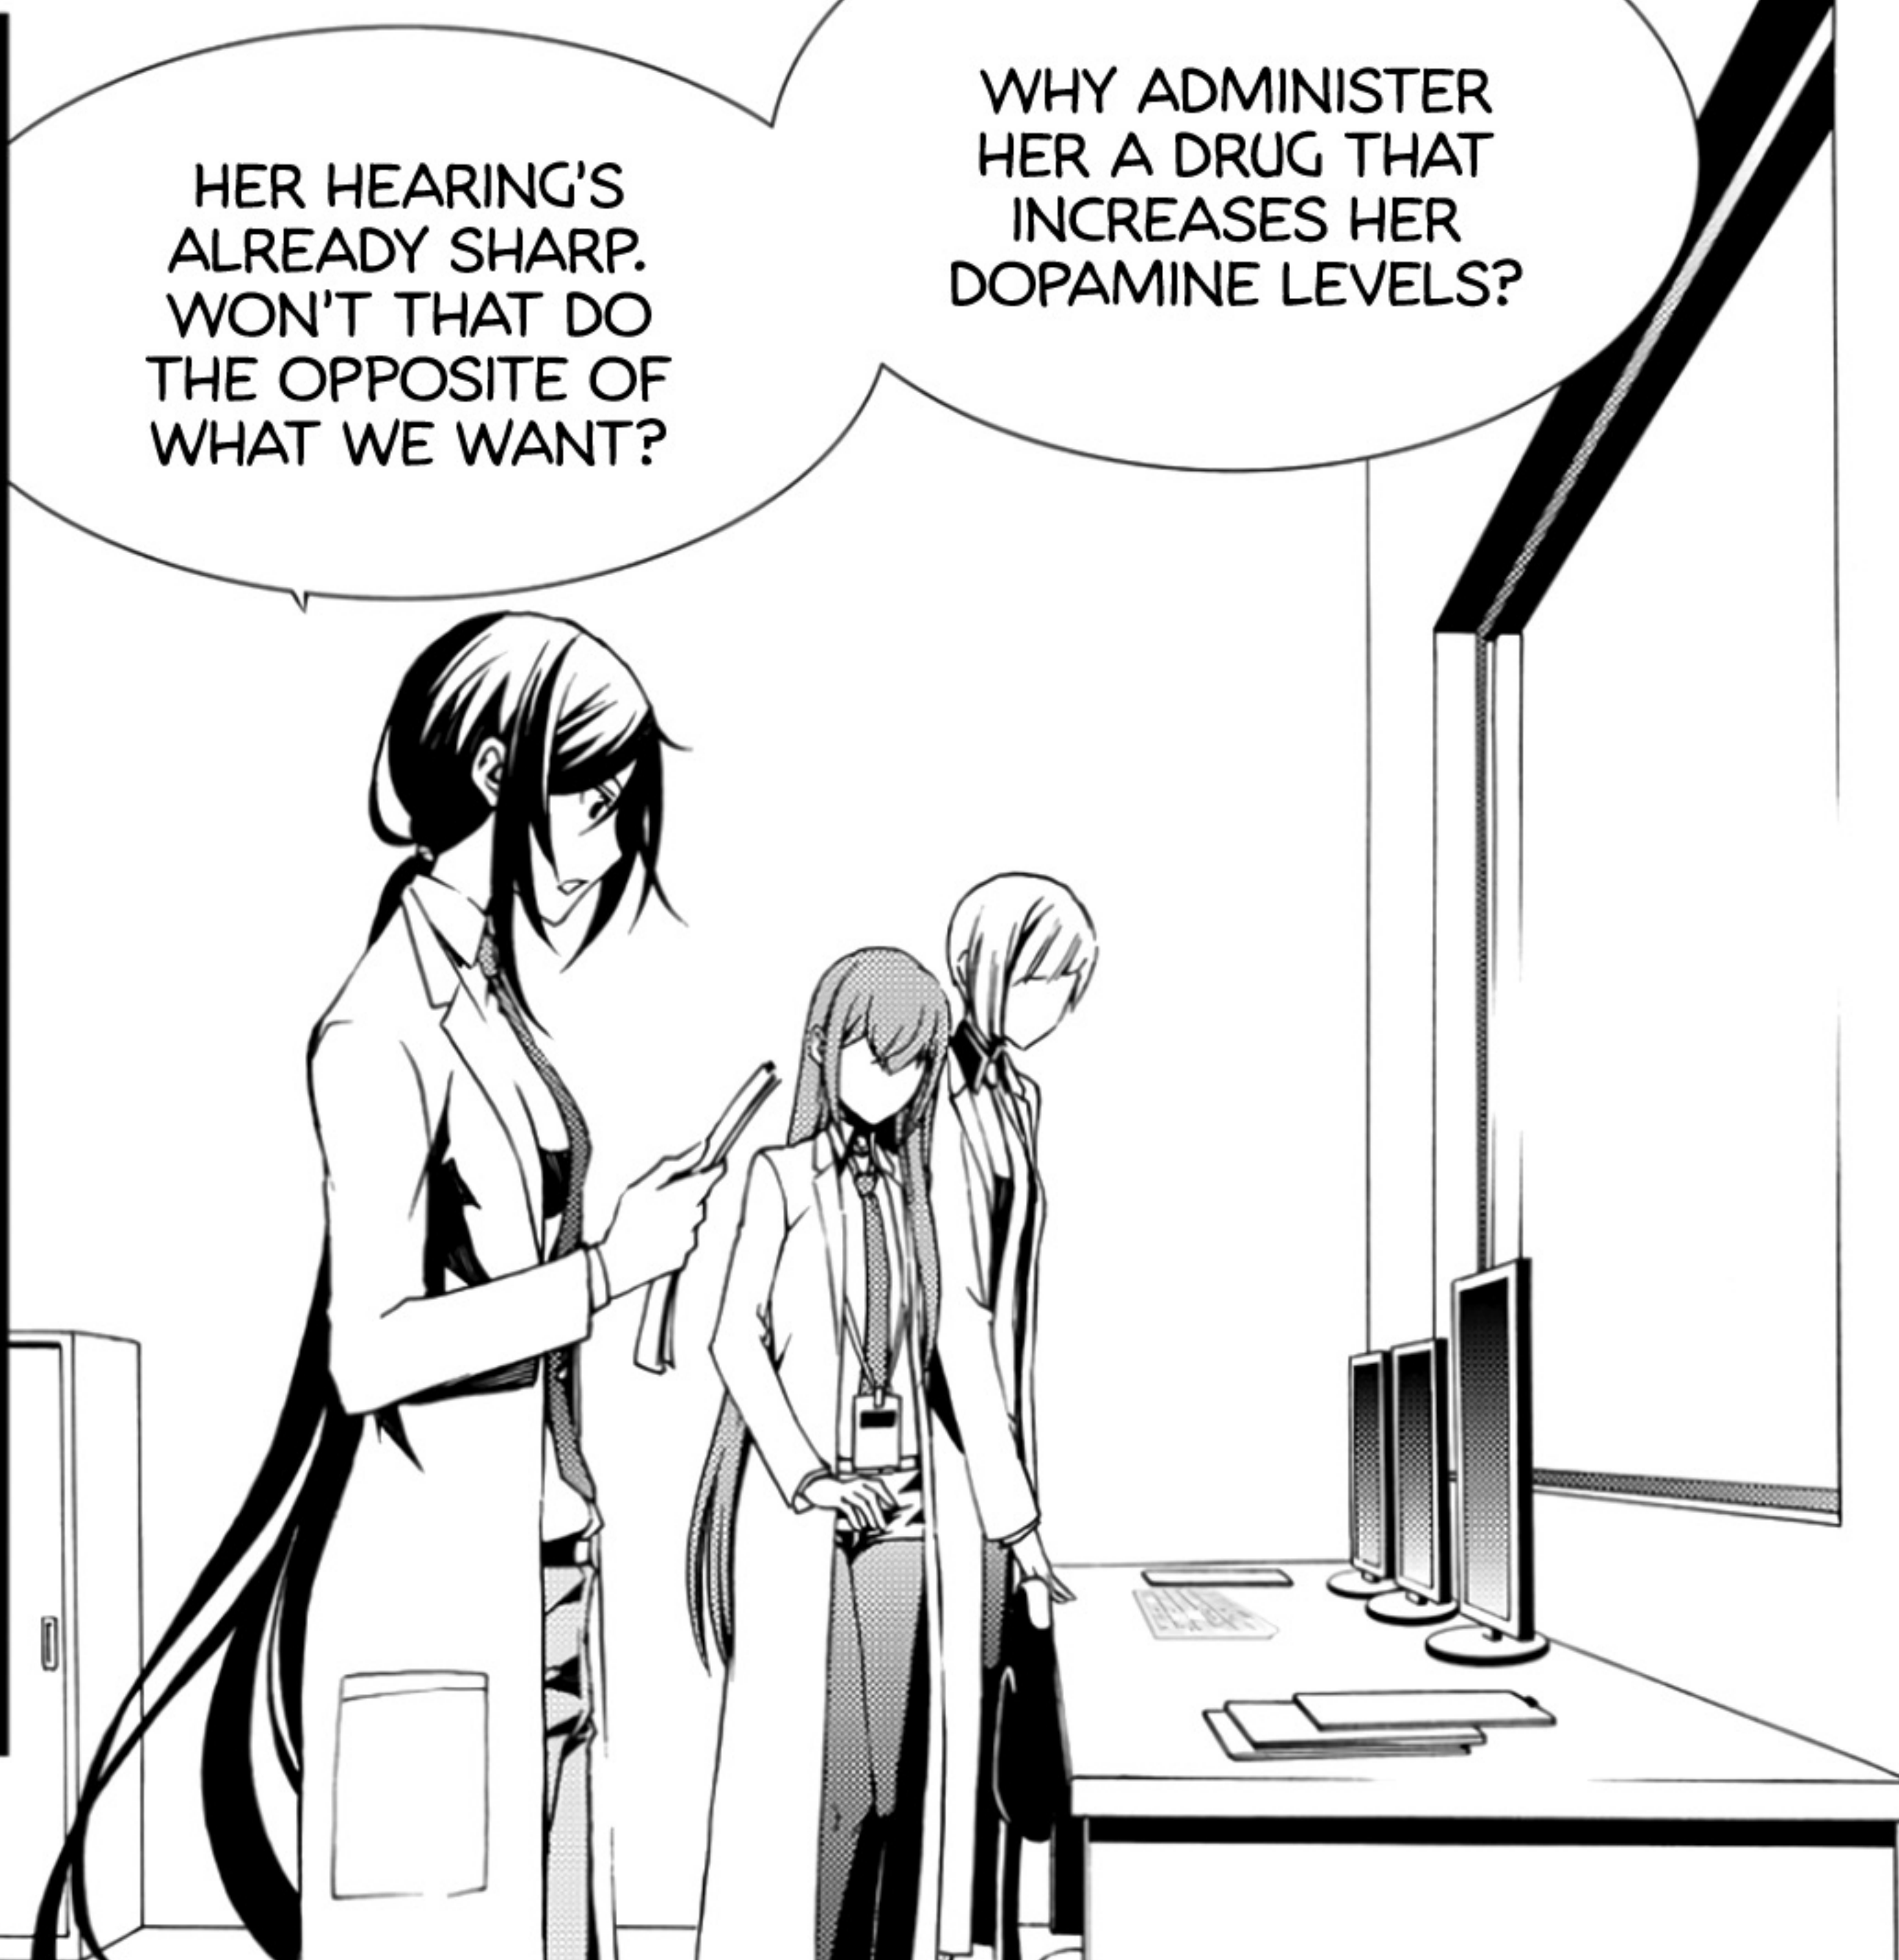

NO, IT'S EXACTLY
WHAT YOU TOLD
ME TO EXPECT.

YES. THAT'S ALL
THERE IS TO IT.
DID WE PERHAPS
DISAPPOINT YOU?

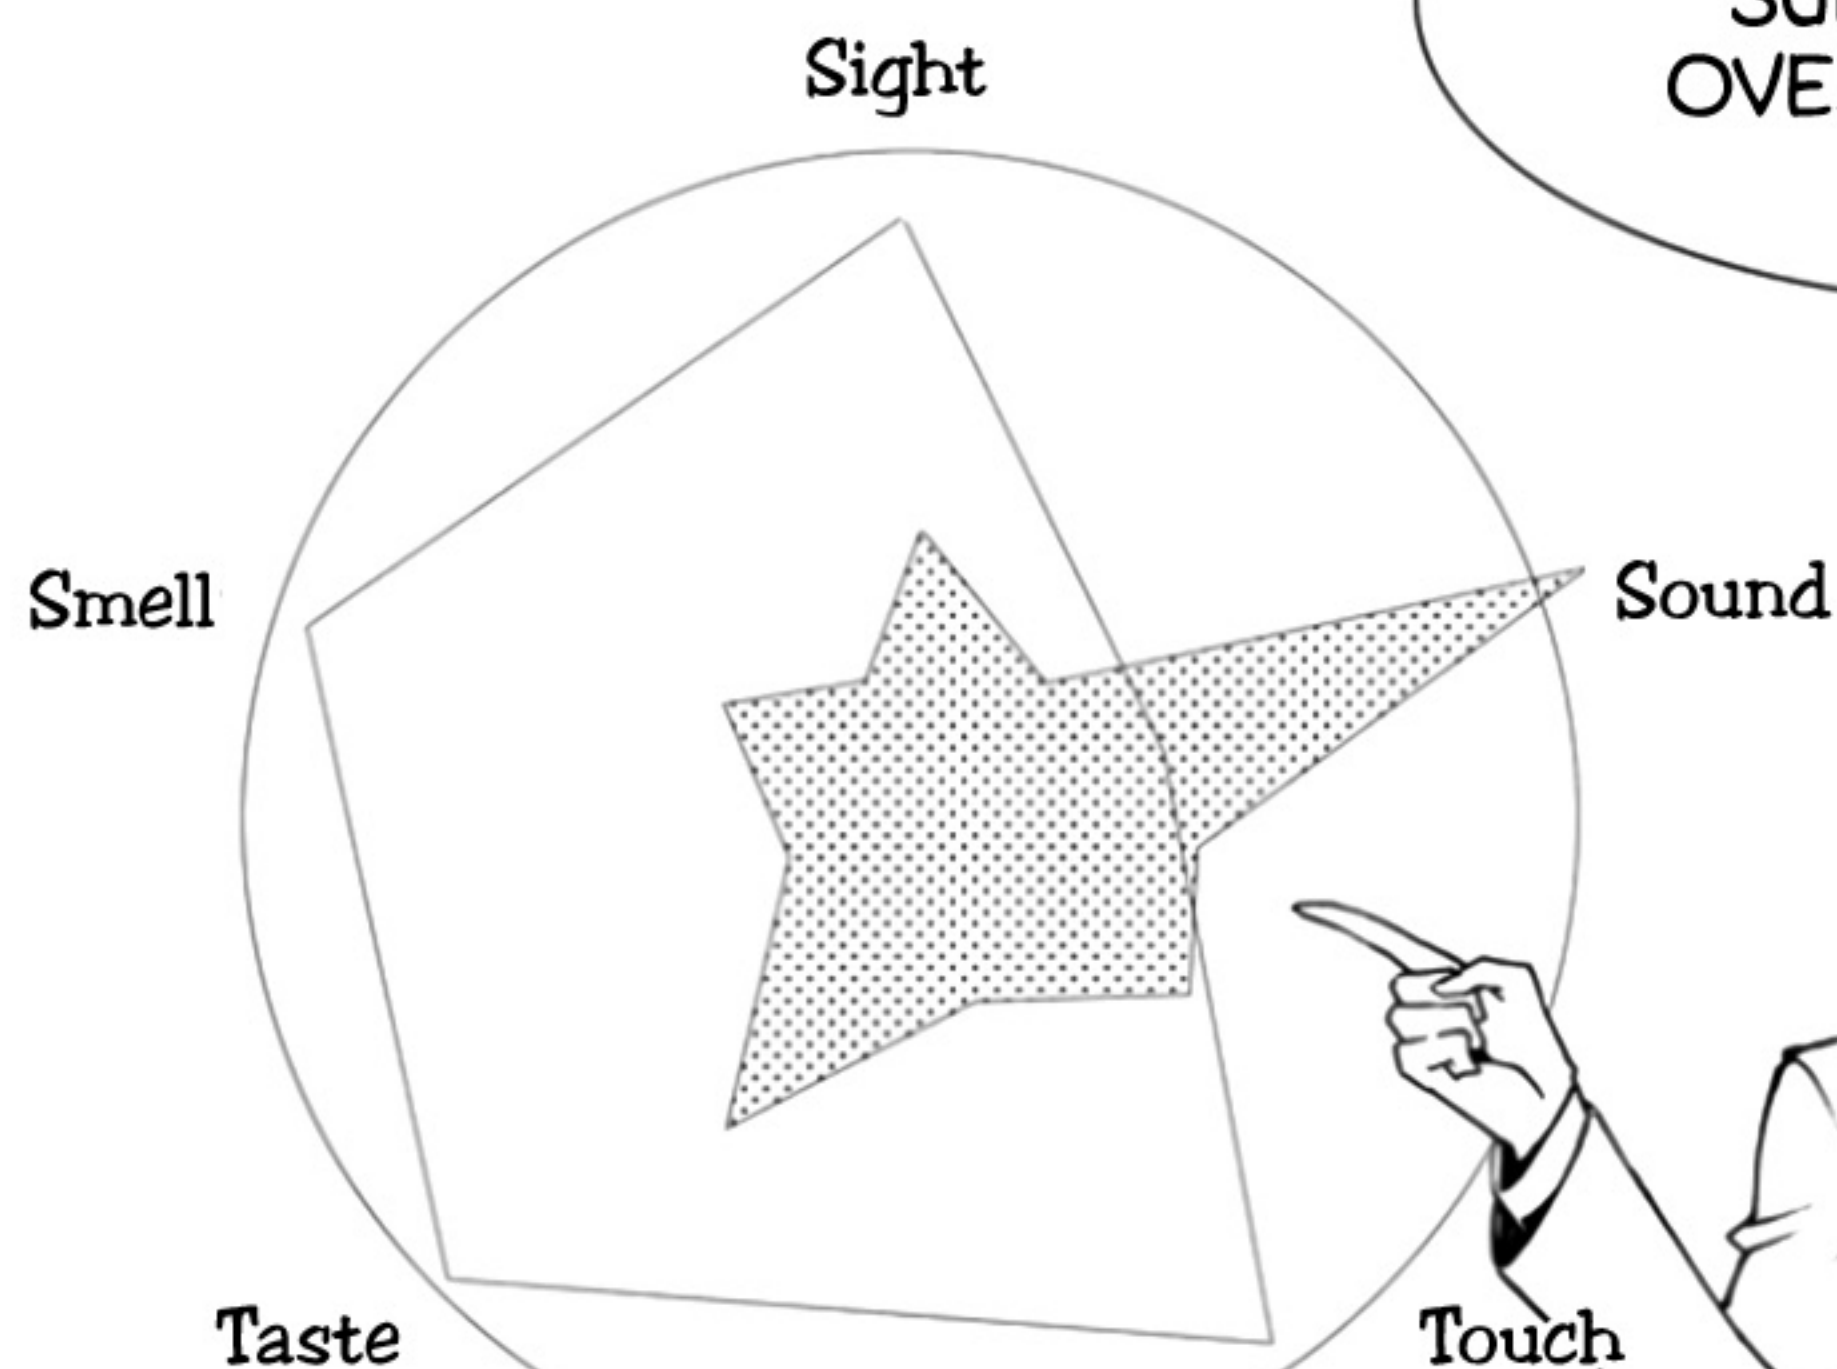

IT'S—

HER HEARING'S
ALREADY SHARP.
WON'T THAT DO
THE OPPOSITE OF
WHAT WE WANT?

WHY ADMINISTER
HER A DRUG THAT
INCREASES HER
DOPAMINE LEVELS?

RATHER THAN
SUPPRESS HER
OVERSENSITIVITY,

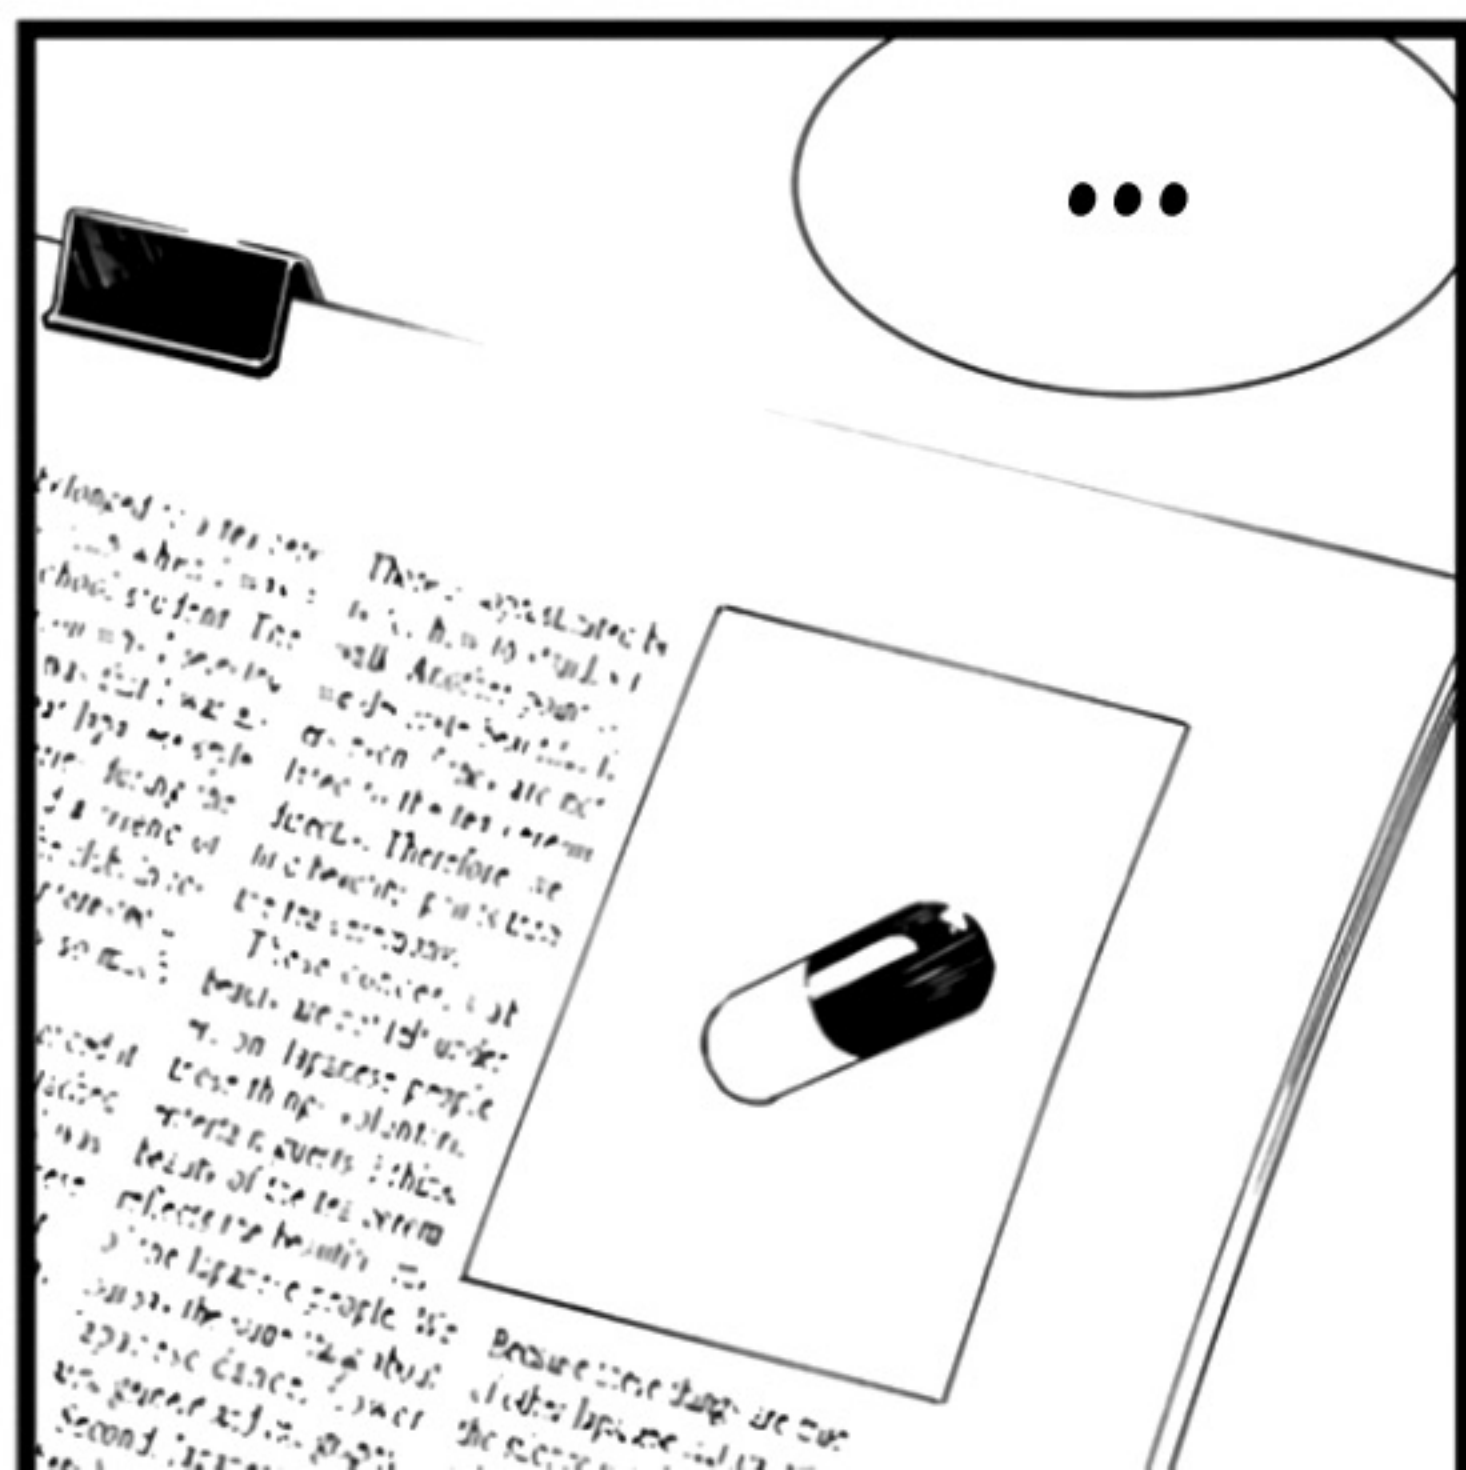

IT'S TO RAISE
HER BASELINE.

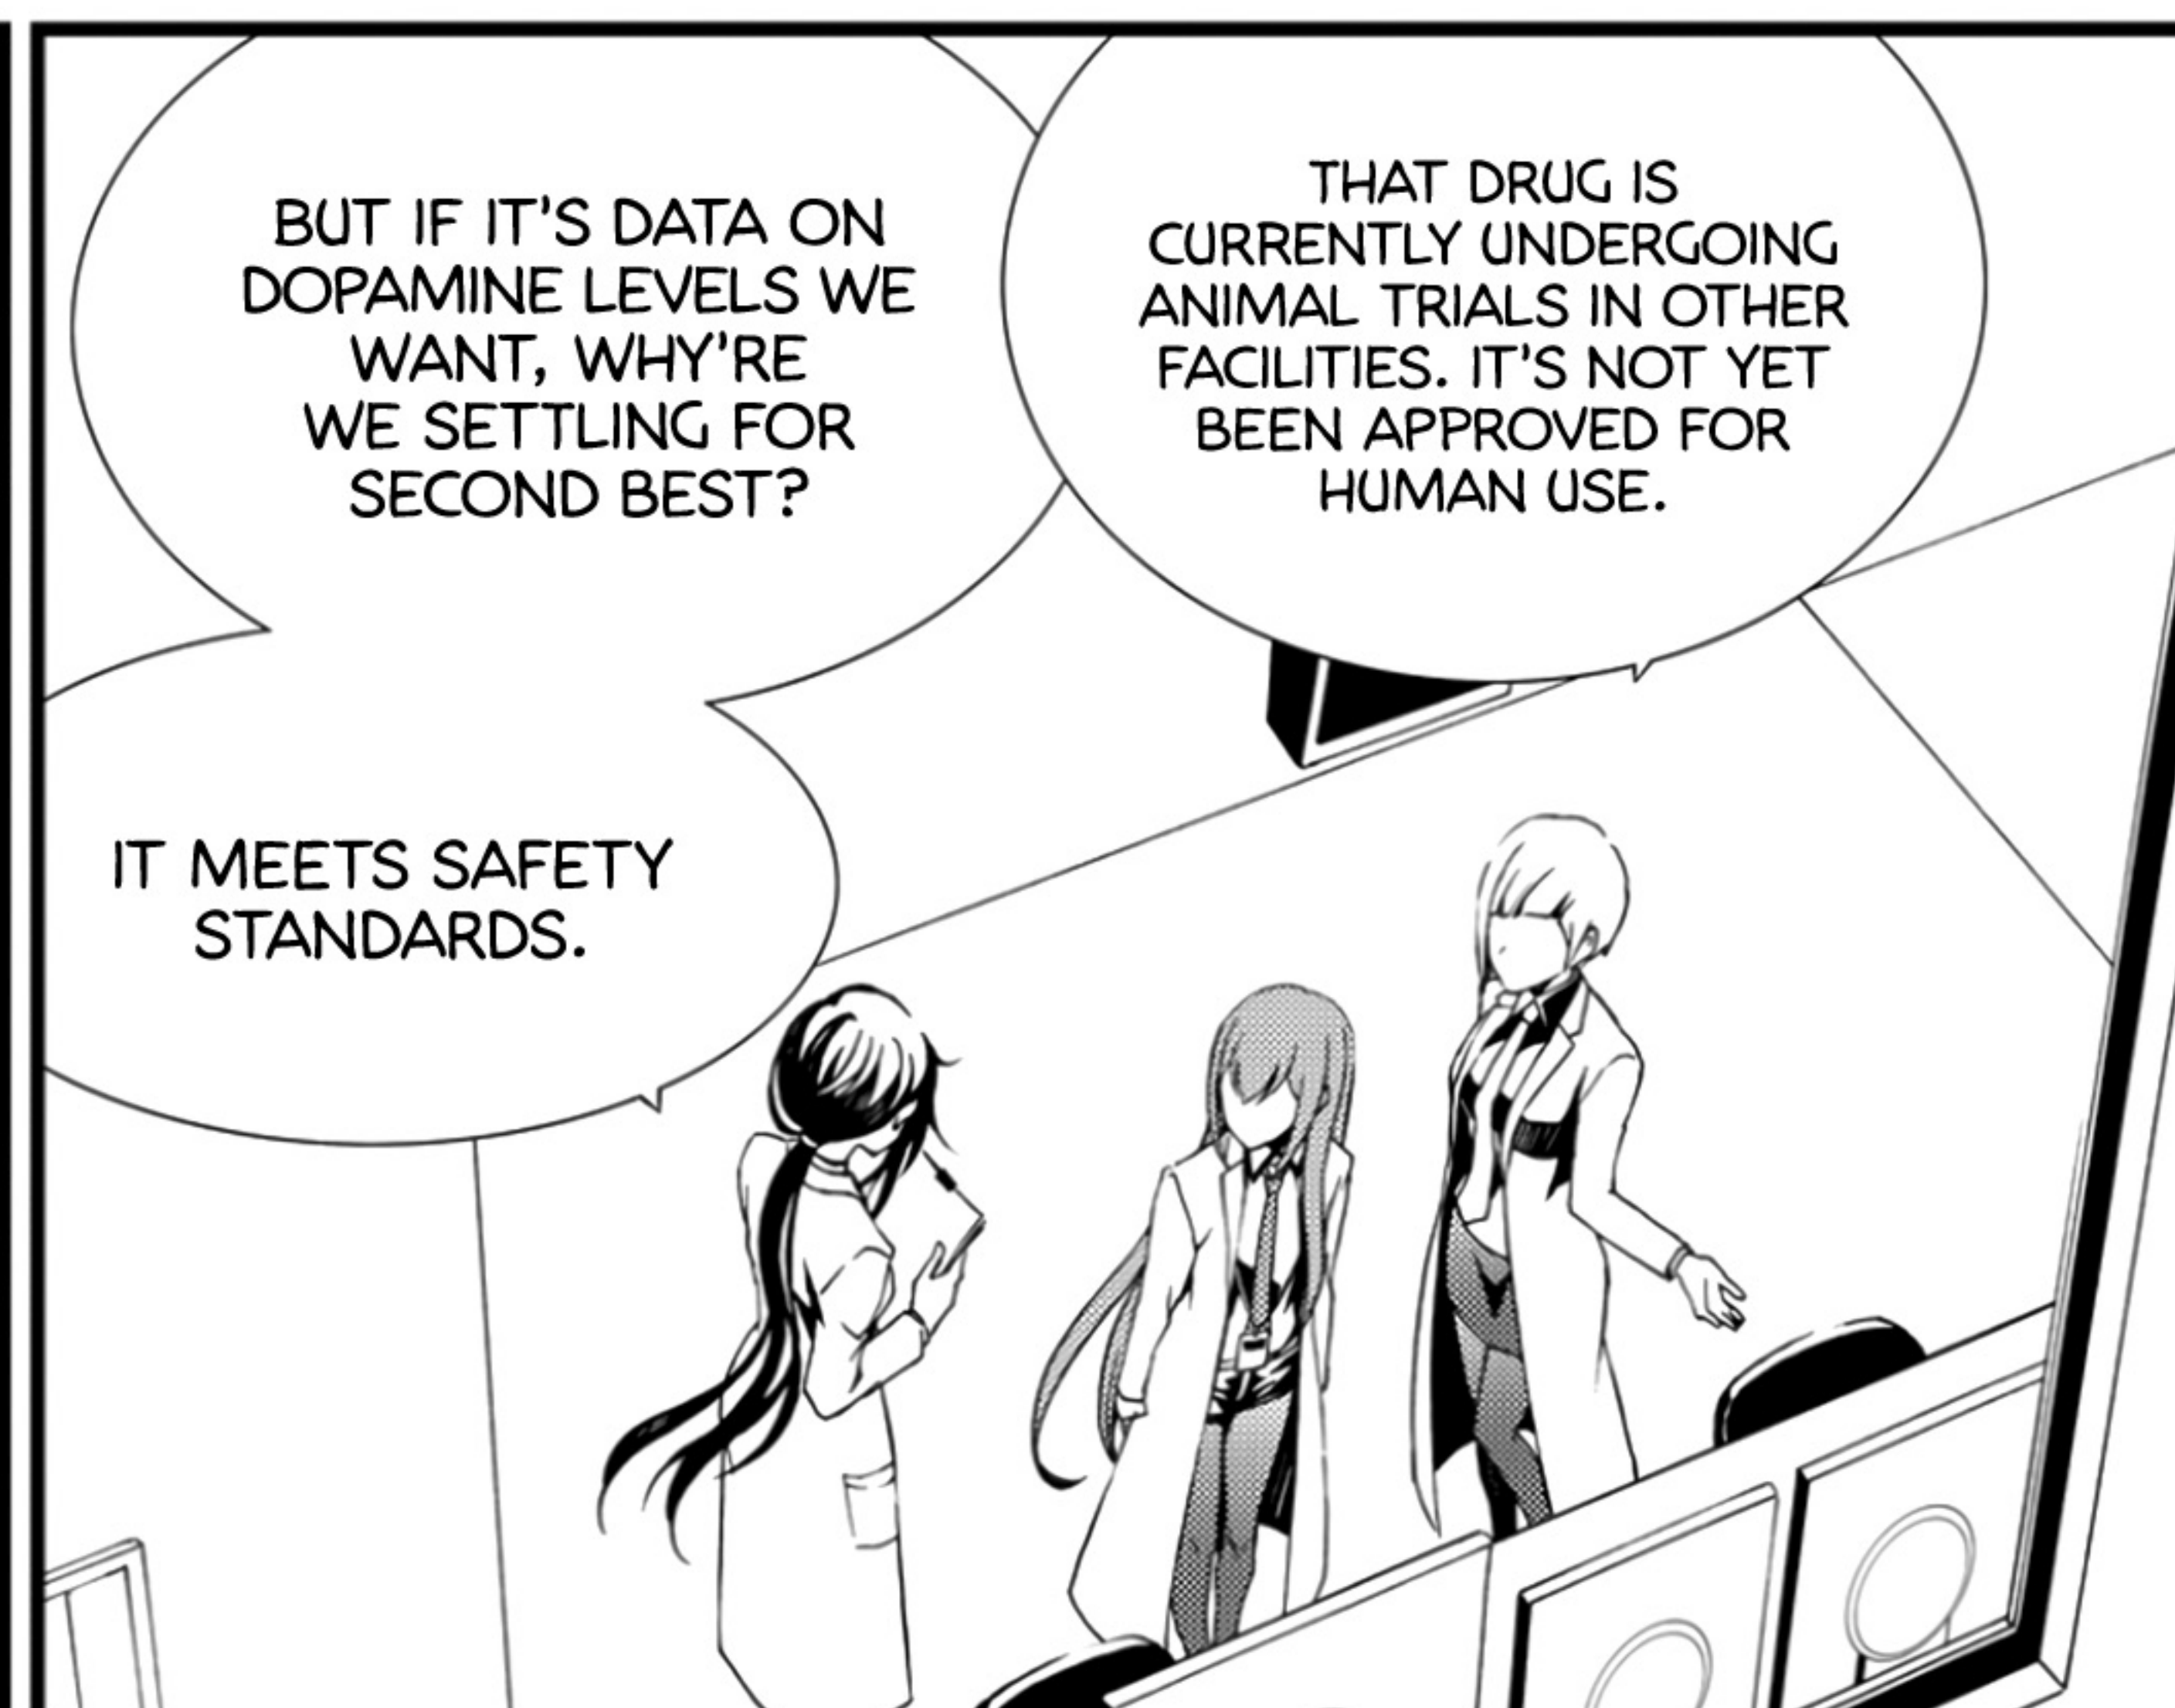

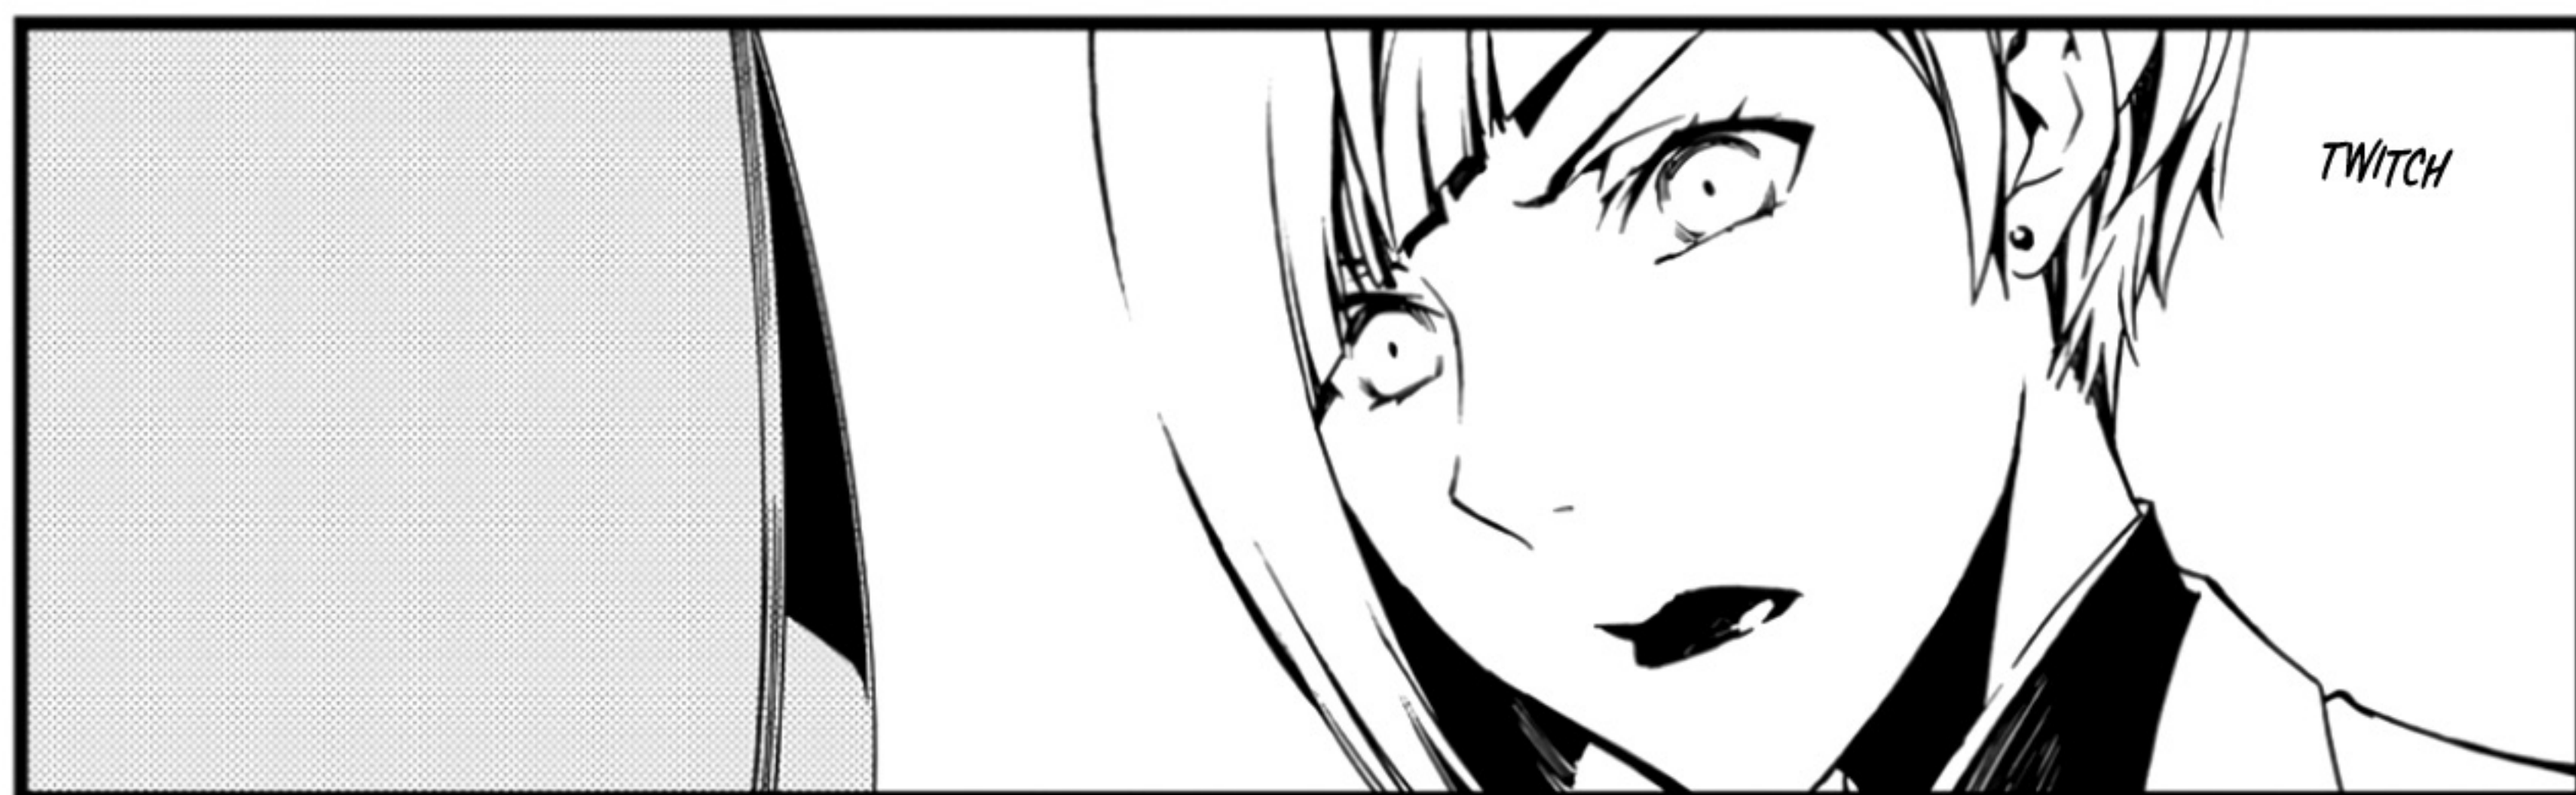

THE IDEA IS TO
ACHIEVE BALANCE BY
AGGRESSIVELY RAISING
THE BASELINE OF HER
OTHER SENSES.

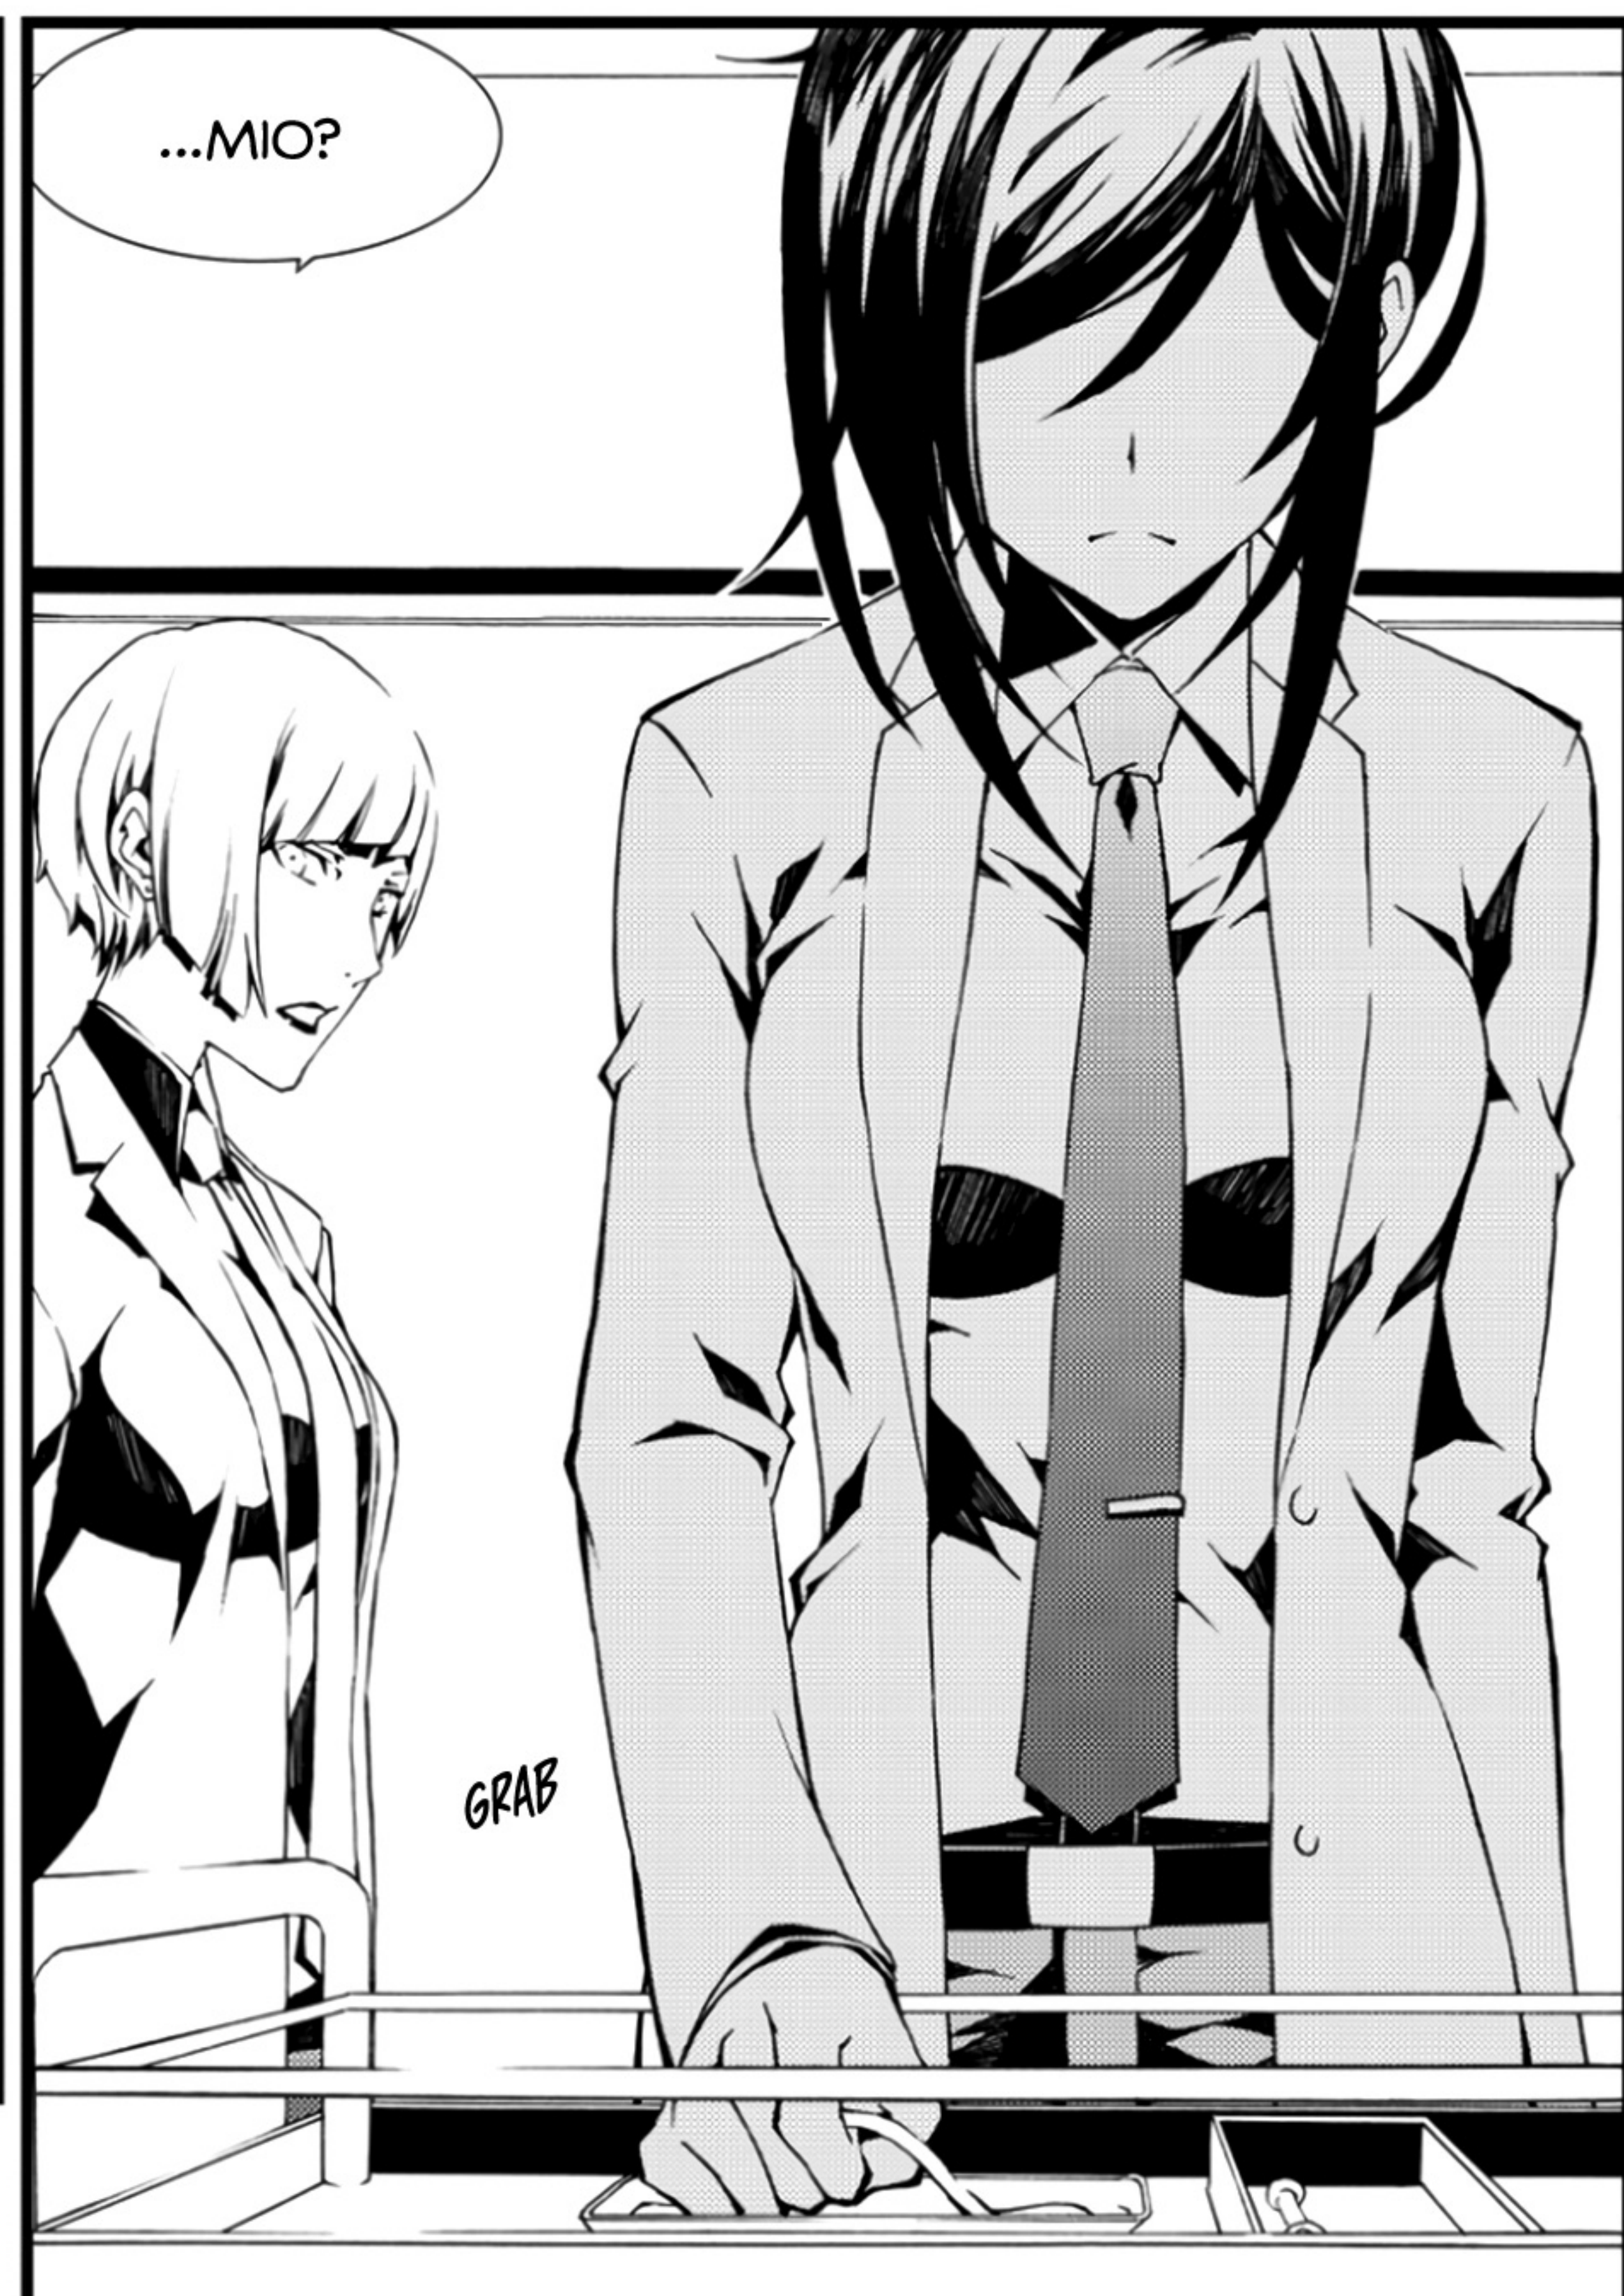

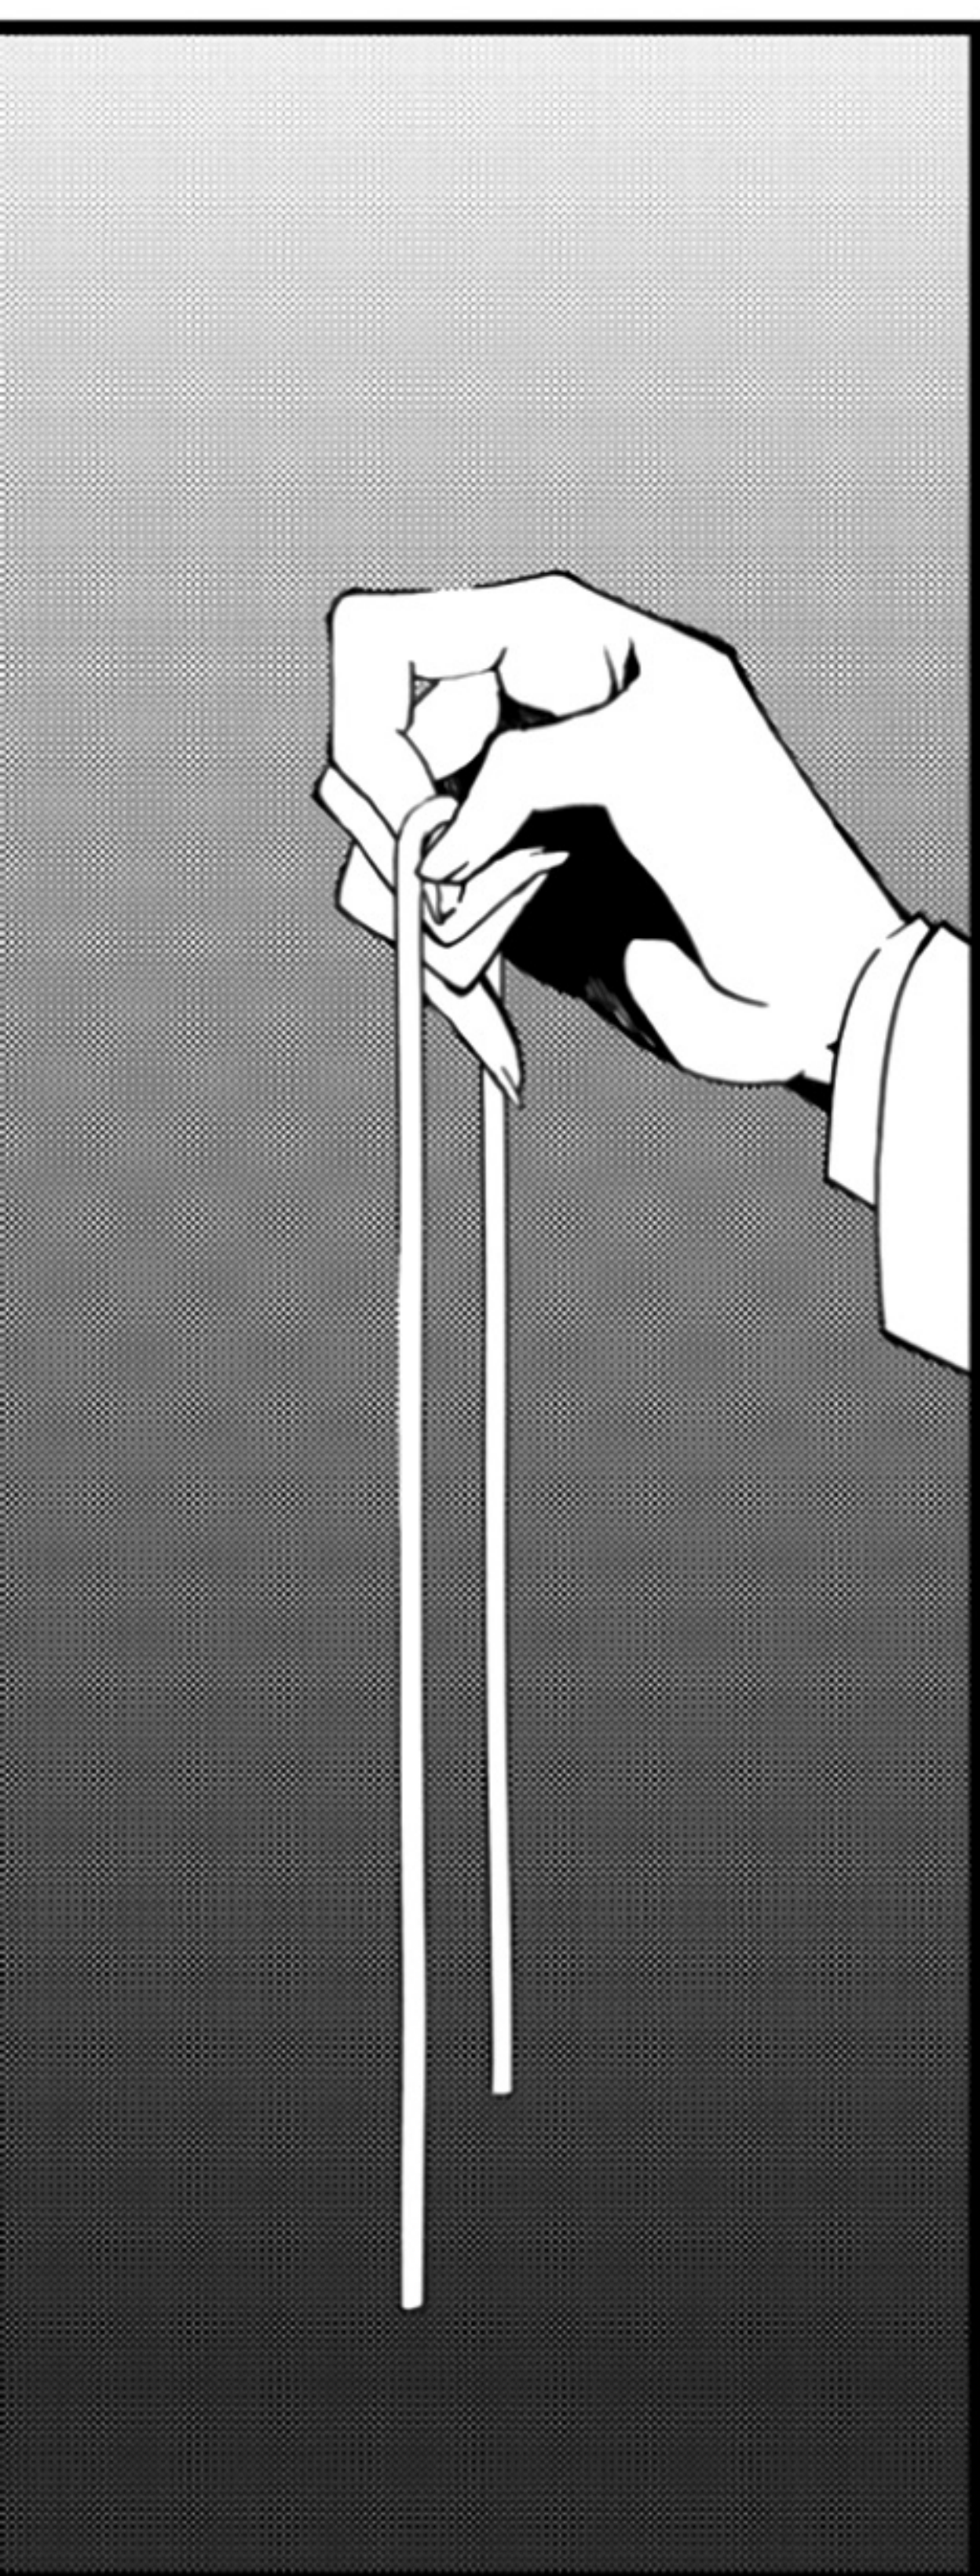

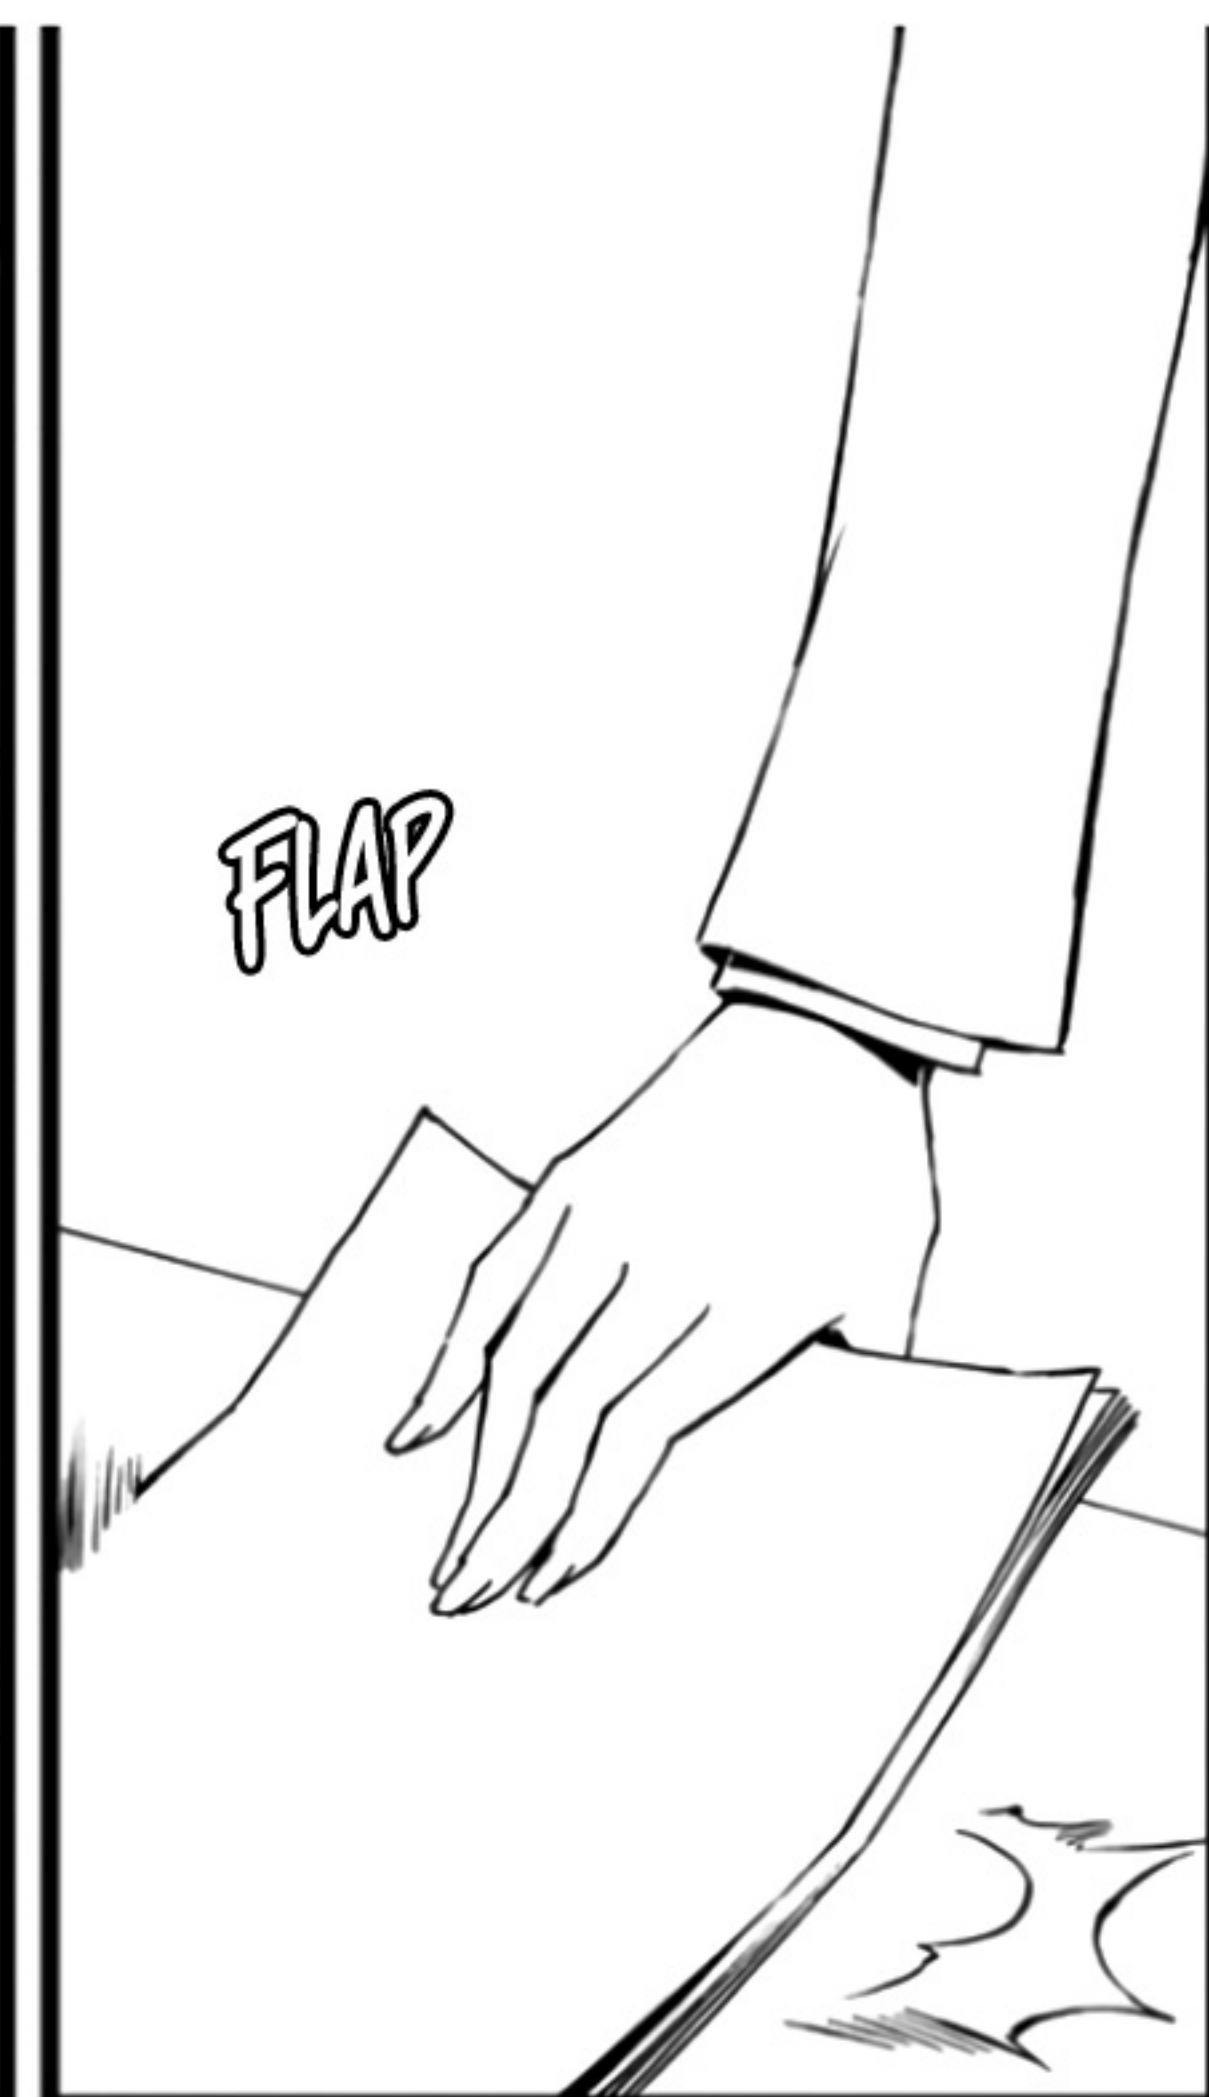

MIO, THIS IS A
STANDARD APPLICATION
OF THAT DRUG TO
TREAT ILLNESSES
SUCH AS HERS.

EXACTLY.

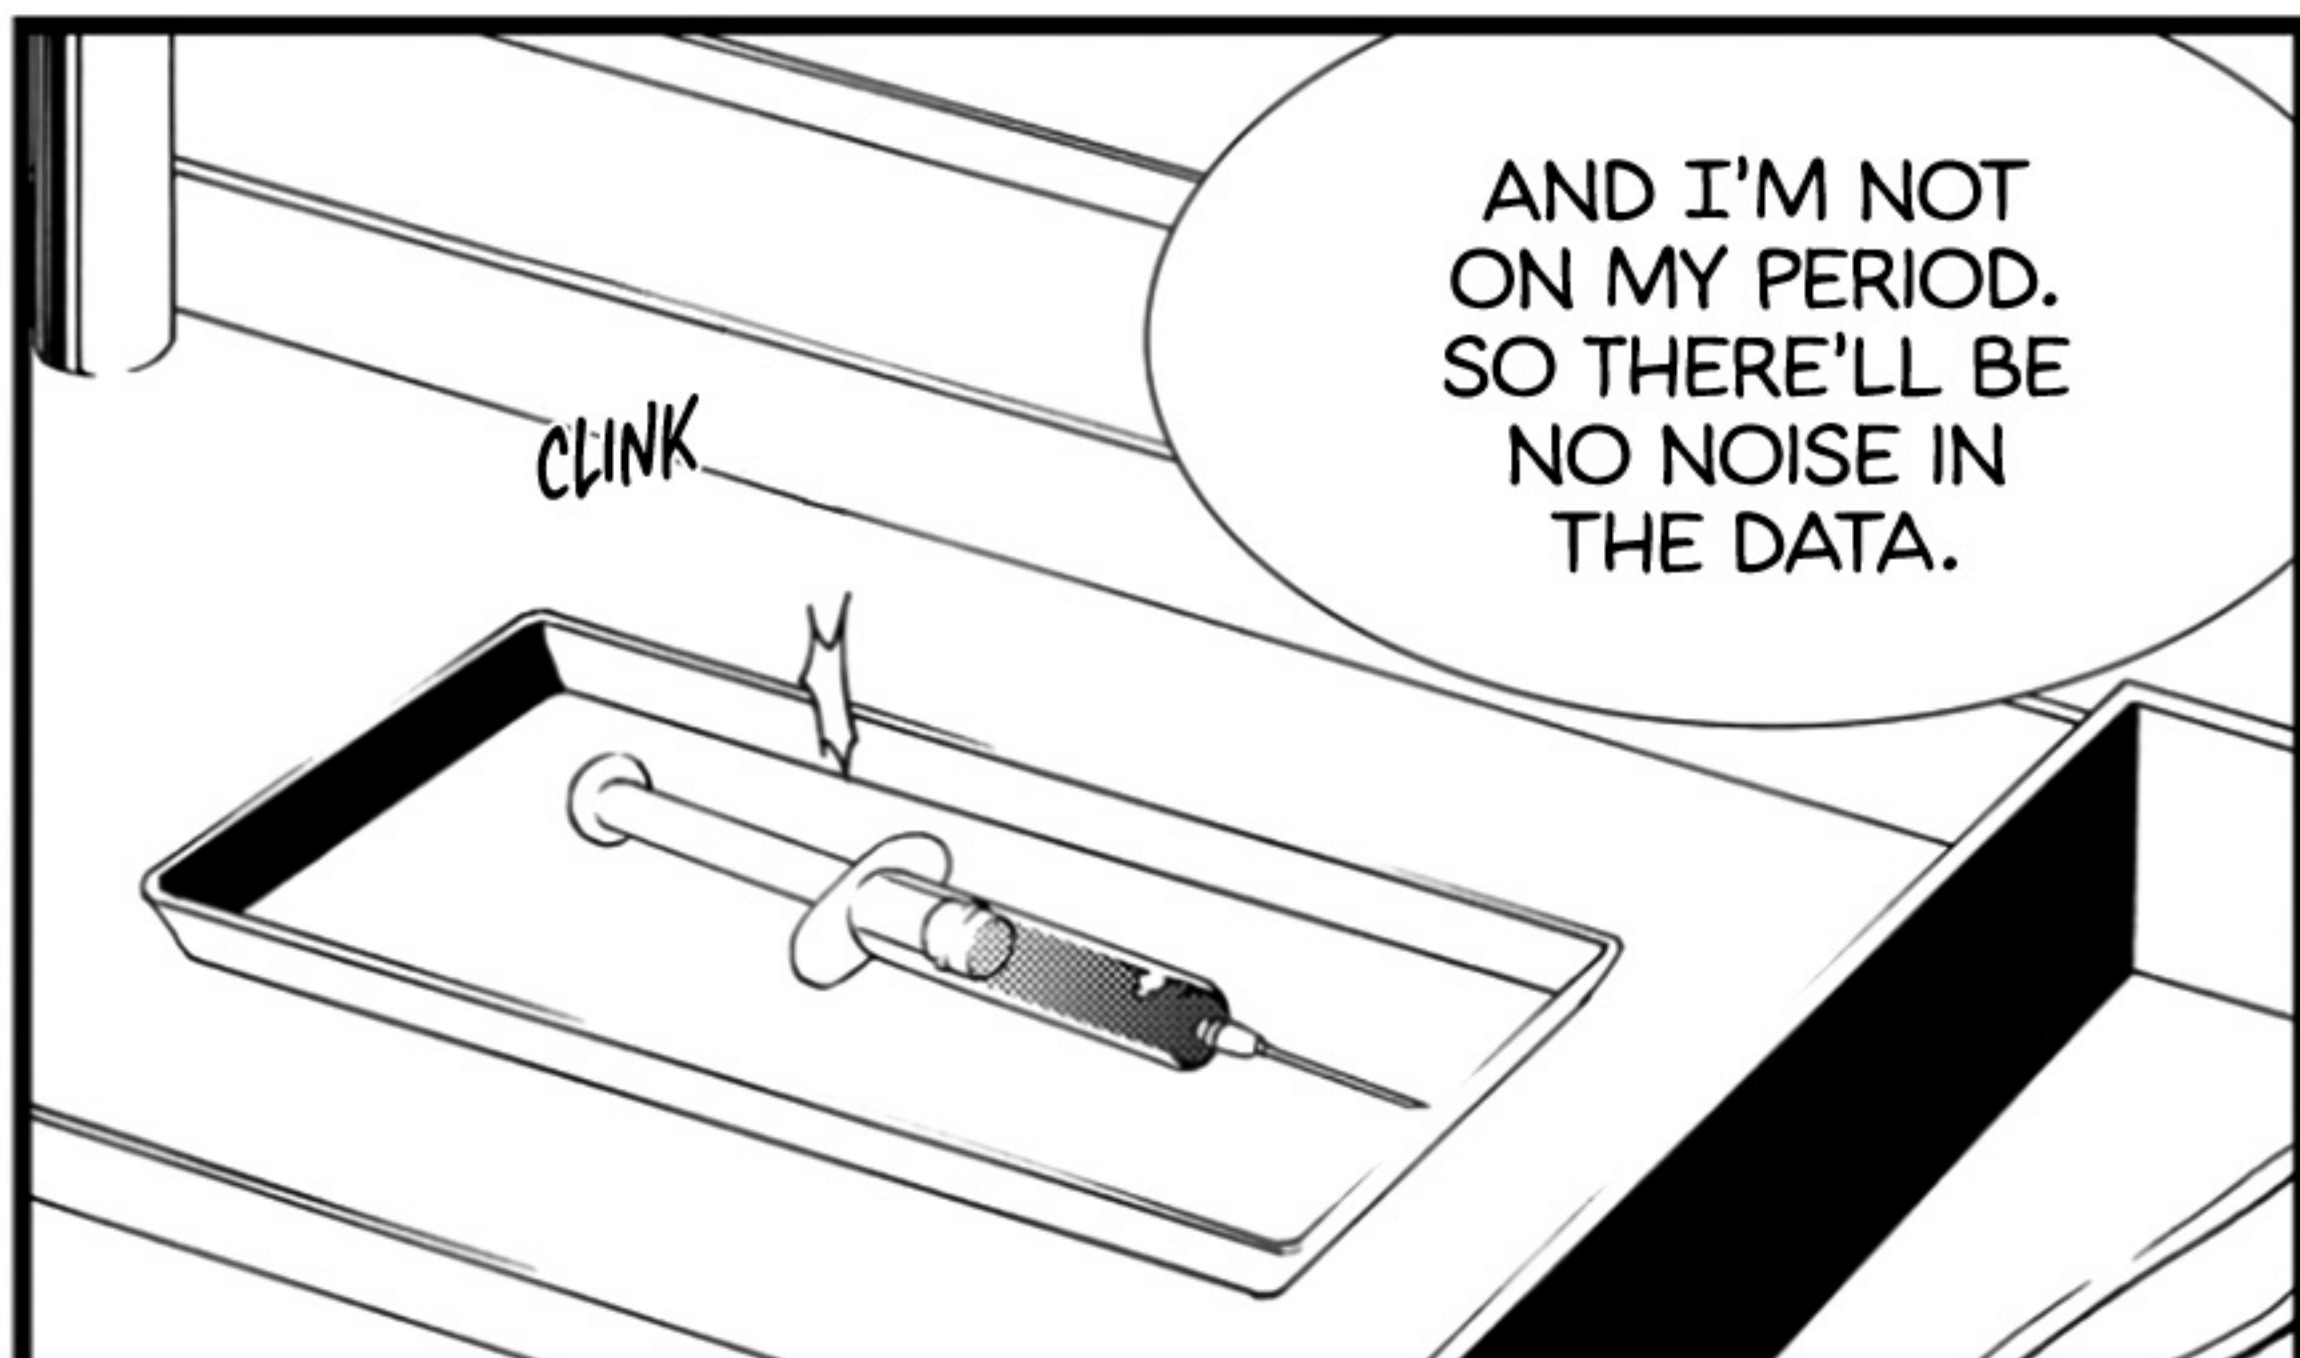

THE BASICS:
DRAWING BLOOD
BEFORE ADMINIS-
TERING A DRUG.

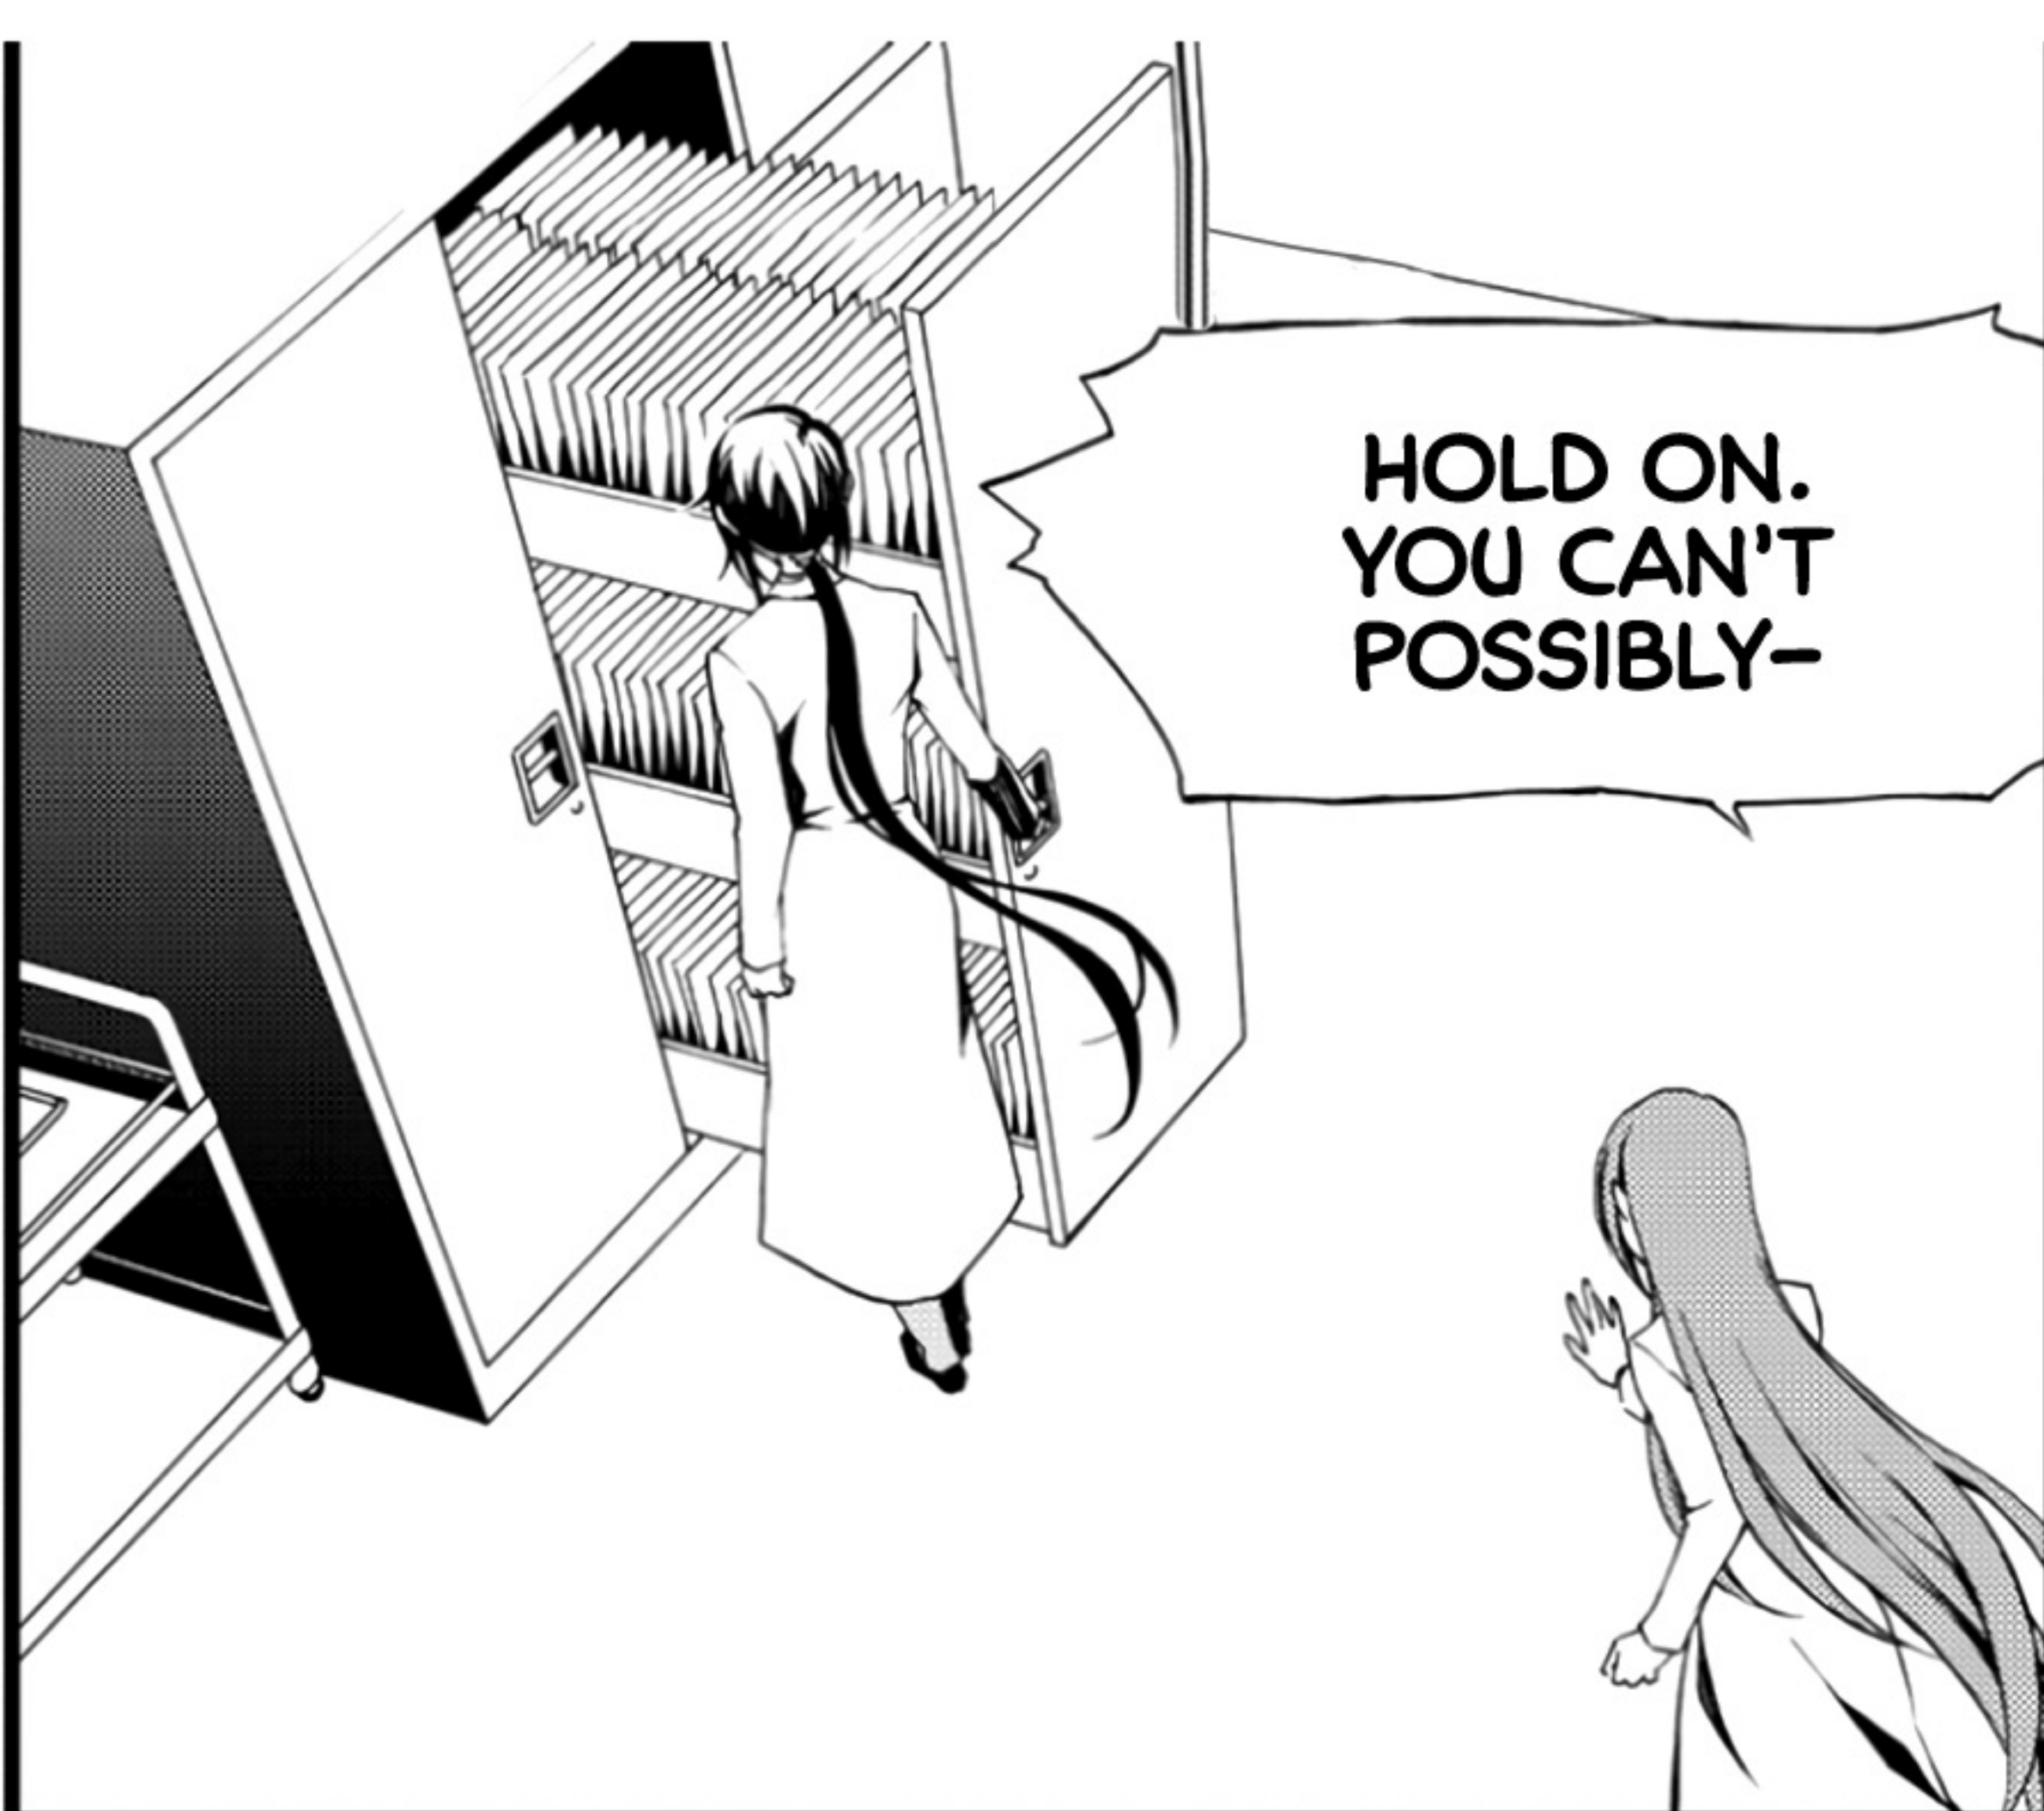

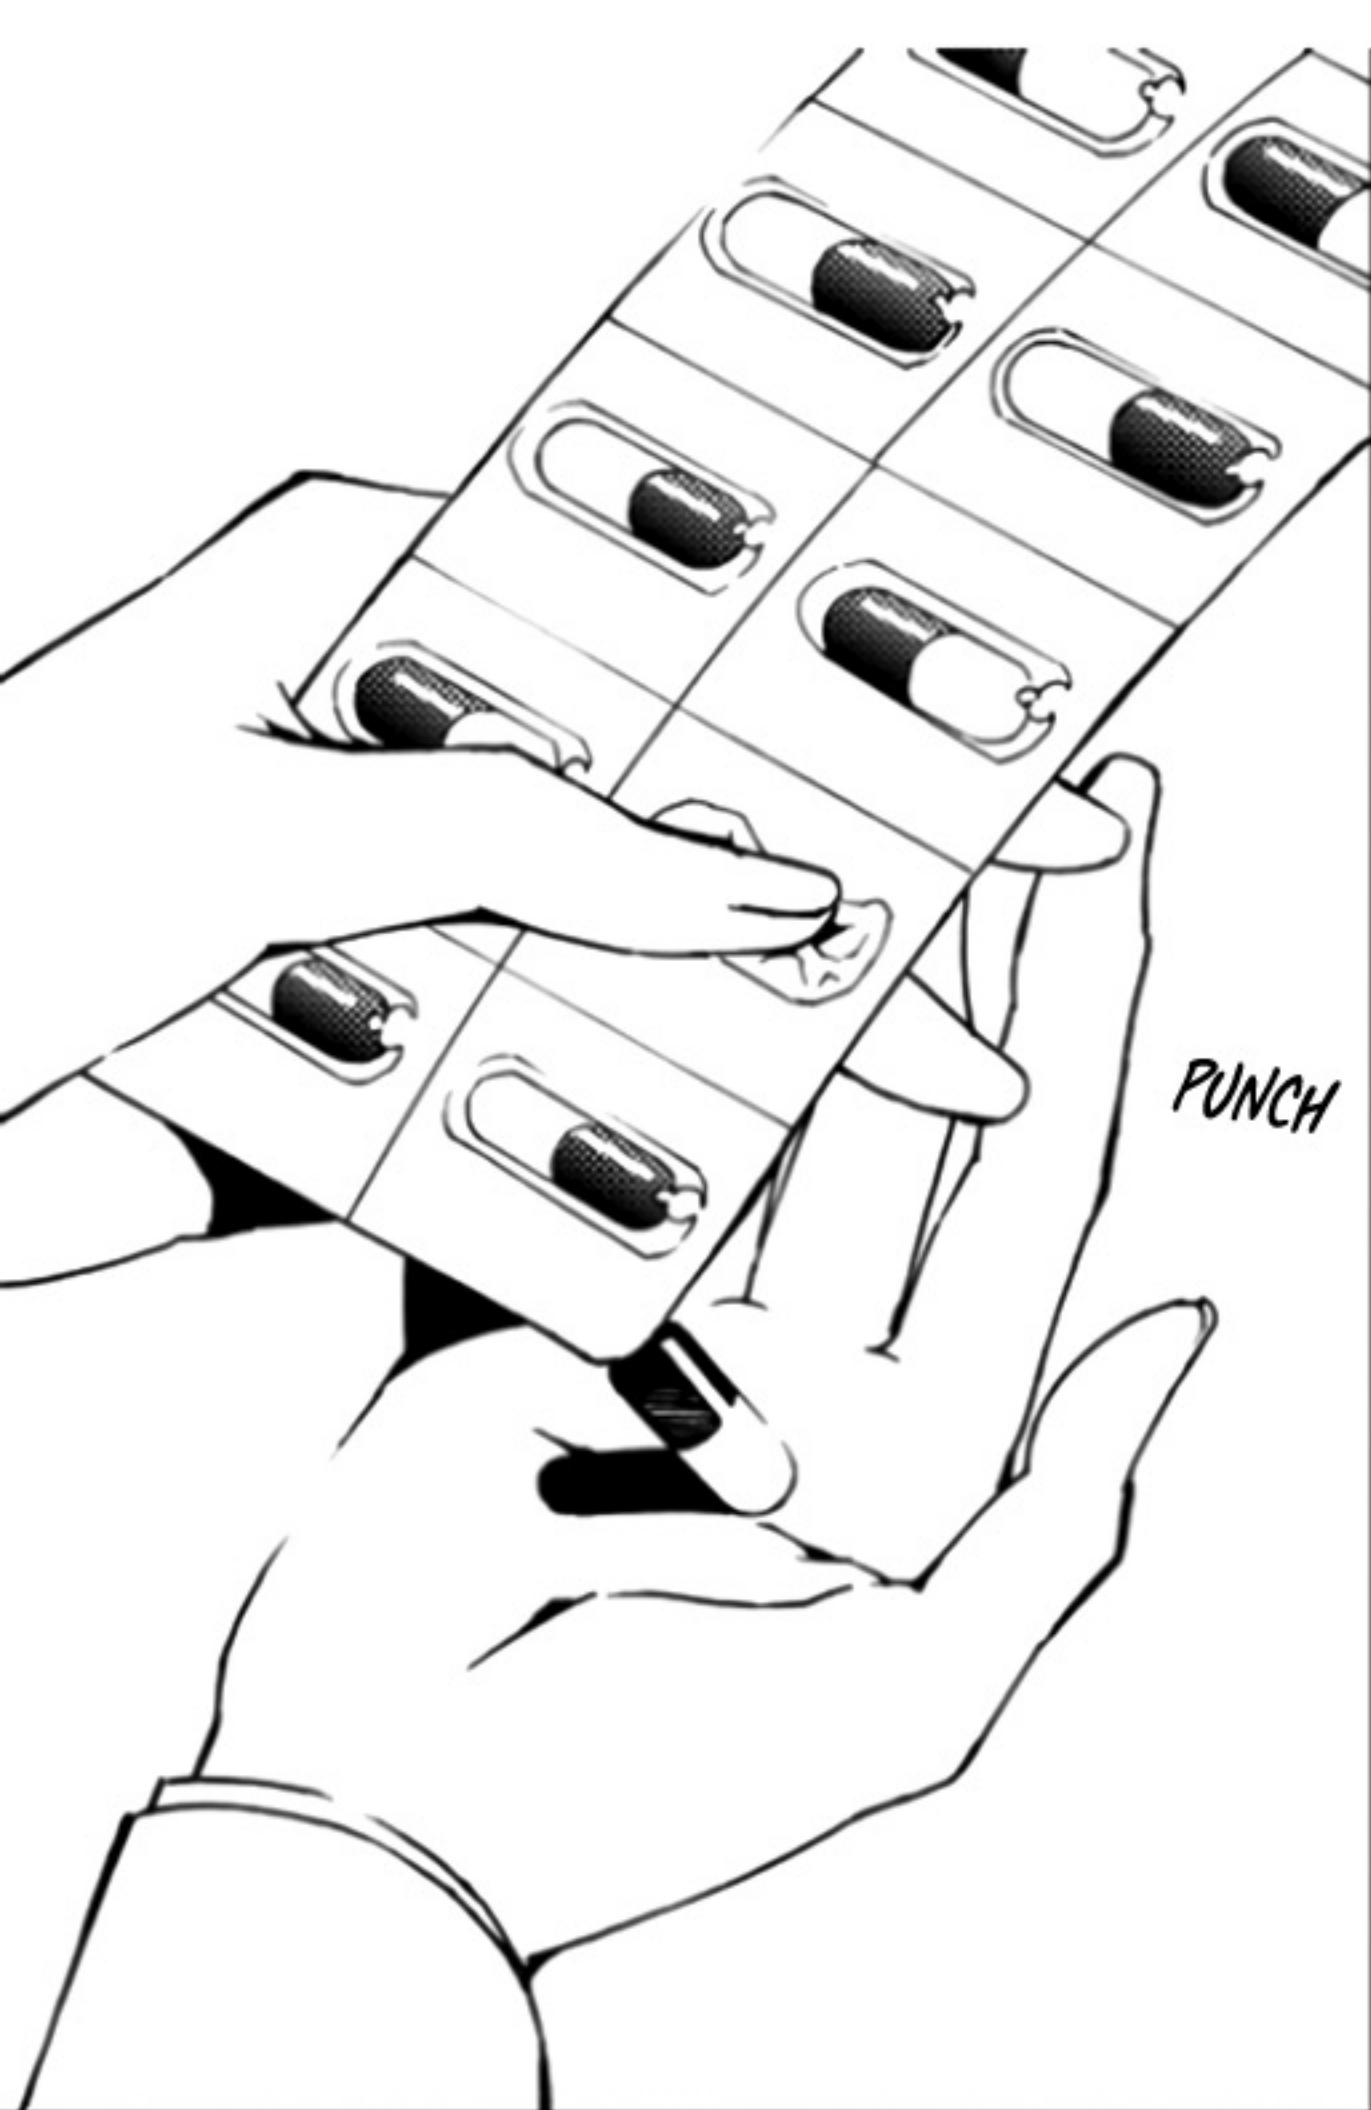

AND I'M NOT
ON MY PERIOD.
SO THERE'LL BE
NO NOISE IN
THE DATA.

CLINK

WH-
WHAT ARE
YOU DOING?!

SMIRK
